HIBERNIANS.

What They Have Been Doing the Past Week—General News Notes.

Connecticut will hold its State convention at Middletown. With two new divisions there will be twenty-nine in Brooklyn. The Ladies' Auxiliary continues to increase in numbers everywhere. President Maloney, of Division 3, never stops working for the order. The Boston night workers' division is one of the most progressive in the city.

The meetings of Division 1 continue to show a marked increase in attendance. Division 3 is making steady progress in reducing the debt on its club house. Thirty candidates were given the degrees at the county initiation at Indianapolis. Division 4 will have the largest class ever presented here for the next initiation.

A new division at Beloit, Wis., has been organized, starting with thirty members. Division 4 meets Monday night and the officers request that all members attend. What are our State officers doing? Nothing has been heard from them for some time. Division 1 of Bridgeport, Conn., at its recent initiation conferred the degrees on fifty candidates. Members of Division 1 were elated over the last financial statement of Treasurer Keenan.

Louisville has one of the strongest and most energetic Ladies' Auxiliaries in the entire country. The carnival and field day of Division 72 on Monday was one of the greatest ever witnessed in Boston. Father P. J. Madden addressed a meeting of men interested in the forming of a division at Westfield, Mass. President Joe Lynch and the members of Division 2 will endeavor to have a good class for the next initiation. Hibernians everywhere mourn the death of Hon. John T. Keating, twice National President of the Ancient Order. Division 1 of Omaha entertained the County Board and members from South Omaha at a big meeting Tuesday night. Beautiful gold lockets were the prizes given by the Ladies' Auxiliary for the study of Irish history by the young girls of Indianapolis. The Hibernians of San Francisco and vicinity hold frequent public meetings. Last week at San Mateo the Rev. P. Foote, S. J., addressed a large gathering under the auspices of Division 1.

PICNIC AND OUTING. Rev. Father Fitzgerald and the people of his congregation are making elaborate preparation for the entertainment of one of the season's largest gatherings at the annual picnic and outing for the benefit of St. Leo's church, Highland Park, to be held on the spacious grounds adjacent to the church on the afternoon and evening of Thursday, July 22. An interesting programme of amusement features will be presented, together with an abundance of everything good to eat and drink. Those who attend are certain to enjoy the day.

CHURCH AND LABOR. "The Church and Labor," one of a series of sermons preached by Right Rev. Austin Dowling, Bishop of Des Moines, during the last Lenten season, has been recently published by the Central Bureau of the Central Verein of St. Louis in pamphlet form. It is one of the best of the popular publications of that bureau, being a clear-cut presentation of the Catholic attitude in the conflict between capital and labor. It is particularly commendable in that it is truly constructive in its ideals and programme, showing the evils of liberalism as well as those of Socialism, in an attractive and concise manner that will appeal to any class of readers, whether they be students or otherwise. The pamphlet is sold for two cents per copy.

FOR WOMAN'S EYE. Wool embroidery is still used on summer frocks. Divided skirts bathing suits are among the new models of St. Louis. Orgrandy figures less conspicuously this season for child wear. Black and white is more effectively used than ever before. Never have been bathing fashions so audacious and so varied as this season. Stripes are more popular for child wear than they have been in a long time. Cotton voile of fine quality is considerably used for small girls' dressy frocks. It is a matter for congratulation that the custom of motoring bare-headed is losing vogue. Points are much used in the new frocks—there are pointed tunics, and skirts cut in deep points at the bottom and points in some form appear on many bodices. Prediction is made that for autumn wear voile and tulle in heavy, coarse weave are to be featured. These are both desirable fabrics, for they have an element of durability that makes them economical. Lacings appear in some of the new frocks and blouses. Sleeves are sometimes laced from the elbow to the wrist, sometimes from the shoulder to the elbow. Lacings appear down the front of blouses and at the collar. The lacings are of contrasting color usually.

KNIGHTS OF COLUMBUS.

Late News That Will Interest Members Here and Elsewhere.

