

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "foggy" headachy, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your overworked digestive and eliminative organs can't get rid of. Pills, oils, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And so, what a relief! You'll be surprised to find how much better you feel—brighter, better every day.

If habitually or stubbornly constipated, take one NR Tablet for each night for a week. When you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling your best.

The Second Christians went down in their third straight defeat Monday on the Normal field by the score of 3 to 2 at the hands of the Presbyterians. Keith, an old time star, was selected to start for the Presbyterians while Dykes went the entire round for the Campbellites. Harry Hanger, who succeeded Keith in the fifth, did not allow a hit in the three innings he pitched. This is the best form he has shown this season and notes another comeback of which this league is flooded. Keith also pitched in old time form. The southpaw kept them guessing and allowed only three hits. He whiffed five of his opponents.

Dykes, starting his first game of the season, had only one bad inning. In this inning the Presbyterians scored all of their runs. Terrill was safe on a bunt and was advanced to third on W. Crutcher's hit between first and second. He scored on Hutchins' fluke hit to Rogers. Crutcher taking third, having stolen second. Both runners scored on R. Burnam's double between right and center. R. Burnam took second on Telford's hit over second. Keith hit into a double play, R. Burnam being the other victim. Winkler ended the scoring by striking out.

The vanquished scored once in the second and again in fourth. In the second frame Yader went to second on Winkler's wild throw to first, stole third, and scored on Carson's out at first. In the fourth Chase singled over second, stole second went to third on an error and scored on Yader's double to left. They threatened in the sixth when R. Peyton was safe on an error with none out. He stole second and third. C. Rogers worked Hanger for a base on balls and stole second. A hit would have won the game but Hanger was master and got the next three in order. In the seventh A. Turpin received a base on balls and took second and third on outs at first, but was cruelly abandoned there by Hanger when he got Creech on an easy chance.

Keith and Burnam led the victors in batting with two safe smashes.

Winkler kept the Campbellites from scoring again by a fine stop off Rogers' bat as the next two followed with hits. Hanger also made a fine stop in the seventh.

Three clubs tied for second but of the Second Christians don't break their losing streak they will be roosting with the Methodists in the cellar.

BABY BORN ON PEACE DAY

After Mother Had Been Restored to Health by Lydia E. Pinkham's Vegetable Compound

Salisbury, Mass.—"For seven years I had a female trouble and such bearing-down pains I could hardly do my housework. The doctor said, 'If you can have another baby it might be the best thing for you but I am afraid you cannot.' I began taking Lydia E. Pinkham's Vegetable Compound and my baby was born on 'Peace Day'."

The experience of maternity should not be approached without careful physical preparation, as it is impossible for a weak sickly wife to bring healthy children into the world.

Therefore if a woman is suffering from a displacement, backache, inflammation, ulceration, bearing-down pains, headaches, nervousness or "the blues," she should profit by Mrs. Patten's experience, take Lydia E. Pinkham's Vegetable Compound and be restored to health.

Cut This out and Take it with You

A man often forgets the exact name of the article he wishes to purchase, and as a last resort he takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

Teacher—Henry, if you had three apples and some one gave you five more, what would you have?
Henry—I guess I'd have a pain in my stomach.—Topics of the Day.

HISLE GRADUATES AT WASH. AND LEE

Lexington, Va., June 14—Among the 95 young men who received degrees from Washington and Lee University at the commencement exercises here today was Owen Walker Hisle, of Richmond, Ky. Mr. Hisle was awarded the degree of Bachelor of Laws and expects to engage in the practice of his profession at Richmond, Ky., or in some other town in that state. Mr. Hisle has been one of the outstanding leaders on the campus ever since his entrance as a freshman in 1916. At the outbreak of the war he volunteered his services and became a member of Washington and Lee's famous ambulance unit and it was while doing service with this unit that he was awarded the Croix de Guerre for distinguished bravery in action. After the war he returned and entered the law school, where he has made a mark for himself as a student. He

MOTHER GAVE IT

Virginia Lady Suffered With Aches and Pains Until Mother Began Giving Her Cardui.

Dublin, Va.—Miss Mary Alice Hughett residing on Route 2, near here, recently told a visitor of her interesting experience with Cardui. Miss Hughett said: "I had been suffering for some time with painful... I was pale, didn't feel like going. Would just drag around, and couldn't rest to do any good. I would suffer once a month with my back, sides and head. My limbs would ache and I didn't know what to do, but I knew I must do something, for I didn't get well by letting it run on."

"My mother is a believer in Cardui, for she saw what it did for others as well as herself, so she began giving it to me."

"It wasn't long before I saw a change. It was just what I needed. It regulated me. I began to eat and sleep, and the pain stopped. Cardui is without doubt the best female tonic made, and I am glad I can recommend it to others."

If suffering with symptoms such as Miss Hughett mentions, or other ailments peculiar to women, why not begin Cardui at once? Its merit is well established by successful use for more than 40 years.

"HOW CAN I GET WHAT I WANT?"

????????????

WELL, What do you want? Have you tried to get it? Does anybody besides yourself know that you want it? Do you know how to get it?

Listen to this

A green salesman was employed by a large piano house in metropolitan city. The first week he sold more pianos than any other salesman on the staff. On Saturday the manager called him into the private office, shut the door, and said:

"Young man, I want to ask you just one question—How do you do it?"
"That's easy," replied the young man. "Instead of calling on just a few 'prospects' scattered all over town, I assume that every one is a prospect and stop at every home."
