YOU MEN WHO PAY THE FAMILY SHOE BILLS

Tramping 18 miles a day, Mr. H. M. Foreman, a mail carrier of Allentown, Pa., found that shoes with ordinary soles last about one month. But he says a pair of Neolin-soled shoes gave him more than nine months of service, in which time he walked over 4,000 miles.

His experience shows how you may save shoe money by providing your family with Neolin-soled shoes, which give extra wear where other shoes wear out quickest.

You can get Neolin-soled shoes in any type of shoe you want. Prices are about the same as for shoes that give only ordinary wear, sometimes they are even less. If your dealer hasn't the style you want, he can get it for you quickly. Remember, Neolin Soles are created by science to be what soles should be. They are available everywhere for re-soles as well as on new shoes. They are made by The Goodyear Tire & Rubber Company, Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear any other heels.

News of the Oil Fields

In Lee county Williams, Tomlinson Company is drilling its initial well on the Hieronymus tract of 20 acres adjacent to the Pendergrast. This also join the 48 acre Hieronymus tract sold by the Southwestern Petroleum Company to J. H. McClurkin of Winchester, which contains one well.

Early in the spring about 15 wells will be put down in Owsley county, which will be thoroughly tested out. The Gaines Oil Company brought in one of their best wells on Ross Creek Saturday morning. Estimated between 75 and 100 barrels. The well filled up about 200 feet without any gas pressure behind it to force the oil out, indicating a long lifted well.

This makes four wells on their Ross Creek property. The company is doing everything possible to get things in shape for further development of their property both in Estill and Powell counties, as soon as the weather will permit. The first of the year the company engaged an expert oil man of 12 years experience, as field superintendent. This should be good news to the stockholders as it means the best possible service for all interested in the company.

Why Take Calomel?

Dr. Thacher's Liver & Blood Syrup will do all that calomel will do and without the "after effects."

Years ago, when people were bilious, when the liver got lazy and failed to do its work or the stomach was out of condition, calomel was the standby.

By and by the users of calomel found that the "after effects" of taking the drug were as bad and more often worse than the ailment for which it was taken.

Dr. Thacher, in seeking a medicine to take the place of calomel—one that would do all the good that calomel would do, and yet leave none of its evil effects perfected Dr. Thacher's Liver & Blood Syrup. This was in 1852, and each year since has added to the confidence of those who have used it.

Miss Susie Brewer, of Chattanooga, Tenn., tried calomel. She was suffering with a very serious cold and gripe and had no appetite whatever. After the calomel failed she tried Dr. Thacher's Liver & Blood Syrup. She felt better after taking three doses and she soon got entirely well. "I think Dr. Thacher's Liver and Blood Syrup is a wonderful medicine," she said, "and I am very thankful I tried it."

For nearly three quarters of a century this sterling preparation has been an "old stand-by" in thousands of homes in treating rheumatism, dyspepsia, indigestion and other stomach and liver complaints. It is a powerful tonic and blood purifier and can be used with the utmost confidence.

Write Thacher Medicine Co., Chattanooga, Tenn. for a copy of "Thacher's Family Doctor," a book giving cause, symptoms and treatment of 47 common diseases.

Armenia.

Armenia was the seat of an independent kingdom at different times long before the Christian era, though frequently at war, sometimes under foreign rule and with an unstable government. It was one of the first countries into which Christianity was introduced. There is no record of its frequent and repeated changes of government and rulers. For many years past it has been under Turkish rule.

KIDNEYS WEAKENING? BETTER LOOK OUT!

Kidney and bladder troubles don't disappear of themselves. They grow upon you, slowly but steadily, undermining your health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL HAZELUM Oil Capsules now. Take three or four every day until you feel that you are entirely free from pain.

This well-known preparation has been one of the national favorites of the land for centuries. In 1888 the govern-

ment of the Netherlands granted a special charter authorizing its sale. The good housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she usually calls GOLD MEDAL HAZELUM Oil Capsules. Their use restores strength and is responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with a box of GOLD MEDAL HAZELUM Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL, and the picture of the soldier on the wrapper, and you cannot be misled.
