HIBERNIANS.

What They Have Been Doing the Past Week—General News Notes.

A promising juvenile division has been organized at Pueblo, Col. With thirty-six candidates Division 4 has broken all records here.

This has indeed been a great week for Hibernianism in Louisville. James Doran and John Owens, of Division 1, are still on the sick list. Syracuse divisions are working every minute and have stirring contests for more members.

Gov. Major, of Missouri, will be the St. Patrick's day orator for the Hibernians in St. Louis.

In Ireland there are over 1,300 divisions of the order and the membership is being largely increased. Ladies' Auxiliary 1 of Syracuse has offered a gold prize for the one bringing in the most members before July 1.

Martin Gavin has recovered from his illness and Hibernians will be pleased to again see him at their meetings.

Division 4 will meet Monday night in Bertrand Hall, with a hearty welcome will be accorded the new members.

The First Regiment, Irish Volunteers, of New York, will parade with the Hibernians in Brooklyn on St. Patrick's day.

Large initiations are everywhere reported in Central New York, and the quarterly reports will show gains in membership.

President Tom Tarry is elated over the results of the Emmet meeting. Bertrand Hall, Sixth Street, will mark his administration.

The Ladies' Auxiliary of Berlin, N. H., has a sewing circle that does much good and furnishes pleasant entertainment for its members.

The divisions in Newark, N. J., are manifesting great enthusiasm in their "get together" reunion and banquet to be held next month.

Binghamton Hibernians commemorated Robert Emmet's memory with a big meeting. They will observe St. Patrick's day with a banquet.

To overtake Division 4 the others must hustle. President John Hennessy and Vice President Tom Lynch have set an example all should follow.

Division 3 made an excellent showing Monday night at Bertrand Hall. When the large body made its appearance there was no stopping the applause.

Col. Crowley and the Irish Brigade, of New York City, will attend military mass and afterward act as escort to the Hibernians of Jersey City on Sunday, March 16.

Four of the floats in the Indianapolis St. Patrick's day parade will represent Charles Carroll of Carrollton, Commodore John Barry, Gen. Stephen Boylan and Gen. Phil Sheridan.

A special joint meeting of the divisions and auxiliaries of Indianapolis was held Sunday to discuss ways and means for securing a Hibernian building for the order in that city.

All the divisions of Columbus, Ohio, will receive holy communion in a body at St. Patrick's church on Sunday morning, March 16. They will hold their entertainment on the Thursday following Easter.

The Hibernians of Terre Haute and St. Mary's, Ind., were never in better spirits and never had as good an organization as at present. At St. Mary's Division 5 initiated nine candidates at the last meeting.

MOSE GREEN'S NAME.

The following from the New York Herald attests the fame attained by the Mose Green Club of this city:

"The Mose Green Club, of Louisville, will dispense typical Kentucky hospitality at its headquarters on inauguration day."

This cheering announcement has made up for abandonment of the inaugural ball. An idea is generally prevalent that Mose Green is a typical old Democrat with a nice taste in whiskey and an undying reverence for Andrew Jackson. Not at all; the club got its name this way:

Years ago an old German in Louisville capitalized his vote at every city, county, State and national election. The Democratic workers calling on him during one campaign found him disposed to vote the Republican ticket. They made their bid. "We'll give you the long green," they urged. He was obstinate.

"Well, what do you want?" they asked.

"I want the mos' green I can get." A year or two later a crowd of these same Democratic workers went to the Sullivan-Corbett prize fight at New Orleans. They had plenty of money and accordingly dubbed themselves the "Mose Greens." The club that later adopted that name has grown to be a powerful political organization in Louisville.

EUCHE AND LOTTO.

The ladies of St. Louis Bertrand's church will give a euchre and lotto on Friday afternoon and evening at Bertrand Hall, March 28, the afternoon games to be called at 2:30 and the evening games at 8:30 o'clock. The proceeds will be used in diminishing the church debt, which is rapidly decreasing under Very Rev. Father McGovern's administration as prior.

CONDITION IMPROVED.

Officer Michael Donaghue, the giant of the Louisville police force and guardian at Fourth and Jefferson, who has been critically ill at his home on High street, is reported as much improved during the past few days. The big and genial policeman was suffering from rheumatism and last Saturday his heart became affected, with the result that for a time hope for his recovery was almost abandoned.

ANOTHER PARISH.

St. Vincent de Paul has been selected by the congregation as the name of the new Catholic church in Clifton, near Newport, in the Covington.

At the last meeting, held in Louisville, Archbishop Messmer extended the association a warm welcome to visit his city in 1913, and it was accepted with pleasure by the delegates. The press bureau will be ready with a report of its first year's actual activities, while the literature bureau will have a good report to make. The advertising bureau is now working on a plan which it hopes to have in shape in the very near future. It looks as though the 1913 meeting will be the most interesting and representative of all. With the experience of two years it is assured that much progress will be made in the right direction. Other organizations struggled for more than two years before they became successful, and the Catholic Press Association should be given credit for making unusual headway in its short existence.

MILWAUKEE

Catholic Press Association Assured a Warm Welcome.

The third annual meeting of the Catholic Press Association will be held Thursday and Friday, August 14 and 15, in Milwaukee, Wis. At the last meeting, held in Louisville, Archbishop Messmer extended the association a warm welcome to visit his city in 1913, and it was accepted with pleasure by the delegates. The press bureau will be ready with a report of its first year's actual activities, while the literature bureau will have a good report to make. HANDSOME MONUMENTS.

The Mullson Monument Company, 318 West Green street, this week received five car loads of monuments, which have been placed on exhibition at their warehouses. They are of artistic design and the highest class workmanship and surpass at the reasonable price any ever received here before.

