TIGER OF FRANCE AMERICA'S GUEST

Clemenceau Comes Back To America Where He Sojourned Awhile 50 Years Ago

(By Associated Press)

New York, Nov. 18—Georges Clemenceau again set foot on American soil today. The Tiger of France, who hopes to cement friendly relations between that country and America by an unofficial visit, found thousands of persons waiting for him on the tip of Manhattan Island. There were cheers when he stepped ashore and more cheers when he was escorted by Broadway for an unofficial visit to the city hall. Girls in office windows blew kisses to him and the Tiger responded by waving a red rose in a courtly manner.

French Ambassador Jusserand welcomed Clemenceau to the United States. Robert Woods Bliss, Assistant Secretary of State, invited him to Washington to visit President Harding. He accepted, expressing his delight.

At city hall he was welcomed by Acting Mayor Murray Halbert. George W. Wickersham introduced the Tiger as one of the greatest citizens of the world. In a brief speech the Tiger explained he came on no mission but when he heard his country was criticized for being militaristic he decided to come. He denied the charge that his country had been invaded twice in his life time and "I do not want to see a third invasion before my death." From the city hall Clemenceau motored to the home of Charles Dana Gibson, where he will be a guest while here.

LAFOLLETTE CALLS TO PROGRESSIVES

(By Associated Press)

Washington, Nov. 18—Immediate mobilization of the progressive members of Congress to work for a well defined program was proposed today by Senator LaFollette, republican, of Wisconsin, in a statement urging defeat of the ship subsidy bill and the proposed anti-strike legislation. He said the people have given a progressive mandate in the election that can not be ignored.

OH DEAR, SULTAN'S 300 WIVES DESOLATE

(By Associated Press)

Constantinople, Nov. 18—The Sultan's wives and ladies of the harem are overwhelmed with grief and dismay over the flight of the Sultan. They did not know he was going. The Sultan's youngest wife, who is 22 years old, and a daughter of his gardener, became hysterical when the fact of the Sultan's flight was confirmed and seven eunuchs, who had been his personal bodyguard for five years, gave themselves up in despair, fearing that the Sultan had been kidnapped by Kemalists. The other eunuchs and ladies of the harem numbering 300, wept bitterly and soon the whole place was in a state of commotion.

LEXINGTON CLOCK TO STOP STRIKING

(By Associated Press)

Washington, Nov. 18—Orders were issued by the Treasury today stopping the striking of the clock in the tower of the postoffice at Lexington, Ky. A complaint was filed by a hotel in the city against the booming towe-time piece on a stilly night or the ground that "guests seriously object to the nocturnal serenade during the peace and quiet of the evening."

State Officers Of Nation Meet

(By Associated Press)

Frankfort, Ky., Nov. 18—State officers from all parts of the United States were here today to attend the two days' session of the National Association of Secretaries of State. Among the officers present were secretaries of State, auditors, treasurers and heads of motor vehicle departments. Chief attention during the meeting was to be directed to the study of motor vehicle problems as related to the state, the question of protection of vehicles from theft of non-resident vehicles and reciprocal state laws being on the program for round table consideration. Governor Edwin P. Morrow and Mrs. Morrow were to entertain the visitors at reception tonight. Other social meetings were scheduled during the session.

Lloyd's counsel today expressed the belief that he might present himself directly to the prison.

ELKS TO GIVE BIG DANCE ON DEC. 8

The Elks Club is making extensive preparations for a big dance on the evening of December 8th and the entertainment committee in charge of this social event expects to make this one of the most delightful affairs of the winter season. In addition to the big dance there will be an initiation service beginning at 4:30 in the afternoon at which time something like 25 candidates will be introduced into the club through the regular manner. A great many of these candidates are from London.

This dance, which will be held in the large and spacious club rooms of the Elks, will be held from 8:30 until 1:30 and Jim Leeds' well known and augmented orchestra will furnish the music for the occasion and he has promised a specially prepared program which in itself guarantees a wonderful evening for those who attend.

The dance will be by subscription and a number of local ladies will be asked to act as patronesses. The dance will not be confined to members only but those who do attend who do not belong to the club will be admitted by card which will be furnished in time by the entertainment committee.

