What They Have Been Doing the Past Week—General News Notes.

Division 3 will meet next Thursday night, and the officers desire to see a large crowd in attendance.

Friday night there will be a regular meeting of Division 2 and plans for entertaining will be discussed.

The County Board is expected to soon begin preparations for a fitting observance of St. Patrick's day.

Division 1 of Manchester, N. H., now has three district Gaelic classes and all are making good progress.

The reports of officers of the Dun Kirk County Board showed that the order was flourishing in that section.

Reports from Covington and Newport bring news of additions to the ladies' auxiliaries at almost every meeting.

Friends of Division 2 are urging the officers to give a social or dance. This body always succeeds with its undertakings.

Next Tuesday night will be the regular meeting night for Division 1, and arrangements will be made to keep members posted on the election returns.

Now that the political campaign has closed there should be a greatly increased attendance at meetings. The time for upbuilding the order has arrived.

The Ladies' Auxiliary will hold a meeting Wednesday night and a large attendance is desired, because matters of interest to all the members will be discussed.

The New Albany division is progressing satisfactorily and the annual report will show good results. An entertainment on a big scale will be given in the near future.

A new division of the order has been organized at Superior, Wis., but in order to receive insurance benefits it will affiliate with the County Board of St. Louis county, Minn.

Jeffersonville members justly complain of the few visitors from this city. Their meetings are always interesting and visiting Hibernians receive a welcome they don't soon forget.

The young folks certainly enjoyed the dance given by Division 4 last week and want it repeated. The question will be discussed at the meeting to be held one week from next Monday.

The State officers will ere long arrange for an official visit to every division in the State. Efforts will be made to greatly increase the membership and send at least two delegates to Portland, Ore., two years hence.

Division 22 of Brooklyn held its annual ball last Saturday night. The Boys' Band and all the boys are sons of Hibernians, played Irish and American airs between the dance numbers. The attendance was unusually large.

FOR WAIFS

Charitable Son of Erin Makes Grand Gift to Church.

Patrick Hayes, of Orilla, Wash., has made a donation to the Catholic church which is one of the most liberal ever given to a church in the State of Washington.

Mr. Hayes has turned over to Bishop O'Dea, of the diocese of Seattle, eighty acres of his fine farm, worth \$40,000, on which is to be built a school for the waifs and stray boys of the State, but especially of Seattle.

The first building of this large school will be erected on the ground this fall. In fact, work has already commenced. This building will be 60x120 feet, three stories high, and will be built of brick. It is the purpose of the donor to make this home for boys a reformatory as well as a home. The generous character of the gift may be seen from the fact that the location of the land makes it worth \$500 an acre.

RETURNERS FROM EUROPE.

The Rev. Father S. A. Holleran, pastor of the Guardian Angels' church at Irvington, has returned to his parish after a two months' trip through Europe. He had two triumphs with Pope Pius X., and visited Naples, Paris and other cities en route home. Last Sunday Father Holleran was warmly greeted by the members of his flock.

GIFT IS APPRECIATED.

A handsome oil portrait of the late Rev. Father Paul Alf. O. F. M., was presented to the Sisters of St. Anthony's Hospital last Monday. Father Alf was a friend and benefactor of the institution from its inception, and the Franciscan nuns greatly appreciate the handsome portrait.

CHARITY EUCHE.

A charity eucire will be given for a worthy purpose at Nadorff's Hall, northeast corner of Eighteenth and Kentucky streets, on the afternoon and evening of Wednesday, November 18. The afternoon game will be called promptly at 2:15 o'clock and the evening game at 8:30.

LAURIER'S VICTORY.

Sir Wilfrid Laurier and his party were returned to power in Canada as the result of Monday's election. Out of 221 constituencies the Premier has a majority of perhaps between fifty and sixty. Not long ago he announced that this would be his last entry into politics.

OYSTERS AND EUCIRE.

The various societies of ladies in Holy Trinity church, New Albany will give a eucire and oyster supper at the school hall, East Market street near Ninth, on the afternoon and night of November 23. Quite a number of handsome prizes are to be distributed.

GO TO ROME.

Archbishops Glennon of St. Louis, Ireland of St. Paul, and Bishops Scannell and McGolrick, are booked to sail for Rome tomorrow. It is not probable that any of these prelates will return to the United States before the close of the year.

CLASSES CONFIRMED.

HOSTESSES IN FRANKFORT.

HINTS ON STYLE.

New coats are elaborately braided. Roses for hats are immense in size. Modish grays range from deepest smoke to palest pearl.

The walking coat is long and the walking skirt is short.

Pompadour ribbons are much in demand for evening sashes.

Rich and dark colors have the greatest vogue in hat trimming.

Ribbon ornaments of all sorts will be used on fall and winter millinery.

The empire style is steadily falling before the triumphant dretroire vogue.

The sash is worn with all sorts of frocks, from the street suit to the ball gown.

The season's gowns, suits and hats demand a great amount of hand needle work.

Only the softest and most supple fabrics have any chance in the modes of the season.

Touches of lingerie are found added to waists of silk in ruffles and collar with good effect.

In all gowns for morning and simple afternoon wear dark colors are those most in vogue.

Long gray suede gloves for evening wear are said to have tremendous vogue across the sea.

Blue serge is so adaptable that few women are without a suit of this becoming and serviceable material.

A good many of the colored hats have black velvet facings, although black may play no other part in the hat.

SOFTEN TIGHT SHOES.

When, as sometimes happens, one is forced to wear an uncomfortably tight shoe it may be of value to know that a folded cloth wet in hot water laid over the pinching point will often afford relief. Change cloth several times to keep up heat, which stretches the shoe and shapes it to the foot.
