Often those who should grow fruit in most abundance must buy it or do without it. No farmer can buy fruit as cheaply as he can grow it. No one is going to grow it at less price than cost and sell it to him. It is a fact that but few farmers grow strawberries even for their own tables.
For Filling a Gun.
Louis Leavell, of color, was before Judge Burnside Monday charged with drawing a pistol on R. W. Fletcher, the colored school teacher. A jury was asked for, which returned a verdict of \$50 fine and twenty days in jail. We understand the case will be appealed to the circuit court.
Scripture Quoting.
Ben Guinn, a colored employee of THE RECORD office, went to a funeral not long since and came back loudly praising the sermon. One of the boys asked him what the text was. Ben scratched his head, studied a few minutes and replied: "He read out of the bible: 'Let him that never does nothing wrong throw dust rock.'"

Big Tobacco Sales.
A tobacco buyer from Louisville, named Bryant, made the following purchases in Garrard within the last few days: Three crops off Ed Walker's place, Graves crop 16,000 pounds at 12 cents; another crop of 13,000 pounds at 8 cents; Billy G. Koch crop of 13,000 pounds at 10 cents; A. K. Walker crop of 6,000 pounds at 9-1-4 cents; Wade Walker crop of 8,000 pounds at 8-1-2; Bob West one crop of 6,000 pounds at 16c; same another crop of 6,000 pounds at 8 cents; John A. Sanders 8,000 pounds at 8 cents.
Maj. Jas. Burnside, who is the best posted tobacco man in Central Kentucky, tells THE RECORD that the 13 cents paid for the Graves crop is the best price paid in this county since 1887.
Week of Prayer.
The week of prayer was observed at the Presbytery church and many persons attended. The different ministers in town took turn about in conducting the services, in which much interest was manifested. The last meeting was held Sunday night, when Rev. T. H. Campbell preached. It is regretted that the inclement weather prevented a large number from hearing this sermon, as it was, indeed, a timely one. The speaker was on the subject of being a man and indulging in race through the week. He scored "dress parade religion" severely and touched up the "Sunday Only" christian in a manner in which such hypocrites should be. There is no class of beings on earth for whom we have a greater contempt than those who go to church Sundays with long faces, bawl out gospel hymns with the grace of a scrub calf, and then spend the remaining six days of the week trying to beat and run down other people. Such people have an overwhelming majority in perdition.
The Banks Elect Directors.
At the regular election, the following gentlemen were chosen to serve as directors of the Citizens National Bank for the ensuing year: J. M. Higginbotham, Lewis Y. Leavell, J. R. Johnson, T. M. Arnold, H. C. Arnold, Jr., R. F. Hudson, A. E. Gibbs, J. J. Walker, Jacob Y. Robinson.
The same officers were unanimously chosen to serve. They are J. M. Higginbotham, president; L. Y. Leavell, vice president; R. F. Hudson, cashier; W. G. Rigney, assistant cashier, and Dave Walker, book-keeper.
The National Bank re-elected its same board of directors, which is as follows: Sam'l D. Cochran, Jas. Spillman, Alex. R. Denny, A. G. Robinson, W. E. Cook, L. Davidson, John B. Stormes. They also decided unanimously to retain the same officers, viz: A. R. Denny, president; Jas. B. Stormes, vice president; W. E. Stormes, cashier; S. C. Denny, assistant cashier; J. F. Robinson, Jr., book-keeper; R. T. Embury, assistant book-keeper.
Both institutions are in excellent condition and rank second to none in Kentucky.

Strayed.
From my pasture, on House place, about Dec. 15, one red yearling steer, weight about 550. Liberal reward for return. Leave any information with T. B. Walker.
E. T. PENCE.
Taken Up As Estray.

J. H. WEST,
Hytasville, Ky.

Card of Thanks.
I desire to thank my many friends through the columns of your paper for their kind assistance in selling my goods. I certainly appreciate the favor and this kindness shall ever be remembered.
Respectfully,
MRS. SAM BRUCE.
Deputy Clerk Noel.
W. T. Noel has been sworn in as deputy county clerk. He will make headquarters at Luckey where those desiring to sign and acknowledge papers can do so without coming to town.

How great his praise, how he can mend, The soles of all his neighbors. He's always watchful of his end, And to his last he labors.

Lancaster Building and Loan Association, at its annual meeting elected the following officers: W. H. Kinnaid, president, J. C. Hemphill, secretary, S. C. Denny, treasurer. The board of directors is composed of the following gentlemen: John E. Stormes, J. C. Thompson, T. Currey, R. E. McRoberts and W. J. Romas.
Secretary Hemphill tells THE RECORD that he never knew the concern to be in better shape than at present, it being a home institution the people have perfect confidence in it and it is growing every day.
TO CURE A COLD IN ONE DAY.
Take Laxative Bromo Quinine Tablets. All Druggists refund the money if it fails to cure. 25 cents.

