HOW WEAK WOMEN ARE MADE STRONG

Mrs. Westmoreland Tells in the Following Letter.

Harrison, N. Y.—"When my first child was born I did not know about Lydia E. Pinkham's Vegetable Compound and had a very hard time. I read in the newspaper about the Vegetable Compound and when my second child came I took it and was well during the whole time, and childbirth was a hundred times easier. Ever since then I have used it for any weakness and would not be without it for the world. I do all my work and am strong and healthy. I am nursing my baby, and I still take the Vegetable Compound as it keeps a woman in good health. You may publish my testimonial for the good of other women, if you choose to do so."—Mrs. C. WESTMORELAND, Harrison, N. Y.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, headaches and nervousness should lose no time in giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, and for special advice write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

Weekly Health Talks

What Doctor Pierce Has Done For Humanity!

BY DOCTOR CRIPPS.

It has always seemed to me that Dr. Pierce, of Buffalo, N. Y., should be placed near the top when a list of America's great benefactors is written. He studied and conquered human diseases to a degree that few realize. Whenever he found a remedy that overcame disease, he at once announced it in the newspapers and told where it could be bought at a small price. He did not follow the usual custom of keeping the ingredients secret, so that the rich only could afford to buy the medicine, but openly printed the name of each root and herb he used. And so to-day the names of Dr. Pierce and his medicines are widely known, and they stand for better health and better citizenship.

One of this great physician's most successful remedies is known as Doctor Pierce's Pleasant Pellets. These are little, sugar-coated pills, composed of Mayapple, leaves of aloe, root of jalap—things that Nature grows in the ground. These Pellets are safe because they move the bowels gently, leaving no bad after-effects, as so many pills do. Very often they make a person who takes them feel like a new man or woman, for they cleanse the intestines of hard, decayed and poisonous matter that accumulates when one is constipated. If you are constipated, by all means go to your druggist and get some of Dr. Pierce's Pleasant Pellets. They may prove to be the very thing your system requires to make you well and happy.

RESULTS THAT REMAIN

Are Appreciated by Richmond People.

Thousands that suffer from back-ache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one kidney medicine that has earned a reputation for lasting results and there is plenty of proof of its merit right here in Richmond.

Here is the testimony of one who used Doan's Kidney Pills years ago, and now makes her testimony even stronger.

Mrs. W. T. Edwards, 308 Edwards Ave., Richmond, says: "I had weak kidneys and backache until I got Doan's Kidney Pills at Middleton's Drug Store and they made me feel fine."

OVER FOUR YEARS LATER

Mrs. Edwards said: "Doan's Kidney Pills made a permanent cure for me."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same Mrs. Edwards had. Foster-Milburn Co., Mfrs. Buffalo, N. Y. July 4-3w