Fifteen members have been added to the council at Niagara Falls. Boston Knights are making plans for the erection of a \$500,000 building. A band of thirty-five pieces is being organized by the council at Oswego, N. Y. Work will soon commence on the new hall to be erected by the Knights of Neola, Iowa. Fifty candidates were given the second and third at Shellsburg, Wis., the last Sunday in June. There were many Knights in Trinidad last Sunday, when fifty candidates were given the highest degree. The Knights of New Washington, Ohio, gave a happy reception to Rev. Leo Miller, D. D., upon his return from Rome. The Wisconsin Knights' laymen's retreats have grown to such proportions that four, instead of two, will be given this year. Denver Knights are urging a national campaign to have the order do for Catholic young men work similar to that of the Y. M. C. A. Colorado Springs Knights have bought the lot next to the home of the Sisters of Loretto, where they plan the erection of an elaborate building. Last Sunday Archbishop Hanna dedicated the new home of the Knights of San Mateo, Cal. During the afternoon the second and third degree were conferred.

AMERICAN CHRONOLOGY. Timely Record of Some Memorable Events in the Catholic History of America. By James A. Rooney, LL. D. July 11, 1820—Erection of the diocese of Richmond, Va., with the Right Rev. Patrick Kelly as first Bishop, consecrated in 1821; and that of Charleston, S. C., with the Right Rev. John England as first Bishop, consecrated September 21, 1820, in St. Finbar's Cathedral, Cork, Ireland, refusing to take the oath of allegiance to the King of England. July 12, 1868—The Right Rev. Bernard J. McQuaid consecrated first Bishop of Rochester, New York; founded the parochial school system of the diocese, St. Andrew's Seminary in 1870, and St. Bernard's Theological Seminary opened September 4, 1893; died January 18, 1909. July 14, 1852—Central building of Holy Cross College, Worcester, Mass., destroyed by fire, entailing a loss of \$50,000; rebuilt, enlarged and reopened October 3, 1853. July 15, 1845—First commencement and first degree conferred at St. John's College, Fordham, N. Y., after which the college was committed to the care of the Fathers of the Society of Jesus with the Rev. Augustus Thebaud as President. July 16, 1816—Cornerstone of St. Joseph's Cathedral, Bardonia, laid by Bishop Benedict Joseph Flaget, the Rev. John Baptist Mary David preaching the sermon; built on plans drawn by John Rogers, a Maryland architect; dedicated August 8, 1819. July 17, 1864—Church of St. Mary of the Mountain, Virginia City, Nev., built by the Rev. Patrick Monogue at a cost of \$20,000, dedicated by the Right Rev. Eugene O'Connell, Vicar General of Marysville.

WERE MARRIED HERE. Elliott B. Mason, an attorney, and Miss Margaret McDermott, both of Owensboro, came to Louisville Wednesday and were married by the Very Rev. P. M. J. Rock, rector of the Cathedral of the Assumption. Mr. Mason is well known in Daviess county, having served as Prosecuting Attorney there and frequently has occupied the Criminal bench. His bride is the daughter of Michael McDermott. Mr. and Mrs. Mason remained in Louisville several days before returning to make their home in Owensboro.

VALUE OF THE MASS. At the hour of death the masses you have heard will be your greatest consolation. Every mass will go with you to judgment and plead for pardon. At every mass you can diminish the temporal punishment due to your sins, more or less, according to your fervor. Assisting devoutly at mass you render to the sacred humanity of Our Lord the greatest homage. He supplies for many of your negligences and omissions. The power of Satan over you is diminished. You afford the souls in purgatory the greatest possible relief. One mass heard during your life will be of more benefit to you than many heard for you after your death. You are preserved from many dangers and misfortunes which would otherwise have befallen you. You shorten your purgatory by every mass. Every mass wins for you a higher degree of glory in heaven. You receive the priest's blessing, which our Lord ratifies in heaven. You kneel amidst a multitude of holy souls, who are present at the adorable sacrifice with reverential awe. You are blessed in your temporal goods and affairs. When we hear mass and offer the holy sacrifice in honor of any particular saint or angel, the Lord God for favors He bestowed on us, we afford him a great degree of joy and happiness, and a special love and protection. Every time we assist at should, besides our other offer it in honor of the saint.