CHRISTIANS ENTERTAIN NEW MEMBERS

A beautiful reception was held by the First Christian church in their parlors Friday evening in honor of the one hundred and ten new members who were taken into the church during the recent evangelistic meeting conducted by Dr. Simpson. The rooms were extremely pleasing to look upon, having been decorated by a committee of women from the church. Practically the entire number of new members taken in were present in the receiving line. All of the members of the church were invited and a fine delegation turned out to welcome the newcomers into the congregation. Music was furnished by the church orchestra supported by the male quartet. A number of soloists were on hand, rendering pleasing selections. Mrs. R. C. Stockton, as chairman of the general committee, assisted by Mrs. T. H. Collins, Mrs. R. E. Turley, Mrs. J. W. Arnold and Miss Valinda Deatherage, is to be congratulated as well as her committee on the success of the reception.

GAME REPORTED MORE PLENTIFUL

The hunting season is on in full blast in Madison county at the present. Hunters report that there is more game than at this time last year, but still not in abundance. Hunters from the Muddy Creek section report that there are a good many more quail this year than last. Several Richmond hunters were in that locality Friday, returning well satisfied with their trip. All state that there is an abundance of rabbits over the county. A large delegation from Richmond was to have taken the field Saturday but the rain dampened their enthusiasm.

Reports from the office of County Clerk Turley say that he has so far issued about 725 hunting licenses, about 300 of these being written in the last three days. There has been a constant demand for them throughout the past two weeks. Everyone seems to be trying their luck with the bunnies this year.

Mr. J. W. Creech left the middle of the week for a business trip to Aberdeen, Miss.

11 More Days
Until the penalty goes on your state and county taxes. Pay now and avoid the rush. Elmer Deatherage, Sheriff Madison county.

Dr. M. T. Chandler and Mr. Chandler, of Lexington, are expected Saturday for a week's visit to Mr. and Mrs. H. M. Whitington in High street.

CLARK COUNTY FALLS BEFORE MADISON HI

Locals Win by Score of 9-6 From Winchester Eleven In Fast Game.

Madison Hi defeated the fast Clark County Hi eleven on the Eastern gridiron Friday by a score of 9 to 6 in one of the most exciting football contests witnessed here for some time. The locals won out in the final period when they started an attack in the middle of the field which Clark County could not solve. In less than three minutes after this attack was uncorked Tevis Hugueley crossed the line for the winning touchdown. This is the second game in the last two weeks that the locals have won out in the last quarter.

The game opened with Clark County kicking to Madison. The ball was put in play on the 35 yard line. All of the members of the Purple backfield carried the ball for long gains. They marched within 10 yards of the goal where Clouse fumbled, the Clark squad recovering. Then the visitors displayed much skill in carrying the ball well into Madison territory through passes and a delayed buck. The last named fooled Madison through out the game. Clark County got as much as 25 yards at a time by this trick. However, when the visitors came within striking distance of the line in the first half Madison held.

The Madison game scored 3 points just before the close of the second quarter when Clouse booted a successful place kick from the 20 yard line. Just before this Clark County had been pushed back to her one yard line by two successive 15 yard penalties for holding. They punted the ball to Madison on their 17 yard line where they lost the ball on downs. Hugueley and Clouse dropped back to place kick on the third down after two tries had brought little results. Clark County was off side on the play, but Madison chose to take the gain a Clouse's kick had gone true. The half ended a few minutes later.

In the third period Clark County outplayed Madison. They carried the ball for good gains throughout the quarter and deserved to score their touchdown in that period. The delayed buck which they employed puzzled Madison greatly. They also made several good passes over the line. The march down the field was steady from start to finish. McEwan carried the ball best, while Boone and Besuden received passes with much skill. McEwan plunged over between his left tackle and guard for the touchdown. A drop kick for the extra point went wide.

The last quarter marked a brilliant finish for Madison. After an exchange of punts it was Madison's ball on Clark County's 45 yard line. Here Hugueley tossed 30 yard pass to Hackley, causing the Madison fans to revive their hopes. The next 15 yards were hard fought. Hugueley was the main gainer. He carried the ball five yards more, giving it to Reeves who plunged for five more. Then Hugueley took the ball over for the winning touchdown. All through the game whenever he got his hands on the ball he was forging forward. This was Madison's last appearance here this season. The line-ups:

Madison: Hacker rg; J. E. Allman rt; Wells rg; Bower c; Boen lg; Captain Allman lt; Gentry le; Hugueley qb; Reeves lb; Clouse fb; Moberly rh.

