Old Circular

In Possession of Judge Benton Is a Most Unique Political Document.

A circular printed in 1839 at Lexington and distributed to the democratic organization throughout the state, is in the possession of Judge James Benton and is a most unique document. It was kept for many years by Capt. J. Speed Smith, Sr. It is an appeal to the Democracy of the state to "get together" and is signed by Dan Bradford. It says:

TO THE DEMOCRATS OF KENTUCKY:

The Executive Committee of the Democratic Party, in Fayette county, held a meeting in the city of Lexington, on Monday the 2nd. day of September 1839, at which the following resolutions were adopted:

"1. That it be earnestly urged upon the Democratic party in every county in the State, to hold public meetings at their respective court houses, and to appoint delegates to the State Democratic Convention to meet at Frankfort on the 8th. day of January, 1840.

"2. It being the principal object of said State Democratic Convention to select candidates for the offices of Governor and Lieutenant Governor, and for Electors of President and Vice President: That it be recommended to the Democratic Party throughout the State to send their delegates to said convention, duly instructed upon these subjects in order that the general will of the party may

be expressed in the selection of candidates.

"3. That a Circular letter be addressed, in the name of this Committee to the Democratic Party throughout the Commonwealth, and sent to every county, calling upon them to hold public meetings in every county, for the purpose indicated in the foregoing resolutions, and recommending activity and energy in the promotion of the Democratic cause.

"4. That in the opinion of this Committee it is expedient for the Democratic party at the next general election to have candidates for the Legislature in every county, and to bring to the polls every Democratic voter, and that this opinion be expressed in said circular."

The Committee appointed to prepare the above mentioned circular, have concluded that they could not more appropriately, and, at the same time, briefly discharge the duty assigned to them, and express the views of the Executive Committee, than by copying the foregoing resolutions.

When we reflect upon the cheering and decisive Democratic victories, recently achieved, and the resolutions effected in Tennessee and Indiana, and that the distinguished democrat, James K. Polk, has been elected Governor of Tennessee, by a majority of several thousand over a Whig competitor, who received two years ago a majority of nearly twenty thousand votes, thus exhibiting a clear democratic gain of about twenty three thousand votes; and when we compare the relative state of parties in

Tennessee and Kentucky, we have every reason to hope, with entire confidence, that the reaction of public sentiment in favor of Mr. Van Buren's administration, in all the Western States, which has been lately so signally manifested, will be abundantly strong enough to secure a complete change in the political attitude of this State, at the next general election, and that she will be restored and regenerated, and resume her ancient Democratic character.

Union, and a vigorous and patriotic exertion of the entire Democratic strength of the State, is all that is necessary to effect so glorious a triumph, and to rescue our beloved and renowned Commonwealth from the domination of a proscription party, who, whilst they constantly and most urgently attribute to their political adversaries the execrable principle, that "to the victors belong the spoils," are themselves uniformly applying and enforcing that odious rule, whenever they have the power. They raise the salaries, and increase the burdens of the people, for the benefit of their party leaders, and fill all offices, including the benches of judicature, with their partisans, and flagrante delicto, they have the effrontery to cry out corruption, proscription, "spoils"! In the actual possession and enjoyment of all public employments, and of the public treasury of the State, excluding all participation by the Democrats, and yearning after, and in untiring hot pursuit of the offices and public treasury of the nation, "out of the abundance of the heart the mouth

speakeeth," and they continually cry "spoils, spoils, spoils." Saturated, but not satisfied out of the State crib, they most vehemently vociferate, that which they most heartily desire 'spoils, spoils, spoils,' that is give us the honors and emoluments of Union.

Let every democrat do his duty, and come up to the polls, from the hills, and from the valleys, from the cities and from the plains, and from the uttermost ends of the State, and we shall see Kentucky presented as the centre column of the united Western Democracy, bearing aloft the sacred standard of civil liberty, untarnished and untorn by the fiercest struggles of its enemies to prostrate it.

Comforting Words

Many a Richmond Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Richmond readers.

Elbridge G. Evans, Depot St., Nicholasville, Ky., says: "From my experience with Doan's Kidney Pills I can say that they are an excellent remedy and one that lives up to the claims made for it. I suffered from kidney trouble for some time. My back ached and I had a soreness across my kidneys that made it hard for me to get around. I also had a great deal of trouble from my bladder, the kidney secretions being too frequent in passage at times while at others there was a complete retention. Doan's Kidney Pills were finally brought to my attention and I began their use. They helped me from the first and I was cured."