YOUNG FOLKS' PARTY.

The young men and ladies of St. Bridget's congregation are hustling for the encore party they will give at Phoenix Hill Park on the afternoon and evening of Thursday, March 27, when they hope to realize a neat sum for their fund for the new church being erected by the Rev. Herman Jansen. Many handsome articles have been contributed for this affair.

EIGHTEENTH AMENDMENT.

We may soon have another amendment (the eighteenth) to the national constitution. Ratification of the proposed amendment to the constitution for the direct election of Senators is proceeding at such a rapid rate that it is now believed the amendment will be adopted this spring and before the Legislatures now in session have adjourned. If the ratification of the amendment proceeds as rapidly as now expected, the successors to the thirty-two Senators whose terms of service expire March 3, 1915, will be chosen by direct elections and the old system, with its deadlocking of Legislatures, will be a thing of the past. Twenty-three State Legislatures have already ratified the direct elections amendment. Ratification by three-fourths of the States, or thirty-six, is necessary.

Record of the Most Important of the Recent Events Culled From Exchanges.

At Dring, near Cavan, a farm of seven acres was sold by auction to a returned American for \$2,850.

Mat Landry, of Mosstown, has resigned as Guardian and District Councillor of the Dunleer division.

John P. O'Connor, a much-esteemed figure in the commercial life of Swinford, died in his fifty-third year.

Martin J. Murphy, of Tramore, has been selected as Redmondite candidate for the Parliamentary division of East Waterford.

The Coroner's jury found that Patrick Kelly, a farmer of Middletown, County Armagh, came to his death from apoplexy.

Miss Kate O'Reilly, of America, and formerly of Inniskeen, has presented to the church in Inniskeen a magnificent set of Stations of the Cross—a most generous gift.

At the annual meeting of the Dundalk Urban Council John McDonald was unanimously elected Chairman. Andrew McFeester was also unanimously re-elected Vice Chairman.

James Frazer has been presented with a purse of sovereigns by numerous friends on the occasion of his retirement from the position of town postman of Ballymote, after forty years' service.

In opening the Longford Quarter Sessions County Court Judge Curran again spoke of the peaceable state in which he found the county. There were only three criminal cases to be disposed of.

Deep regret is felt in Keady over the death of John Keedy, who was a lifelong and consistent Nationalist, a devoted Catholic, a kind and obliging neighbor, and his sterling qualities won him the esteem and respect of all who knew him.

It is stated that some of the "Loyal Orange Ladies" in the Ballybay district have issued a manifesto or appeal to their friends at home and abroad for funds to fight "John Redmond & Co.," who they allege are trying to pull down their birthright.

With extreme regret the people of Ballybay heard that it pleased His Lordship Most Rev. Dr. McKenna to transfer during the week Rev. Edward O'Hara from that parish. Rev. Father Kieran, of Clontibret, has arrived to take up duties in his stead.

While engaged at Killaloe slate quarries Daniel Ryan, aged twenty-one, of Cloneyhen, met with a fearful death. When Tom Grace he lighted a fuse, but the charge failed to go off. While Ryan was examining an explosion occurred and several tons of slate fell on him, crushing him to death.

At Limerick County Council a letter was read from John Horan, County Surveyor, tendering his resignation on the grounds of ill health. He had been twenty-nine years Surveyor to the council. His resignation was accepted. The council also accepted the resignation of Daniel Naughton, rate collector.

MAYSVILLE.

TOOK THE VEIL.

Miss Eugenia E. Schmitz, daughter of Eugene E. Schmitz, former Mayor of San Francisco, has taken the veil in the Dominican convent of San Rafael, Cal.

SEND FOUL BILL BACK.

The Missouri Legislature disposed of its disgraceful "convent inspection" bill without letting it get out of committee. Surely we can expect no less from Nebraska legislators, says the True Voice. The Menace office is the only place fit for such a bill to repose. It came from there; now let it be sent back there. They can stand strong odors in that sanatorium whence so much foulness proceeds.

STORY WITH MORAL.

The story comes from one of the local papers in Arkansas about a man that was afraid of a thunder storm and crawled into a hollow log. The thunder rolled, the rain poured down in torrents and the log swelled up until the poor fellow was wedged in so tight that he could not move. All his past sins began to pass before him when he suddenly remembered that he had not paid his newspaper subscription. He said this made him feel so small that he crawled out of the log through a knot hole.

What the Club Plan Is-- What It Means to You:

The Club Plan is an extended payment plan instituted purely and simply for the convenience of our patrons who wish to buy Household Goods, such as Furniture, Carpets, Rugs, etc.

When you join the Club Plan you are asked to pay 3 per cent. of the amount of your purchases for joining; for instance

The membership fee on a \$25.00 purchase would be 75c. The membership fee on a \$50.00 purchase would be \$1.50. The membership fee on greater purchases would of course be in proportion.

You are then asked to pay 10 per cent. of your total purchase as the first payment. For instance, on a \$25.00 purchase you pay \$2.50 down in addition to the membership fee, making a total of \$3.25. The goods are then delivered to you and you arrange to pay the balance in small weekly or monthly payments.

When you consider that goods bought on the Club Plan are purchased at our cash prices—whether special or regular—you will more clearly see that our membership fee is nothing in comparison with the additional cost installment houses place on their goods for the privilege of time payments.

FURNITURE, CARPETS, RUGS, HOUSE FURNISHINGS AND OTHER HOUSEHOLD GOODS ARE SOLD ON THE CLUB PLAN.

Any further information regarding the Club Plan will be cheerfully given by our salespeople or at the Credit office on the fifth floor.
