**Local Girls Entertained**

The Lexington Leader has the following which will be read with interest here:

Miss Austin Lilly entertained with a beautiful buffet supper Wednesday night at the home of her parents, Judge Grant E. Lilly and Mrs. Lilly, in Mentelle Park.

The table in the dining room had a cloth of file lace and the centerpiece was a silver basket filled with white chrysanthemums. Tall white tapers in crystal holders lighted the table. The decorations in the living room and drawing room were

of deep pink chrysanthemums and ferns. An elaborate menu was served. Dancing was the feature of the evening after dinner.

The lovely courtesy was in honor of a number of young men and women from Richmond the former home of Miss Lilly.

**KIDNEY AND BLADDER TROUBLES HAVE TO GO**

Clogged Up Kidney Deposits Are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Told to Guarantee It in Every Instance.

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them."

Dr. Carey's famous prescription No. 777, for years known as Marsh Root, is not recommended for everything, but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water at night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating, irritability with loss of flesh, or any other symptoms, kidney and bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unflinching certainty. If you even suspect that you are subject to these diseases, don't lose a single day for every good druggist has been authorized to return the purchase money on the first bottle to all who state they have received no benefit.

Don't wait until tomorrow to begin the use of this wonderful prescription now obtainable in both liquid and tablet form, if you have any of the above symptoms, kidney and bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unflinching certainty. If you even suspect that you are subject to these diseases, don't lose a single day for every good druggist has been authorized to return the purchase money on the first bottle to all who state they have received no benefit.

ANY FAMILY MAY TRY IT FREE

THE mother has her choice of many remedies for her baby's minor ills, but she should be careful which remedy she selects lest she do the child harm. What might be safe for herself may do injury to an infant. You will find that if the little one cries and doesn't want to play that its bowels are constipated. First look carefully to the diet and give the child one-half teaspoonful of Dr. Caldwell's Syrup Pepsin. You will then see results in a few hours. You will not have to force it on babies or children; they actually ask for it, it is so pleasant-tasting and free from gripping.

Dr. Caldwell's Syrup Pepsin is a compound of Egyptian senna and pepsin with agreeable aromatics. The ingredients are stated on the package. It is a mild, gentle vegetable laxative that everyone finds effective and pleasant. It is better for you and yours than purgatives, coal-tar drugs, or salt

waters and powders, which may concentrate the blood and dry on the skin; or mercurial calomel, which may salivate and loosen the teeth.

Use a safe laxative like Syrup Pepsin, and especially for the children, for invalids, growing girls, nursing mothers, elderly people, and persons recently operated upon who need bowel action with the least strain. Mrs. Lillian Bennington of Woodruff, S. C., always gives her children Dr. Caldwell's Syrup Pepsin, and Mrs. A. E. Blodin of Muskegon, Mich., will not have any other laxative in her home. Your druggist will supply you, and it only costs a cent a dose. Try it in constipation, colic, biliousness, flatulency, headaches, and to break up fevers and colds.
