In admiration of the flour that produces that delicious bread, cake or pie he so dearly loves. Mothers who use our Oblique Flour are surprised and delighted at the heartiness of the children's appetites and their freedom from ordinary ills. Try a sack yourself. The children will eat a lot more, but that's better than buying medicine.

The Dollar.
Just a dollar on a mission sent makes a lot of people glad each time the coin is spent. You pay it to the butcher for the meat to give you strength; he takes it to the grocer from whom it goes at length for some pretty bit of cloth or lace his better half to buy, or help to get her summer hat to make her rival sigh. The dry goods man sent on the coin to pay the market bill, and though the coin is often spent it stays a dollar still, and every time it is spent at home some act of good is done; in booming local industries it's bound to make them run. But if you take the shining coin and break it the local chain, the chances are that from afar it will not return again. If once it passes out of town the butcher and the baker, the grocer and the dry goods man, the furniture man and the carpenter, the wagon man and the blacksmith, the shoe man and the printer, everyone will lose the chance to touch the coin ere the setting of the sun. Just keep the little coin at home, just keep it moving well, and every time it changes hands somebody's good 'twill sell. That single little dollar has thus a wonderful power to make some body happy a dozen times an hour. It pays the bill and wards off ill and ne'er its power relaxes, to soothe the doctor, buy the coal and pay for clothes and taxes.—Shelby Record.

Free Sample Aids Old Men
The sudden change from years of activity of both body and mind to the quiet of later years causes the human system to undergo many changes, chief of which is in the digestive organs. It becomes harder and harder to get the bowels to move promptly and regularly and in consequence many elderly men suffer not only from the habit of constipation, but from indigestion, headache, belching, sour stomach, drowsiness after eating and similar annoyances. It is first and then to tone the digestive muscles so as to get them to again do their work naturally. A violent cathartic or purgative is not only unnecessary but harmful, and something mild will do the work just as well. After you have got through experimenting with salts and pills and waters of various kinds, and have become convinced that they do only temporary good at best, then try Dr. Caldwell's Syrup Pepsin, a mild, gentle, pleasant-tasting laxative tonic that is especially adapted to the requirements of old people, women and children, and yet is effective enough for anybody. Your druggist, who has handled it successfully for a quarter of a century, will sell you a bottle for fifty cents or one dollar, but if you want to make a test of it before spending any money send your name and address to Dr. Caldwell and he will gladly send you a sample bottle free of charge. This remedy is rapidly displacing all other forms of medication for the cure of stomach, liver and bowel troubles, and families like Mr. O. P. Wisler's of Sycamore, Ill., and Mrs. Carrie Culler's of 235 N. Notre Dame street, South Bend, Ind., are now never without it in the house. They have tested it and know its grand value to every member of the family. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For other requests the doctor's address is Dr. W. B. Caldwell, 1535 Caldwell building, Monticello, Ill.

Little Things That Count.
Little drops of water poured into the milk give the milkman's daughter lovely gowns of silk. Little grains of sugar mixed with the grocer's sand make the grocer's assets swell to beat the band. Little bowls of custard, humble though they seem, help enrich the fellow selling pure ice cream. Little rocks and bowlders, little chunks of slate, make the coal man's fortune something fierce and great. Little ads, well written, printed nice and neat, give the joyful merchant homes on Easy street.—Walt Mason in Farm and Ranch Review.

Eczema—A Germ Disease Can Now Be Cured.
The Medical profession is all agreed that Eczema is a germ disease, but the thing that has baffled them is to find some remedy that will get to the germs and destroy them. Zemo, the clean, external treatment has solved this difficulty by drawing the germs to the surface of the skin and destroying the germ life that causes the diseases. The whole method of treatment and cure by Zemo is explained in an interesting book on the subject issued by the makers of Zemo. It tells how to cure yourself at once of Eczema, Blackheads, Pimples, Dandruff, and all diseases of the skin and scalp. Call at Perry's Drug Store for booklet and learn more about this clean, simple remedy that is now recognized the standard treatment for all diseases of the skin and scalp.

THE FOOT

The "Foot Eazer" eases the feet. This the most practical foot resting device ever devised. Consists of two springs, base supporting plate, and inner spring of finely tempered German Silver, leather covered. These springs are riveted together with German silver rivets at heel and are allowed to be free in front:

These Features Make "Foot Eazers" Most Unique

- 1st—Self-adjusting and even pressure to all feet, either high or low instep.
- 2nd—Equalizes the body's weight by bridging it from heel to toe.
- 3rd—With the double spring feature, the top plate slides back and forth on the under spring—hence does not cut or gouge the insole.
- 4th—Gives just the right pressure at just the right spot.
- 5th—Being self-adjusting, instantly relieves all muscular strain and pressure on the membranes that hold the articulations.
- 6th—As it is springy—easy to wear and has a tendency to develop the muscles, thus enabling a complete cure.
- 7th—Light in weight so that every one can instantly wear and be permanently benefitted.
- 8th—Applicable to all forms of tired feet and limbs; also severe cases. Can be worn in any shoe unnoticeable.

Richmond, Kentucky
Messrs. Hamilton Brothers:
Gentlemen: Your Foot Eazer Arch Supports are the greatest relief I have ever found. They distribute the weight of the body over the entire bottom of the foot and by raising the center the ball of foot and heel are not only relieved of so much weight, but the foot is prevented from pressing forward thereby allowing corns and bunions to cure up. I cannot praise them too highly.
Very truly yours,
N. B. Turpin.
