WHISKY FOR HOG CHOLERA.

Barren County Farmer Claims That a Swig of Liquor Brings Relief.

Albert Knox, a farmer, adjoining Princeton, on the west, has been losing hogs rapidly from hog cholera. Tuesday of this week he gave a couple of them that had been sick, a dose of two ounces of whisky each; two ounces was a dose, but it took all the whisky he had in the house. When he arose Wednesday morning and went to look at his hogs to his surprise, the two to which he had given the whisky came to their feet and were as well, apparently, as any of the balance of the herd. Mr. Knox at once left for a supply of whisky. When he returned home about three o'clock in the afternoon, he found five hogs sick, two of them apparently dying, as they were stretched out with the breath of life almost out of them. Nevertheless, he gave them their dose with the rest of the sick ones. Between that time and the time of going to bed Wednesday night, he gave them two more doses. When he went to look at his hogs Thursday morning, he not only found his sick hogs all alive, but the two which he found apparently dying on his return from Bureau, answered the feed call and ate some good. Now, Mr. Knox says, they may die yet. He does not know that whisky is a cure. He never tried it before. He can only tell the facts of the case as they occurred, and as far as he has tried the remedy.—Barren County Tribune.

We handle all kinds of chicken feeds, grits and poultry supplies. D. B. McKinney. 16-1f

Mr. Evans Will Take Up New Work.

Mr. Leslie P. Evans, who has been connected with the State Bank & Trust Company for many years, has resigned his position with that institution to take effect January 1. In the future he will be connected with Mr. D. H. Breck in the insurance business, Mr. Evans having purchased an interest in the firm, which in the future will be known as Breck & Evans. Mr. Evans is a competent business man, which fact is evidenced by his long and faithful service with the State Bank, and there is no reason why the firm should not prosper by the united efforts of these two popular business men.

Organizing Company In Richmond.

That Richmond will have a company of militia in the Kentucky State Guards, County Judge Shackelford having consented to its organization, is now assured. W. S. Broadus, who is pushing the movement, has received word from Gov. McCreary promising to give his support to anything in his power for the success of the company and in seeing his home town turn out the best organization in the State. Acting Adjutant General J. Tandy Ellis, of Lexington, who is well known by many Richmond people, has also expressed his pleasure and readiness to render every possible aid in organizing the company. It is probable that McKee's skating rink will be used as the armory. The company, which will be known as the Jas. B. McCreary Guards, will be composed of the very best young men of the city and county, and already has the hearty support of every citizen of the community, as there is nothing better for the training and welfare of the young men than a military organization in their home town. The armory will be fitted with shower baths and a reading room, and be made as complete and attractive as possible as a meeting place for the boys. There are many attractions for the company, such as National and State encampments each summer, and many other nice trips, which make pleasant outings for young men.

The Kentucky National Guards are under the supervision of men of the highest moral character. With the Richmond company under the guidance of W. S. Broadus, parents should feel their boys will be well looked after.

Good Negro Dead.

Wallace Singleton, a well known and respected negro, died in this city last week after a lingering illness with tuberculosis. Deceased had as many friends, perhaps, as any colored man man who ever resided in Richmond, and was popular with the white people, as well as those of his race. Every one who knew Singleton had a good word to say in his behalf when the news of his death was circulated.

Our line of new canned goods, vegetables and dried fruits is now complete and our prices are right. D. B. McKinney. 16-1f

Riddell-Thomas.

Mr. Robert Logan Riddell, of Nicholasville, and Miss Laura Mayme Thomas, of Richmond, were married at the home of Dean Calhoun, in Lexington, Tuesday the 9th, this noted divine pronouncing the ceremony. They left immediately for the East, where they will visit many points of interest there and in Canada.

Mrs. Riddell is a daughter of Mr. John Thomas, of Red House, and a niece of Edward Carson, of Richmond, where she lives. She is a fine girl, possessing rare traits of character, which will fit her for the companion of this splendid man.

Mr. Riddell is a son of J. L. Riddell, of Nicholasville and all who know him agree that he is one of nature's noble men. He graduated from Transylvania University last year and now has charge of a church at Cropper, Shelby county, where the happy couple will be at home after Jan. 1st.
