This Great National Farm Weekly offers actual money-making helps to those farmers who read it regularly and follow its advice. ## The COUNTRY GENTLEMAN

In a recent investigation among farmers the question was asked: "What helps you most?" One-third answered: "My farm paper." They were able to put a dollars-and-cents value on the advice they read. THE COUNTRY GENTLEMAN is National—broad enough to cover the United States and give a National viewpoint; and at the same time it is local enough to treat of methods and practices section by section. Subscribe for a year! It will cost you \$1.00 for 52 big weekly issues—and many a farmer has profited \$100.00 from hints in a single issue. If you say so we'll charge your account \$1.00 and see that your subscription begins at once. We mean it!
