Common Sense About Eczema and Eruptions!

Here's Something About S. S. S. That You'll Be Glad to Hear.

You might just as well know it right now—the cause of skin eruptions, pimples, blackheads, boils and so on, is right in the blood. There is no getting away from it. Science has proved it. We prove it. You can prove it. When the cause of skin troubles and eruptions is in the blood, it isn't com-

Let S. S. S. Give You An Angelic Skin! Common sense to simply treat the skin. A bottle of S. S. S. will prove to you what is happening in your blood. S. S. S. is a scientific blood cleanser—it drives out the impurities which cause eczema, tetter, rash, pimples, boils, blackheads, blotches and other skin eruptions. When these impurities are driven out, you can't stop several very nice things from happening. Your skin turns naturally rosy. Your eyes sparkle, your complexion clears. It becomes beautiful. Your face looks like that of a prosperous, rosy, well-fed, refined gentleman, or if you are a woman, your complexion becomes the real kind that the whole world admires. S. S. S. is also a powerful body-builder, because it builds new and more blood cells. That's why it fills out sunken cheeks, bony necks, thin limbs, helps regain lost flesh. It costs little to have this happen to you. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

Chamberlain's Is The Door to Long Living

The men of eighty-five and ninety years of age are not the rotund, well fed, but thin, spare men, who live on a slender diet. Be as careful as he will however, a man past middle age will occasionally eat too much of some article of food not suited to his constitution, causing indigestion or constipation and will need a dose of Chamberlain's Tablets to move his bowels and invigorate his stomach. When this is done, there is no reason why the average man should not live to a ripe old age.

COMMISSIONER'S SALE

J. A. Carter, Plaintiff vs. John Lamb, &c., Defendants

Pursuant to judgment and order of sale entered in the above styled action by the Madison Circuit Court at its May term 1922, the undersigned Commissioner will expose to public sale to the highest and best bidder in front of the court house door in Richmond, Ky., at the hour of eleven o'clock a. m. on

Big Hill

Mr. Thomas McKeehan is very ill and his condition seems to be serious.

The patrons of the Big Hill School, district number 29, met Saturday September 23 and completed the fence enclosing the school ground.

The stills and moonshine are out of date at Big Hill.

The school at Big Hill is progressing nicely and we hope it will be an advancing step for the citizens of the community.

R. R. Baker has returned from Hamilton, Ohio, where he has spent the past week on business.

Mr. and Mrs. A. J. Wilson at Big Hill visited their daughter near Brosfield Sunday, Sept. 24.

Mrs. Stern McKeehan who is teaching at Deatherage, visited her parents at Big Hill Sunday, September 24.

We thank the editor of the Daily Register for the many publications of interest to the Public Schools of Madison county.

Mr. B. F. Edwards who has been visiting the schools of Madison county says that schools are much better this year than they were last year.

HERE'S PROOF

A Richmond Citizen Tells of His Experience

You have a right to doubt statements of people living far away but can you doubt Richmond endorsement?

Read it: Boone Burnett, 335 Estill ave., Richmond, says: "I have great confidence in Doan's Kidney Pills and keep them in the house all the time. They are the best medicine I can get to relieve me of weak kidneys. I sometimes have spells when my kidney gets so weak and irregular that I have to get up four or five times during the night to pass the kidney secretions. The secretion burned in passage and they were the color of brickdust. My back gets weak and I have an ache across the small of it. I am tired and weak across my hips when I get up mornings and if I stoop over my eyes become blurred and I can hardly see. I take Doan's Kidney Pills when I have these spells and they never fail to strengthen my kidneys."

The ideal Purgative
As a purgative Chamberlain's Tablets are the exact thing required. Strong enough for the most robust, mild enough for the children. They cause an agreeable movement of the bowels without any of that terrible griping. They are easy and pleasant to take.

KIDNEY AND BLADDER TROUBLES HAVE TO GO

Clogged Up Kidney Deposits Are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists "Wield to Guarantee It In Every Instance."

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them."

Dr. Carey's famous prescription No. 777, for years known as Marsh Root, is not recommended for everything, but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water at night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating irritability with loss of flesh, or any other tendency to Bright's Disease, Diabetes, or Gravel, for kidney disease in its worst form may be stealing upon you. Don't wait until tomorrow to begin the use of this wonderful prescription now obtainable in both liquid and tablet form. If you have any of the above symptoms, KIDNEY and B L A D D E R troubles don't wear away. They will grow upon you slowly, stealthily and with unflinching certainty. If you even suspect that you are subject to these diseases, don't lose a single day for every good druggist has been authorized to return the purchase money on the first bottle to all who state they have received no benefit.

98 Out of Every 100 Women Benefited

An Absolutely Reliable Statement Important to Every Woman

Remarkable Results Shown by a Nation Wide Canvass of Women Purchasers of Lydia E. Pinkham's Vegetable Compound. 50,000 Women Answer

For some time a circular has been enclosed with each bottle of our medicine bearing this question: "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?" Replies, to date, have been received from over 50,000 women answering that question. 98 per cent of which say YES. That means that 98 out of every 100 women who take the medicine for the ailments for which it is recommended are benefited by it. This is a most remarkable record of efficiency. We doubt if any other medicine in the world equals it. Think of it—only two women out of 100 received no benefit—98 successes out of a possible 100. Did you ever hear of anything like it? We must admit that we, ourselves, are astonished.

Of course we know that our medicine does benefit the large majority of women who take it. But that only two out of 100 received no benefit is most astonishing. It only goes to prove, however, that a medicine specialized for certain definite ailments—not a cure all—one that is made by the most scientific process; not from drugs, but from a combination of nature's roots and herbs, can and does do more good than hastily prepared prescriptions. You see, we have been making, improving and refining this medicine for over 50 years until it is so perfect and so well adapted to women's needs that it actually has the virtue to benefit 98 out of every 100 women who take it. Its reliability and recognized efficiency has gained for it a sale in almost every country in the world—leading all others.

Such evidence should induce every woman suffering from any ailment peculiar to her sex to try Lydia E. Pinkham's Vegetable Compound and see if she can't be one of the 98
