

# What the Club Plan Is And What It Means to You

The Club Plan is an extended payment plan instituted purely and simply for the convenience of our patrons who wish to buy Household Goods, such as Furniture, Carpets, Rugs, etc.

When you join the Club Plan you are asked to pay 3 per cent of the amount of your purchases for joining; for instance

The membership fee on a \$25.00 purchase would be 75c.

The membership fee on a \$50.00 purchase would be \$1.50.

The membership fee on greater purchases would of course be in proportion.

You are then asked to pay 10 per cent. of your total purchase as the first payment. For instance, on a \$25.00 purchase you pay \$2.50 down in addition to the membership fee, making a total of \$3.25. The goods are then delivered to you and you arrange to pay the balance in small weekly or monthly payments.

When you consider that goods bought on the Club Plan are purchased at our cash prices—whether special or regular—you will more clearly see that our membership fee is nothing in comparison with the additional cost installment houses place on their goods for the privilege of time payments.

FURNITURE, CARPETS, RUGS, HOUSE FURNISHINGS AND OTHER HOUSEHOLD GOODS ARE SOLD ON THE CLUB PLAN.

Any further information regarding the Club Plan will be cheerfully given by our salespeople or at the Credit office on the fifth floor.

### TWIN CITY LEAGUE.

Another large crowd attended the Catholic League baseball game last Sunday afternoon at Shawnee Park in spite of the poor facilities afforded by the street car company, those going by way of Broadway being compelled to walk three-fourth of a mile to the grounds, while the people using the Market street cars are forced to make two transfers, in addition to a badly disarranged schedule on account of street improvements. The officers and directors of the Twin City now endeavoring to have the General Council adopt resolutions requiring the railway company to extend its Chestnut street line to the park via Madison street, which would satisfy a long felt want. Many of the city officials and others who have attended the games for the first time are greatly impressed with the clean and high-class ball furnished and are citing the Twin City as a model league for the juniors and others. The schedule for tomorrow afternoon is as follows: Imperials vs. Shamrocks on Diamond No. 1. Bruins vs. Champions on Diamond No. 2. Kentucky Oaks vs. Mackin on Diamond No. 3. and Athletics vs. Olympics on Diamond No. 4. The standing to date:

### IRELAND.

Record of the Most Important of the Recent Events Called From Exchanges.

John Maguire, of Downpatrick, has been appointed to the Commission of the Peace for County Down.

The Irish National Volunteers of Ennis hold drills on fine nights of every week. The strength of the corps is over 500.

Great sorrow was caused in Ballybay by the deaths of Mrs. Anne Duffy and Joseph McParland, both sudden and unexpected.

The Pope showed his interest in the Tuam Cathedral decoration bazar by the presentation of super-fine engravings of Vatican frescos.

Judge Green received white gloves at Armagh Quarter Sessions as there were no criminal cases. This ceremony is general all over Ireland at present.

M. Conway, of Enniskerry, was unanimously appointed by the Sligo County Council to the Deputy County Surveyorship, in the room of H. Blakeney, resigned.

The death has just taken place of Mrs. Power, Knockaliffa, Carrick-on-Suit, mother of the Rev. David Power, of Glasgow, and Rev. Nicholas Power, Irish College, Rome.

Alderman C. O'Neill was unanimously elected President of the Derry Chamber of Commerce, and Sir John McParland and E. Gilliland, M. A., were elected Vice Presidents.

Massy Lodge, the property of Lord Massy, with an estate of 180 statute acres, between Galbally and Mitchelstown, has been sold to a returned American named Hanly for \$9,000.

Following the recent big fire at Fivemiletown, when Mr. Early's drapery establishment was destroyed, a fire brigade has been formed, with the sanction of the Clogher Rural Council.

Messrs. John F. Tumpane & Co., of Nenagh, have disposed of a strip of bog land at Carrigoher, some three miles from Nenagh, at the extraordinary rate—constituting a record—of \$2,800 an acre.

Judge Law-Smith was presented with white gloves at Rathkeale Quarter Sessions, that being the third sessions there at which a similar ceremony had taken place in the absence of criminal business.

Margaret McCreel, an aged woman, who had been walking along the railway line near Knockcroghy, was knocked down by a train from Dublin and instantly killed. A leg and an arm were cut off and the body was terribly mutilated.

A crowd of over 200 tenants on the Church estate, situated between Ballindine and Irishtown, entered upon a grazing farm on the estate and began to drive off the stock, but a large body of police put in an appearance and the attempt had to be abandoned.

Denis Sheehan, of Toorsalen, in the parish of Dromod, attained to the age of 102 years, and has retained his full faculties. He has a clear recollection of the Catholic emancipation and repeal movements, and the famine period is also vivid in his memory.

The Most Rev. Dr. Browne has made the following clerical changes in his diocese: Rev. R. Kavanagh, chaplain Ennisceorthy Workhouse, to Tinalhy, vice Rev. John Busher, who has resigned owing to ill-health; Rev. Stephen Barron, recently ordained, to be chaplain Ennisceorthy Workhouse.

HOME NEXT THURSDAY.

Manager Hayden's Colonels play Milwaukee again this afternoon and then jump to Kansas City for a three-game series beginning tomorrow afternoon, at the end of which they will leave for home, opening Thursday with Milwaukee, who, as predicted in these columns several weeks ago, are again a pennant contender, not principally because of their lineup, but on account of the ginger and spirit injected into their playing, Harry Clark, their leader, keeping them going at top gait all the time, to which many attribute their winning of the pennant last season. Much interest is being manifested in their appearance here next Thursday to compare them with this season's Colonels, who are considerably stronger than last season, when they broke even with Milwaukee, winning twelve games each, the latter team, strange to say, finding Minneapolis their easiest picking, winning fifteen out of the twenty-four games played, while Minneapolis beat Louisville thirteen out of twenty-five played. This date a year ago Louisville was in first place while Milwaukee was in fourth, not reaching the top rung until the second week in July, from which place they were never dislodged.

### MISSION WELL ATTENDED.

The mission that has been in progress this week at St. Mary's church, conducted by the Rev. Father Vincent Tross, O. F. M., will come to a close with beautiful and impressive ceremony tomorrow night, when the blessing will be bestowed.

Father Westerman, the pastor, is highly gratified over the attendance and results. The sermons and lectures of Father Vincent have been most instructive, and for the people of St. Mary's it has been a truly spiritual week.