Clark County: Stevenson re; Tabor rt; Estes rg; Wagner c; Swift lg; Jett lt; Boone le; Haney qb; Hagan rh; McEwan lb; Scrivner fb.

Substitutes: Madison, Hurst for Wells; Gentry for Allman; Martin for Gentry; Gentry for Martin; Allman for Hurst; Martin for Clouse. Clark County: Besuden for Scrivner; Scrivner for Tabor.

Officials—Gumbert and Hem-bree.

Notes of the Game

It is hoped that Madison will make it three straight in their game with the fast Pineville Hi eleven there next Friday. This game will be the last on the lo-

MATHERLY DECLINES FLATTERING CALL

The following clipping from the Daily Independent of Ashland will be read with interest by the many friends of Rev. Matherly here, where he was for several years the beloved pastor of the Second Christian church. He is now filling a pastorate at Catlettsburg: Rev. D. H. Matherly of the First Christian church has declined a very urgent call to the Sixth avenue Christian church, Huntington. Rev. Matherly came to this city January 1, from Richmond, Ky., after a six years pastorate in that city. Since his coming here he has launched and dedicated a beautiful and modern church home. The activities of the local church are steadily growing. His decision to stay in Catlettsburg will be received with much joy by his church and a great host of friends.

BABY DIES AS THE RESULT OF BURNS

Mr. and Mrs. Boyd Wells of the Jacks Creek pike, have the sympathy of their many friends in the death of their 6 months old baby who died Friday as a result of burns from fire popping out from the grate igniting the baby's clothing. Remains interred in Richmond cemetery Saturday afternoon.

Waco Loses To Mt. Vernon

The Mt. Vernon Signal says this week: The Waco boys and girls basket ball teams drove over to Mt. Vernon Saturday and played the home boys and girls teams. The boys game resulted in a score of 33 to 17 in favor of Mt. Vernon and the girls 9 to 6 in favor of Waco. There was a good crowd out to see the game.

Mule Sales In Carrard

Several mules have changed hands during the past week among the farmers of this and adjoining counties. W. R. Cook purchased a pair of John Goggin's for \$290 and two from Luther Weaver for 225. J. E. Robinson sold a nice team to Green Bowling for \$325. The demand for fat mules is better. Clegg Coleman of Harrodsburg having bought some in Stanford last Monday, prices ranging from 70 to \$100. There were 1,500 cattle at Nunnelle's Stock Pens Monday and most of them sold, some of the best two-year-old steers selling at 7 1-2 cents. The demand was fairly good. Many steers sold at 6 to 6 1-2 cents, while heifers were one cent to a cent and a half lower. A good bunch of sheep was on the market but did not sell. Mule colts were plentiful and Benedict & Cecil, who were here from Boyle to buy only got seven. They paid from 20 to \$40. The crowd was large and business generally was good.—Lancaster call's card.

The game was scheduled to start at 2:30, but due to the late arrival of the Winchester boys play was not called until 3:15.

John Ed Allman and the ends, Hacker and Gentry, played good games in their respective positions. Allman was a tower of strength in the line while Gentry and Hacker took care of things that came their way. Gentry was forced to retire in the latter part of the second period, but returned to finish the game in the last half. Quarterback Hugueley also played the best game he has shown yet. He hit hard and fast for good gains almost every time.

The visitors' passing was as good as has been seen here this season. However, Madison used the forward pass to good effect in the last quarter.

Clark County scored 26 points on Pineville while their defense crumbled allowing the Bell county outfit to run up a big score on them. They say that Madison is every bit as good as Pineville and should trim them.

