A Treat at the Grand Opera House.

The following is an extract from the Meridian (Miss.) Star: "The theatre goes! Meridian was accorded a treat last night in the way of Rufus V. Mays 'Taming a Husband,' one of the funniest and most comedies ever presented here. The cast and chorus of pretty girls were exceptionally strong. Messrs. Rufus and Mays are to be highly complimented on their comedy as being far above the average. It is exceedingly funny, yet, few from all suggestiveness, or anything that would offend the most refined audience of ladies and children. Miss D. Roth Raynor, the star, deserves special mention, her charming personality, clever setting and sweet voice won the hearts of the entire audience and received the 'Hiss' share of applause. The house was packed to its capacity."

TRIBUTE

To the Memory of the Late Senator John D. Harris, Delivered Before the Kentucky Legislature by the Hon. Curtis R. Burman.

Remains of Senator C. F. Burman, in the State Senate—January 4, upon the resolution offered by Senator Hickman, commemorative of deceased Senators Triplett, Harris, Kirk and Gilbert.

Mr. President, Fully appreciating the eloquent words pronounced by other Senators in regard to the other distinguished men whose names are engraved in the resolution, I propose to say something as to the loss of John D. Harris, who is a descendant of a long line of ancestors, who before the beginning of the last century, emigrated to Madison from Albemarle county, Va., and were useful and much respected citizens.

He was prepared for college at the old Madison Seminary and was graduated in 1829. He was a descendant of a long line of ancestors, who before the beginning of the last century, emigrated to Madison from Albemarle county, Va., and were useful and much respected citizens.

Some years ago he became a candidate for the office of State Senator, and although an unending Democrat he was elected without opposition in a strongly Republican district, this high compliment being paid to him by reason of his high character, his integrity and his fitness for this honorable office. He served for four years and by his good sense and patient labor and wise discretion so impressed himself upon the legislation of the State that his name was most prominently noted for the nomination by his party for the office of Governor of Kentucky, and in the convention thereafter held he received the votes of a large number of the delegates to the convention. The nomination was given to Gen. Buckner, of Hart county, and Maj. Harris, declining all other political honors, returned to the quiet of his beautiful home, but discharging faithfully many duties where his personal influence was of valuable aid in the improvement of the schools and roads of the county, and the activities of his church, and enjoying the highest esteem of his neighbors and fellowmen, and closing his long and useful life in the 76th year of his age.

Mr. President: I know that these resolutions offered to the memory of those who have passed away seem perfunctory, and that rapidly flowing the death of no man, however distinguished, creates more than a ripple on the surface. And yet it is due to ourselves that these memorials should be prepared, and they are due to the surviving friends of the departed that they may know that patriotism and devotion to right are not forgotten. These thoughts will soften the sorrow of those who can only say with Tennyson: "Oh, for the touch of vanished hand And the sound of a voice that is still!"

Four Simple Rules.

FOLLOW THEM AND HEALTH, HAPPINESS AND PROSPERITY WILL BE YOURS.

If one would be healthy, happy and prosperous, follow these four simple rules: (1) Keep the bowels open every day. (2) Chew your food slowly and thoroughly. (3) Avoid indigestible foods. (4) If there are any symptoms of stomach troubles, take Mi-on-a before each meal until cured.

No matter how many years you may have suffered with stomach troubles or how worried by sleeplessness, nervousness, loss of appetite, irritable tongue, specks before the eyes, headaches, backaches, weakness and debility, indigestion or other ills that are caused by a weak stomach, you can be cured by the faithful use of Mi-on-a. Take one of the little tablets before each meal with the fixed determination to get the most benefit out of it.

Mi-on-a is not a laudible experiment. It is not a patent medicine, it is not a cure all. It is a scientific remedy recommended but for one trouble—weakness of the digestive organs. It is a permanent cure.

When Mi-on-a is used for a few days, the digestive system is greatly improved and all the food eaten is converted into nutrition, so that nourishment and health are given to the whole system and there is a rapid increase in weight, strength and spirits.

Hopper was engaged in holding a protracted meeting at the Woodland-avenue Presbyterian church when he was taken ill. "Uncle Joe" Hopper is known all over Kentucky, where he has preached for half a century, and hundreds of Kentuckians are anxious to hear of his recovery.
