September, 1922.

**BOBTOWN**  
(Delayed)  
The meetings which are being

held in the second Presbyterian  
church of the city, should be the  
chief features of the week.

All those who know and honor  
the truth are greatly enjoying  
the meetings.

The evangelist Rev. Huston  
is preaching the same gospel  
which saved the people two  
thousand years ago, and will still  
save those who do its teachings.

The gospel is a standard by  
which men and women can  
measure their conduct.

The best way to have a bad

law repealed, is to put it in force,  
and let people see the results, so  
it is with sin, the best way to  
get folks to give up their sins,  
is to show them the results of  
their sins and also show them  
God's way out, and that he has  
something better to offer them.

The theme for the evening of  
Oct. 18, was the second coming  
of Christ, the basis for the dis-  
cussion was taken from Paul's  
first letter to the Thessalonians,  
the first eleven verse of the fifth  
chapter.

This subject was so thorough-  
ly discussed that no one present  
can ever forget some of the  
great questions of subjects made  
plain. We trust Rev. Huston  
will be blessed with many years  
of strength and wisdom in which  
to preach the everlasting gospel  
to a wicked world.

The song service is a large  
part of the service under the  
leadership of Rev. G. S. Pollock,  
assisted by Mrs. Pollock, the  
splendid organist, prepares the  
people's hearts to receive the  
word.

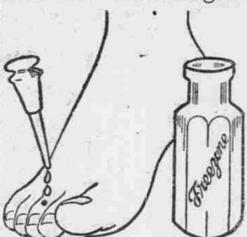

The special music each night  
was the duet rendered by the  
song leader and wife, was a real  
treat and would go a long way  
to hear anything to excel it. The  
songs are expressive of the deep-  
est desires of those who have  
had a vision of the better life,  
and who through tears of Divine  
Joy have been made partakers  
of Divine things. We are ex-  
pecting great things and in order  
to bring them to pass let us de-  
the following things. First, come  
and bring a friend, second, a  
contribution of at least 10c.

Third ask the Lord what he has  
in store for us which we have  
not yet gotten. Fourth, come  
with a testimony, a quotation of  
scripture or word of encourage-  
ment for others. Come with  
something to pray about, have  
something definite in mind to  
take to God in prayer, cast your  
burdens on the Lord and he  
shall give you the desires of your  
heart.

How Better Than Pills?  
The question has been asked:  
In what way are Chamberlain's  
Tablets superior to the ordinary  
cathartic and liver pills? Our  
answer is, they are easier and  
more pleasant to take and their  
effect is so gentle that one hardly  
realizes that it is produced by a  
medicine. Then, they not only  
move the bowels but improve  
the appetite and strengthen the  
digestion.

# This Laxative Works Fine on Old People

Thousands have kept themselves healthy  
with Dr. Caldwell's Syrup Pepsin

ADVANCING age with its  
subdued ambitions and  
strivings could be made very  
happy if only good health accom-  
panied it, and the basis of good  
health, as every-  
one learns upon  
reaching the age  
of 60, is the regu-  
lar daily move-  
ment of the bow-  
els. If it can be  
effected through  
the food you eat,  
the water you  
drink and the ex-  
ercise you take,  
so much the better. But if  
nature will not operate it must  
be assisted or sickness will follow.  
Neglected constipation causes the  
blood pressure to go up 28 per  
cent, and that is the forerunner  
of hardening of the arteries. It  
makes rheumatism and gout  
worse, too.

The ideal constipation remedy  
for people of advancing years is  
Dr. Caldwell's Syrup Pepsin, a  
vegetable compound of Egyptian  
senna and pepsin with pleasant-  
tasting aromatics. It is gentle  
and mild, and does not cramp or  
gripe. It is a mistake to think you  
need a violent salt or powder or  
pill, calomel, coal-tar drugs and  
such things. They purge and

ANY FAMILY MAY TRY IT FREE

Thousands of parents are asking  
themselves, "Where can I find a trust-  
worthy laxative that anyone in the  
family can use when constipated?"  
I urge you to try Syrup Pepsin.  
I will gladly provide a liberal free  
sample bottle, sufficient for an adequate  
test. Write me where to send it.  
Address Dr. W. B. Caldwell, 515  
Washington St., Monticello, Illinois.  
Do it now!

weaken you, and their reaction  
tends to make you more consti-  
pated than before.

Now try the milder method.  
Dr. Caldwell's Syrup Pepsin does  
not lose its good effect with re-  
peated use, and increased doses  
are unnecessary. Mrs. E. M.  
Burgess of Enfield, N. C., who is  
73, keeps herself in good health  
with it, and Mr. Charles Chorman  
of Stapleton, Staten Island, N. Y.,  
wasted fifteen years and consid-  
erable money on other remedies  
before finding steady relief with  
Syrup Pepsin.

Use Dr. Caldwell's Syrup Pepsin  
yourself the next time you  
suffer from constipation, bilious-  
ness, headache, sleeplessness, in-  
digestion, piles or night cramps.  
Many thousands of elderly people  
use nothing else, and it costs them  
less than a cent a dose. Druggists  
have sold it successfully for 30  
years, and it is the most widely  
bought family laxative in the  
world.