TALKS AT EASTERN ON HEALTH OF CHILD

Dr. Annie Veach, director of the Bureau of Child Health of Kentucky, addressed the women of Eastern Kentucky State Normal School on the relation of child health to the success of the teacher, Friday morning at chapel. She said that nothing had so much to do with the success of a teacher as the health of the child. The purpose of the teacher of today is not only to instruct in the "three R's", but to make American citizens and one of the most essential requirements for citizenship is health. When the work of teaching health habits is carried out in a school the tone of the whole school is improved, asserted Dr. Veach, who has seen the result of teaching the child the right sort of food which should be eaten at the right time, the right sort of exercise and when to take it and the exact amount of rest. When correct instructions are given a child immediately demands them at home "cause teacher said so."

A teacher who has the best of the community at heart should demand school inspection by physician or community nurse at least once a year. A child should have a vaccination scar for small pox which is required by law in this state. The teacher should see that this law is obeyed. Drinking water should be inspected, for typhoid fever can be easily prevented in this way, stated Dr. Veach.

Children should be taught to drink milk for it makes bone, muscle and teeth. If a child is old the reason why, he is then interested in doing it. In the same way the child will have vegetables planted in order that he may have some leafy vegetables all during the year. In many communities the child is the only source thru which the parent learns what is best.

The teacher may be of great service to the child if she will look after the lunch the child eats at noon.

If the child is properly nourished at noon he will be easier to control in the afternoon and his ability to learn will not be lessened for lack of fuel which generates the energy.

Every teacher should have scales and weigh the children every month for continued gain in weight is the best evidence of continued good health. Dr. Veach said that better health among teachers resulted in teaching the children the rules and habits of health.

The state of Virginia has a law whereby every teacher is required to make a physical inspection every year. This will come to Kentucky thru the efforts of the teachers of the state, stated Dr. Veach.

Constance Binney In "The Sleep Walker"

The reaction of a girl brought into the world from the innocent seclusion of a convent is a dramatic situation which has all ways had large possibilities.

In the past, however, criticism has been heaped on certain actresses for the manner in which they attempted to depict the convent-bred; to portray a life concerning which they personally had no experience. And so it was that when "The Sleep Walker" was slated for the screen, Constance Binney, whose early educational days were spent in a convent—and a strict French convent at that, was chosen as the star. The experience was most important—but see the picture at local theatres Monday.

RICHMOND HOUND 20. IN ALL AGE

Scarcity Of Foxes At Washington Court House Delays Hunt Some Friday

Washington C. H., Ohio, Nov. 18—The second day's trial in the All-Age Event at the National Fox Hunters' Association annual meet here resulted in finish and the naming of awards by the five judges. This is the most important event of the week. The winners are as follows:

All Age, 125 entries, highest general averages:

First, White Rowdy, owner, Hunters' Rest Kennels, War Trace, Tenn.

Second, Liz Reeves, Manpin Brothers, Richmond, Ky.

Third, Shirley Marker, S. L. Woolridge, Versailles, Ky.

Fourth, Mountain Top, R. L. Hays, Spencer, Ky.

The success of the chase today was marred considerably by the scarcity of foxes. At the conclusion of yesterday's chase, when five foxes were raised, a number of the hounds out of 125 that started in the event, were lost.

Three were out all night and one of the employees on the Charles Persinger farm of 1700 acres east of the city, where the casting took place, states that beginning at 8 o'clock last night these hounds chased foxes all night. He opened the gates of the big fields so as to give them easy running and the music of the hounds as they dashed over the wide stretches of country was charming to the ear of the fox hunter.

The work of these dogs all night is supposed to have caused the foxes to temporarily forsake their familiar dens and go to new quarters. This accounts for the scarcity of foxes. Saturday the hunt will be in another part of the county on the Mrs. William Worthington farm west of Stanton. This will be the finish in the future which occupied Monday, Tuesday and Wednesday without the judges reaching a decision. In this event there were 91 starters from which there have been sixty eliminated.

Ran a Fox Down

Washington, O., Nov. 17—The most sensational event in the history of the National Fox Hunters' association happened today when a full grown red fox was outrun by a pack of fast flying hounds and caught on the ground in full view of hundreds of spectators.

Five thousand people were on the ground at the start of the contest this morning. Ideal weather conditions exist and visitors continue to arrive by auto and by train to witness the running of the all age stake. After three days of contest an Alabama lead leads in the future with Kentucky hounds in second and third places. The chase, future contest is not decided and may be necessary to continue the chase until next week.
