An Easter Wedding at Cropper.

Although the Eastside was somewhat chilled by the unusual rain and snow, the gloom was dispelled in the quiet town of Cropper when Mr. John Walker McKinney, son of Mr. and Mrs. J. R. McKinney, and Miss Elizabeth Elsie Carson, daughter of Mr. and Mrs. Edward Carson, of this city, were united in the holy bonds of matrimony.

The bride was very handsome in a tailored suit of gold and carried a bouquet of American Beauty roses. The wedding was a very quiet affair. Those present were Miss Bonnie Proctor, who accompanied the couple to Cropper, and Mrs. R. L. Riddell, cousin of the bride, and Master Bobby Logan Riddell, Jr.

COMMUNITY MEETINGS.

Community meetings are now the order of the day in the county. The community meeting plan was adopted last year by the county farm agent and the lady home demonstrator, and two or three meetings were held weekly at different points in the county and at each place designated for holding the meetings, a monthly meeting was held. The severe and cold winter put a quietus on the work and very little was done except plan for the spring and summer campaign.

On Friday night three automobile loads went from Richmond to Union City, where a large and enthusiastic crowd gathered at the High School building in that thriving little village. Mr. Ben Boggs presided as chairman of the meeting. After making a few introductory remarks and telling of the objects and purposes of the meeting, Mr. Frank Leslie Russell, attorney, was introduced as the first speaker of the evening. At the conclusion of his talk, Miss Aubrey Chinn, of Ky. State College, Lexington, and field agent for home demonstration work, was introduced, and she captivated all who heard her. She made a special appeal to the girls to form sewing clubs and also discussed on economics. Her address was a masterpiece of eloquence, coupled with common sense and indisputable facts. She is of charming personality and she was roundly applauded by her hearers. Dr. J. G. Bosley made a splendid address on "Sanitation." He urged the patrons and pupils to keep the building and grounds in a clean and sanitary condition, and advised the planting of flowers, and offered to furnish the seed free to the girls if they would plant them. The last speaker of the evening was Mr. C. C. Thomas, of the Chamber of Commerce, who spoke on "The Needs of the Hour." He made an interesting address on the food situation and urged upon the people the duty and necessity of planting and raising more food products. His speech was well received. Mr. Higgins furnished the music on this occasion.

These community meetings are quite interesting and instructive and Richmond people should attend them whenever it is possible to do so. We should become better acquainted with each other, and the community meetings offers a splendid opportunity.

DEATHS.

Mrs. George Parks, one of the best beloved women of the southeastern part of the county, died in the Berea Hospital, Sunday, at midnight. Her death was due to pneumonia following an operation. Deceased was the daughter of Mr. Louis Sandlin, who preceded her to the grave some months ago, and a sister of Dr. H. G. Sandlin, Mr. J. Marion Sandlin, and Mrs. John C. Powell, of Richmond, who together with her husband, Mr. George Park, and son, Mr. Leonard Park, and two daughters, Mrs. Mollie Coyle, of Droyfus, and Mrs. Mattie Ray Bradley, of Dayton, Ohio, survive. Mrs. Park was a devoted member of the Baptist church and was a woman who possessed all those rare and beautiful graces of the real Christian. Her life was ideal. She was a devoted wife and mother, a splendid neighbor and friend, and her death has caused much sorrow in the community in which she lived. Funeral services were held at the home of her sister, Mrs. John Powell, on East Main street, this city, Tuesday afternoon at two o'clock, conducted by Rev. B. F. Petty, and the burial was in the Richmond cemetery in the presence of a large concourse of relatives and friends.

Card of Thanks.

We take this method of returning our sincere and heartfelt thanks for the many kindnesses shown us during the recent illness and death of our beloved wife, mother and sister, Mrs. George Parks. We thank Rev. B. F. Petty for his consoling words and all others who sought to comfort us in our hour of deep sorrow, and we also wish to thank all who sent flowers. We shall ever hold you in grateful remembrance. George Parks and Family, Brothers and Sisters.

Kentucky Assemblyman Makes a Strong Statement.

"HIS WORD IS HIS BOND."

HON. C. H. BAYS, SR.

a statement relating how he personally investigated Tanlac. This is what he reported:

"While I was campaigning in Whitley county a good friend of mine who had been troubled with a run down system told me that Tanlac had helped him. I felt the same way, and when I told him so he insisted that I try it. I took his advice. "After taking only two bottles my improvement was simply remarkable. I take a great deal of pleasure in recommending Tanlac, as I believe it to be the best all around tonic and blood purifier on the market." For thirty-nine years Mr. Bays has been a prominent minister in the Christian church. He is sixty-nine years of age. He has lived in Knox county since he was three years old. If you don't feel right get Tanlac today. If your stomach is sour and you feel bloated after eating and have that general tired out feeling, it is a sign that nature needs help to get your system back to order.

Marriage Licenses.

County Clerk Terrell and deputies are always ready to wait on any one in this branch of their business, but so far the month of April to date has been rather dull in the way of issuing marriage licenses, as the following will show:

Mr. Wade Owens, aged 27, and Miss Pauline Abrams, aged 19, both of Paducah.

Houghton Buggies "In the Long Run the Cheapest"

Why pay \$75 for a buggy that will be a "wreck" in two years? It costs you \$37.50 a year, gives dissatisfaction and makes you the laughing stock of the neighborhood. Buy a HOUGHTON for \$150 (or less) that will last eight years. You can sell it for \$50, making the yearly cost \$12.50, or just one-third of what a cheap buggy costs. It gives you a lot of satisfaction and makes you the envy of your neighbors.

You Can Make Excellent Cake with Fewer Eggs Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted. This applies equally well to nearly all baked foods. Try the following recipe according to the new way: CREAM LAYER CAKE Old Way New Way 1 cup sugar 1 cup sugar 1/2 cup milk 1/2 cup milk 2 eggs 2 eggs 4 teaspoons Royal Baking Powder 4 teaspoons Royal Baking Powder 3 eggs 3 eggs 1/2 cup shortening 1/2 cup shortening 1 teaspoon flavoring 1 teaspoon flavoring Makes 1 Large 2-Layer Cake DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After adding the milk and Royal Baking Powder together two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white frosting. ROYAL BAKING POWDER made from Cream of Tartar, derived from grapes. No Alum No Phosphate

Life Was a Misery TAKE CARDUI The Woman's Tonic "I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . . . It has now been two years since I took Cardui, and I am still in good health. . . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble. . . . If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her.
