Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, . . . and the pains were very severe. A friend told me I had tried everything else, why not Cardui? . . . I did, and soon saw it was helping me. . . . After 12 bottles, I am strong and well."

CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

WOMAN SUFFERED 12 YEARS

Finally Made Well by Taking
Lydia E. Pinkham's Vegetable Compound.

Emmitsburg, Md.—"I suffered for twelve or fifteen years, and was treated by a physician, but got little relief. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound in my newspaper, so thought I would try it, and it did me more good than all the doctor's medicine. I am a farmer's wife and do my housework all the time, and I am better now than I have been for years. I am never without Lydia E. Pinkham's Vegetable Compound in the house and have recommended it to several of my friends. You are perfectly welcome to publish my letter for the good it may do other women."—Mrs. ETTIE WARREN, Emmitsburg, Md.
