Auxiliary Meeting

The Young Ladies' Auxiliary of the First Presbyterian church will meet in the Sunday school rooms Monday afternoon at 2:30. A full attendance is desired.

Cecilian Club Meeting

The Cecilian Club was delightfully entertained Wednesday afternoon by Miss Helen Bennett on West Main. A number of guests was present and seventeen members answered the roll call. Musical Italy was the subject for the afternoon and the selections given were chosen from Italy's composers, or were in some way related to that country. The piano numbers were given by Misses Isabelle Bennett, Emma Watts, Brownie Telford, Mrs. Kellogg, Mrs. McGeahy and Mrs. Dean. Mrs. T. D. Chenault in her usual pleasing style gave the vocal selection. The current events given by one of the guests was a most delightful innovation and delighted both members and guests. Mrs. J. W. Caperton, in her interesting notes brought before the club in a re-

alistic way, the brilliant audience assembled at Coven Garden and Drury Lane as she saw them in 1914. She also emphasized after her own graceful style, some worth while facts about Tschalkowsky, Scriabine, Chopin and Sibelius. "Musical Italy" was the other literary number given by request of Miss Bennett by Mrs. Pickels at the opening of the program. Mrs. T. D. Chenault read a letter of greeting from Mrs. D. E. Fogle, of Georgetown, who is our honored State President and who is leading forward the work of the State Federation of Music Clubs with vigor and much promise. The next meeting will be held with Miss Telford Jan. 25.

**THIN, FLAT HAIR
GROWS LONG, THICK
AND ABUNDANT**

"Danderine" costs only 35 cents a bottle. One application ends all dandruff, stops itching and falling hair, and, in a few moments, you have doubled the beauty of your hair. It will appear a mass so soft, lustrous and easy to do up. But what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. "Danderine" is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. This delightful, stimulating tonic helps thin, lifeless, faded hair to grow long, thick, heavy and luxuriant.

Mrs. Burgin Howard, of Nicholasville, spent Thursday in Rillimond.
Mr. A. B. Wagers, of Cincinnati, is here for a few days on business.
Miss Zerelda Noland has been quite ill in Paris where she has a position in the schools. Friends hope to hear of her early recovery.
Col. H. B. Hanger has returned from a trip East, having accompanied his daughter, Miss Elizabeth Hanger, back to her school in New York.

Mrs. J. D. Blanton, of Ravena, was here this week enroute to Nicholasville for a visit to Miss Frankie Coyle.

Mrs. W. B. Koop and Mrs. B. B. Montgomery, of Paint Lick, were Richmond shoppers Monday.

Mrs. K. G. Wiggins will return Saturday night from an extended visit to her daughter, Mrs. Ruth Thompson, of Shawnee, Oklahoma, and will occupy her cottage on Aspen avenue.

The Best Cough Medicine
When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist, of Cubrun, Ky., says "I have used Chamberlain's Cough Remedy in my family for the past seven years and have found it to be the best cough medicine I have ever known."

No Great Act of Heroism Required
If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it as soon as the first indication of croup appears, there are many who neglect it. Chamberlain's Cough Remedy is within the reach of all and is prompt and effectual.

The Evidence Is At Your Door

Richmond proof is what you want and the statement of this highly respected resident will banish all doubt:

J. E. Thompson, shoemaker, Edwards avenue Richmond, says: "A few years ago I took Doan's Kidney Pills to relieve me of a weakened condition of my kidneys that caused my back to ache and hurt when I tried to straighten up after sitting at the bench. Shoemaking is hard on the back, and it caused the muscles in my back to get weak. My kidneys were irregular and I had a dull ache across the small of my back. I was lame and the muscles in my back hurt when I got up in the morning. Sometimes I could hardly stand up straight after stooping over. After taking a few Doan's Kidney Pills I was relieved of the trouble."
