Lives to See the Prescription He Wrote in 1892 the Worlds Most Popular Laxative Remedy

DR. W. B. CALDWELL TODAY
 Born Shelbyville, Mo., March 27, 1859
 Began the manufacture of his famous prescription in 1892

Founder of Dr. Caldwell's Syrup Pepsin, the largest selling liquid laxative in the world, long past Biblical old age, but hale and hearty—Still sees patients daily—Wonderful achievement of a "country doctor."

WHEN I started to practice medicine, back in 1875, there were no pills or tablets or salt waters for the relief of constipation, and no artificial remedies made from coal tar.

The prescription for constipation that I used early in my practice, and which I put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid remedy, and I have never had reason to change it. I intended it for women, children and elderly people, and these need just such a mild, safe, gentle bowel stimulant as Syrup Pepsin.

I am gratified to say that under successful management my prescription has proven its worth and is now the largest selling liquid laxative in the world. The fact that over eight million bottles were sold by druggists last year proves that it has won the confidence of mothers whose chief interest is the health of their children.

Pharmacopoeia. I consider Syrup Pepsin today in the serious 82nd year of my age, as I did in 1892, the best remedy a family can have in the house for the safe relief of constipation and its accompanying ills, such as headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colics and fevers.

Millions of families are now never without Dr. Caldwell's Syrup Pepsin, and I believe if you will once start using it you will also always have a bottle handy for emergencies.

It is particularly pleasing to me to know that the biggest half of those eight million bottles were bought by mothers for themselves and the children, though Syrup Pepsin is just as valuable for grownups. The price of a bottle holding 50 average treatments is sixty cents; such a bottle will last a family several months.

I have never made a secret of what is in Dr. Caldwell's Syrup Pepsin. It is a compound of Egyptian Senna and other simple laxative herbs with pepsin and pleasant-tasting aromatics. These ingredients are endorsed in the U. S.

TRY IT FREE

Send me your name and address and I will send you a free trial bottle of my Syrup Pepsin. Address me Dr. W. B. Caldwell, 513 Washington Street, Monticello, Illinois. Everybody now and then needs a laxative, and it is well to know the best. Write me today.

SOCIAL AND PERSONAL

FORCED TO GIVE UP RAILROADING

George Sharpe Says He Was In Bad Shape Before Taking Tanlac—Feels Fine Now

"My health got so bad I had to give up railroading but since taking Tanlac I could fire an engine as good as any man on the C. & O.," said George P. Sharpe, 1628 Tremont st., Fairmont District, Cincinnati, O., a valued employe of the Lukensheimer Co. Mr. Sharpe was formerly with the Chesapeake & Ohio railroad for seven years.

"About four years ago I had an operation which finally resulted in a general break down. I got to where I couldn't eat anything without bloating up so bad I could hardly breathe, and the constant jolting of the engine almost put me out of commission. My nerves gave way. I could hardly stand the noise of the train, and sleep was next to impossible for me. I fell off a great deal in weight, and had so many dizzy spells I could hardly stay on the job. Although I tried medicine after medicine, nothing did me any good, so about six months ago I had to change to lighter work."

"But I don't believe I could have held out at this long if I hadn't got better. But Tanlac helped me right from the start, and it wasn't long before it had my stomach working fine, just like the old engine I used to fire. I eat anything I want and nothing gives me the least trouble, and my nerves are in such good condition, I sleep like a log every night and get up mornings feeling fine. In fact, I am again in perfect health, just as strong and well as I ever was and I want to say Tanlac is what fixed me up. I wouldn't think of being without it."

Why the McCormick Mower is Dependable

A BREAKDOWN during the rush time of the haying season often means considerable loss to you. It may delay your cutting so that your hay becomes over-ripe and loses part of its nourishment, or it may prolong the haying season until wet weather destroys a part of its feeding value.

There's mighty little danger of breakdowns when you buy a McCormick mower. It has no unnecessary parts to wear out and give trouble. It has less parts than any other mower. For years and years the McCormick has been celebrated for its simplicity and durability. It has given satisfaction to thousands of hay growers. What it has done for others it will do for you. Come in and let's talk it over.

WITH THE MOVIES AT THE LOCAL THEATRES

The strident din of New York's zeething Ghetto, attuned to the eternal laughter in human hearts—that's "Humoresque"

—A story of a lad with the vondrous gift of music; of a girl and a mother who loved him.

From the celebrated story by Fannie Hurst.

"Humoresque" Coming Here

Hailed by critics everywhere as one of the really big pictures of

the year, the Cosmopolitan Production, "Humoresque" will be shown at the local theatres next Tuesday and Wednesday. The stor y is by Fannie Hurst.

Social Hygiene Film

A social hygiene moving picture showing the origin of life and clearing up many interesting facts on this very important subject, will be shown at the court house tonight at 8 o'clock for men only. Boys under 14 not admitted. This exhibition is given under the auspices of State Y. M. C. A. with the endorsement of the state and local board of health. All men are cordially invited to attend free.

Booze is Not a Good Cure

From the Ames; Ta. Intelligencer When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whisky, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache. June.
