Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During those years he gave to his patients a prescription made of a few well-known vegetable ingredients with olive oil, naming them **Dr. Edwards' Olive Tablets**. You will know their olive color.

These tablets are wonder-workers for liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

A message has been received by his family that the condition of Mr. J. Wm. Wagers is improving at Hot Springs, which will be good news to his host of friends here.

GREEN SILAGE KILLS MULES

Joseph and James McConathy, who operate the old Shelby farm on the Richmond pike, in Fayette county, lost by death five mules, from eating green silage and four others are said to be seriously ill and may die. A tenant employed by the McConathy brothers may also lose two mules from the same cause.

The mules were in a lot adjoining another lot where Congleton brothers had a number of cattle which were being fattened for the market. Through somebody's oversight or carelessness, the mules got into the lot with the cattle during the night, and foundered on the green feed intended for the cattle, with the result stated. The mules were valued at \$200 a head.

"There is one remedy I always keep in the house, and that is Dr. Caldwell's Syrup Pepsin. It helps my digestion wonderfully and as a laxative it is pleasant and dependable."
(From a letter to Dr. Caldwell written by Mr. J. N. Kidd, Bells, Texas.)

From youth to age the greatest menace to health is constipation, which retards digestion and disturbs the entire organic system. To relieve constipation a mild laxative, such as Dr. Caldwell's Syrup Pepsin, is preferable to drastic cathartics and purgatives, the violence of which shock the system unduly.

DOCTORS SAY CALOTABS ARE BEST FOR COLDS

According to the world's greatest physicians and medical experts, calomel is the best and only dependable remedy for breaking up a cold over night or cutting short an attack of sore throat, deep-seated cough, influenza or la grippe. Now that science has purified calomel of all its nausea and dangerous qualities, the new kind of calomel called "Calotabs," is even more popular than the old style.

One Calotab on the tongue at bed time with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your diet, work or pleasures. Next morning your cold has vanished and your whole system is purified and refreshed. Calotabs are sold only in original sealed packages, price thirty-five cents. Your druggist recommends and guarantees Calotabs and will refund the price if you are not delighted with them.

DUNBAR IS RE-ELECTED.
At the regular monthly meeting of the Madison County Fiscal Court, J. R. Dunbar, was re-elected receiver for the county infirmary, which position he has held so efficiently for several years. There was little other business before the court outside of the usual claims, which were allowed.

Dizziness Causes Fall—Head Injured

"A year ago my stomach bloated so badly with gas that I fell unconscious and cut my head badly on the corner of the door. I have suffered from stomach trouble for several years and no medicine helped me to speak of. A druggist patched up my head and advised me to use Mayer's Wonderful Remedy for my stomach trouble. The results have really been wonderful. I have never had any signs of my former symptoms since." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. H. L. Perry and Son, and druggists everywhere.

On the Pendergraft farm the Praxid Oil Company brought in No. 4, which is estimated as being a big well.

Among the other large producers to come in are the Rex Oil Company's Nos. 7 and 8, Harve Williams No. 8 is said to be the best yet on this lease.

News has been received here by Mr. J. R. Quisenberry that his nephew, R. L. David, of Winchester, was killed in action. Mr. David is well known here where he frequently visits, and his many friends will be grieved to hear of his death.