Carl Hermann.
The concert given by Carl Hermann in this city a few evenings since was highly enjoyed by those who braved the inclement weather to hear him. He is certainly a master of the violin, "the queen of instruments," and many were the compliments heard coming from those competent to judge. He not only charmed those who admire classical music, but mixed the program so as to catch the entire audience.
Warrant Against Prof. Fletcher.
Emma Johnson, a good looking colored girl, swore out a warrant Saturday against R. W. Fletcher, principal of the colored public school, charging him with the paternity of her child which was born several months since. Fletcher says the move is made and brought about by some of his enemies, whom, he claims have been fighting him for some time and been trying in every way to annoy and antagonize him. He has been quite a leader in local politics, and his outspoken manner has caused many of his own party who do not agree with him to sour on him. The case has not yet been tried.

S. T. Evans will deliver goods to your door.
One Minute Cough Cure cures quickly. That's what you want! Stormes' Drug Store. 1m
Union Meeting.
Eld. Gowen will preach the sermon at the union meeting in the Christian church Sunday evening at 7 o'clock.

To the Public.
I wish to announce to the public that I will run the Lancaster Hotel this year, and solicit a liberal share of patronage. Miss Martha Tillett.
The theory of advertising is that it helps business. If the theory is wrong a business man ought not to spend any money at any time for advertising. If the theory be true the time to spend the most money is when business needs the most help-in the dull season.—Ex.

An Error.
An aggravating error occurred in the local about the colored public school last issue. It was plainly written "the trustees action was approved by the superintendent," but the love-sick compositor made it read "the teacher's action," which placed an entirely different meaning on the article.
Deserved Promotion.
At the directors meeting of the Citizens National Bank, Mr. W. O. Rigney was promoted to the responsible position of Assistant Cashier. Mr. Rigney has been in the bank for many years and it would be hard to find a more competent and painstaking official. His legion of friends and THE RECORD extend congratulations to Mr. R. on his deserved promotion.
Coughs and colds in themselves are not serious maladies. The most trivial cough or cold if neglected, may lead to asthma, bronchitis, or consumption. The right time to treat a cough or cold is right away. Delay means danger. Dr. Bell's Pine-Tar-Honey is a quick cure, a sure cure and a safe cure. Druggists sell it.
Fine Mechanic.
One of the best engineers and machinists in Kentucky is Wes. Zanon, who has charge of the large engines at the Lancaster Mills and Electric Light Plant. He can build an engine, and fix any kind of machinery in less time than it takes to tell it. He did some repairs on one of our presses this week which could not be excelled at the foundry. In addition to his fine mechanical qualifications he is a sober, steady gentleman and as clever a fellow as one cares to meet.
To College Without Cost.
The Cincinnati Commercial Gazette (weekly edition of the Commercial Tribune) offers to pay the entire expenses for a three-months' term of instruction in college for any poor young man or woman who is unable to defray their own expenses getting an education. Write a postal card for a copy of this weekly edition of the paper and find a full explanation of the plan. It is one of the boldest strokes of modern journalistic enterprise.

No Officers Yet.
Owing to the illness of Mr. T. Currey, the City Council has not yet elected city officers.
Teacher's Money.
Miss Eliza Lusk tells THE RECORD that she will be prepared to make a payment to the teachers tomorrow, Saturday.
Big School.
Prof. Ben F. Evans has charge of a large subscription school at Edenton, Madison county. B-n is a fine teacher and gives good satisfaction wherever he teaches.
Born to the wife of G. M. Austin on the 9th, a fine boy. Both mother and baby are doing nicely, and the father is rejoicing over the prospects of a substantial democrat.
Certificates of Graduation.
Miss Lusk, county superintendent, informs us that an examination will be held at her office on the last Thursday in this month for those wishing certificates of graduation from the common school course.
Burglars.
Mrs. Margaret Gill Wednesday night, by prying open a shutter. The house was completely ransacked, bureau drawers broken open and everything torn up, generally, though a small amount of money and two rings is all that has been missed. The table in the dining room showed that the thieves also partook of a good lunch. The residence of W. B. Mason was also entered. "Kegs" clothes were taken from near his bed and the pockets gone through. Fortunately he had left no money in them, but his handsome gold watch was taken. The clothes were taken into a front room and a lamp lighted which the parties left burning.
As usual, there is no clew to the daring work. There is only one thing for our citizens to do, having no night protection, and that is to get a shotgun and load it with buckshot. The time has arrived when the people will have to defend their own property or leave it wholly at the mercy of midnight sneaks. When some of the culprits receive a good charge of shot, it will certainly check the devilment.

WALLACETON.
A new girl came to Mr. Colson's a few days ago.
E. B. Wallace is making preparation to erect another dwelling house on Main Street.
C. M. Baker, of Versailles, Ohio, but formerly of Wallaceton, informs us of the arrival of another daughter in his home.
Thomas W. Soper has taken charge of the store of Wallace & Soper, and is giving away more politeness, and selling more goods than has been disposed of at that place since the new partner, J. E. Soper, used to clerk there.
The select school being taught here by Miss Bettie Hendrickson, is reported as moving along nicely, with a good attendance, which is still increasing. An increase in educational interest is a good indication in any community.
Mr. Caldwell, of Jackson county, and father-in-law of our blacksmith, A. J. Wilson, has bought of A. R. Guinn, a house and lot here for \$400, and will engage in the mercantile business. Mr. Wilson is having his storehouse enlarged and he and Mr. Caldwell will form a partnership.
During the past year no boom has struck our town, but yet, in spite of all the grumbling and other means of getting time, business has increased in every department, with the exception of loafing. Each of the three stores has enlarged its stock of goods. The lumber business has made a decided improvement. Our mechanics and common laborers have had employment. We have been connected with the outside world by telephone, and in fact, most of the ordinary professions, except the doctor and lawyer, are represented and doing well. As for the doctor, he is sometimes wanted, but we simply call for him by telephone, either at Paint Lick or Berea, and he soon arrives, but as to the lawyer, we don't need him, don't want him, won't have him; and if one comes to town and remains more than one night on any other business than to see how well we get along without him, we would have our drummer, Mr. Thos. Robinson, to "scream him out of town" at once.
McCREARY.
G. W. Saddler and family have moved on Sugar Creek, and W. T. Pherigo and family have moved into the house vacated by Saddler.
Miss Flora Moberley has gone to Lancaster to attend school.
Miss Ida Kelley, of your city, has returned home, after spending a week with relatives here. Miss Nora Saunders visited Miss Minnie Wearden the latter part of last week. M. Coy, of Madison, was the guest of J. A. Walker last week. J. T. Hardin, who has been in Williamsburg, Ill., for two years, is at home with his father, A. T. Hardin. Mr. and Mrs. W. K. Wearden, and little son, of Bourne, are visiting the family of P. G. Warner.
J. B. Sandidge has gone to Lancaster to take possession of the Sheriff's office. His many friends and neighbors regret to see him leave.
Miss Susie Sandidge gave an elegant party last Friday evening in honor of her visitor, Miss L. V. Moore, of Junction City. A lovely supper was served at 10 o'clock. The number present were seventy-five.
Mr. Zachariah Simpson, of Richmond, and Mrs. Lucy Ann Lane, were married the 30th ult., at the home of the bride, Rev. T. H. Campbell performing the ceremony, after which, supper was served. Many friends and relatives were present. They will live at the home of the bride at present.

Big School.
Prof. Ben F. Evans has charge of a large subscription school at Edenton, Madison county. B-n is a fine teacher and gives good satisfaction wherever he teaches.
Born to the wife of G. M. Austin on the 9th, a fine boy. Both mother and baby are doing nicely, and the father is rejoicing over the prospects of a substantial democrat.
Certificates of Graduation.
Miss Lusk, county superintendent, informs us that an examination will be held at her office on the last Thursday in this month for those wishing certificates of graduation from the common school course.
Burglars.
Mrs. Margaret Gill Wednesday night, by prying open a shutter. The house was completely ransacked, bureau drawers broken open and everything torn up, generally, though a small amount of money and two rings is all that has been missed. The table in the dining room showed that the thieves also partook of a good lunch. The residence of W. B. Mason was also entered. "Kegs" clothes were taken from near his bed and the pockets gone through. Fortunately he had left no money in them, but his handsome gold watch was taken. The clothes were taken into a front room and a lamp lighted which the parties left burning.
As usual, there is no clew to the daring work. There is only one thing for our citizens to do, having no night protection, and that is to get a shotgun and load it with buckshot. The time has arrived when the people will have to defend their own property or leave it wholly at the mercy of midnight sneaks. When some of the culprits receive a good charge of shot, it will certainly check the devilment.

Wanted, car load of Iron, Bones and Rags. H. B. Northcott.
No Officers Yet.
Owing to the illness of Mr. T. Currey, the City Council has not yet elected city officers.
Teacher's Money.
Miss Eliza Lusk tells THE RECORD that she will be prepared to make a payment to the teachers tomorrow, Saturday.
