Blue and Grey.
There will be a meeting of the soldiers held in Masonic Hall tomorrow, Saturday, afternoon, at two o'clock for the purpose of making final arrangements for decoration day. All old soldiers are earnestly requested to be present. It is the desire of the old vets to secure the services of some noted speaker for the occasion, and have the ceremonies as impressive as possible. All the veterans of both sides are expected to take part, as the graves of both the Confederate and Federal dead will be decorated. For further particulars see Jim Dillon.

Death of Mrs. Johnston.
The community was greatly shocked Wednesday to learn of the sudden death of Mrs. Jane Johnston, wife of Mr. T. M. Johnston. She had been in fairly good health for the past few years and her sudden illness was quite a surprise. Mrs. Johnston belonged to one of the most widely-known families in the county and was beloved by all. She was a consistent member of the Christian church and took a prominent part in every movement for the church and good of the community. She leaves beside her husband, five children. They are W. McC. Johnston, Mrs. Belle Burnside, Mrs. Patterson, Miss Nell and John. The funeral will take place at the Christian church this (Thursday) afternoon at four o'clock. Eld. George Gowen will conduct the services and the interment will take place at the Lancaster Cemetery.

Sudden Death.
Saturday morning, at an early hour, Mrs. Marinda Herring, wife of Mr. Bright Herring, died suddenly at the family residence on the Danville pike. She had been in apparent good health all day, and ate a hearty supper before retiring. During the night Mr. Herring noticed her peculiar breathing and went to her bedside. Before his mother arrived in the room Mrs. Herring had breathed her last. No woman bore a better reputation for kindness and charity than did Mrs. Herring. She was a true Christian in every sense of the word, and by her many acts of kindness endeared herself to every one who knew her. In his sad bereavement the heart-broken husband has the sympathy of a large circle of friends. After services at the grave, by Elder Gowen, the remains were interred in the Lancaster Cemetery Sunday afternoon at three o'clock.

Unnecessary Delay.
Since the change in the running of the trains our people are greatly annoyed and inconvenienced from the fact that no mail is put off here from the night trains. Mr. West, the post master, has written to headquarters stating the case and if a change is not made right away some one will go to Cincinnati and lay the matter before the post office authorities. The people do not want this mail opened at night, but it can be put off and kept at the depot until the regular time for opening the office in the morning. It is said that no one meets the night trains, but it does seem that in a town of this size that a matter as important as this should not be overlooked. As matters now are, our Louisville and other morning mail from the south is taken to Richmond and brought back at 11:10. There is absolutely no excuse for this delay, and if the trouble is not remedied our people will make a kick which will hurt whomever happens to be in the way.

J. R. Jennings has the largest line of ladies slippers in town.

If you forgot to bring that dollar to THE RECORD last court day, just bring it next Monday and it will be forgiven. See?

To Teachers.

Do not forget the dates for examinations. White teachers must come on Friday and Saturday, May 20 and 21. Colored teachers will be examined one week later.

Lecture Tonight.

Our people should not miss the opportunity of hearing the celebrated lecturer, Volney B. Cushing, tonight at Court House. He is one of the finest on the American platform.

When in town Monday don't fail to call and see the best and cheapest line of Buggies, Surries and Road Wagons ever seen in Lancaster.

W. J. Romans Carriage Co.

Pawpaw Sale.

The bloom of the pawpaw tree is said to have been killed by the freezes, but there is now a second crop of the bloom which promises to make a good crop.

Good Crowd.

Depot Agent Patterson sold forty-five tickets to Lexington Sunday and a great many more would have gone had the train been advertised a little sooner. There was a nice crowd abroad, but a few toughs crept in, as usual.

A New Physician.

Dr. I. S. Wesley has located in Lancaster and opened an office at Dr. O'Neal's old stand. Dr. Wesley comes highly recommended as a physician. He will move his family to Lancaster as soon as he can find a house to rent.

Closing Exercises of Graded School.

School will close next week, with two public entertainments; one will be an "Arbor Day" exercise, the other a musical entertainment. The Arbor Day exercise will be Wednesday afternoon at 2:30. The musical will be Thursday afternoon at 2:30. All are invited to attend. R. S. GOWEN.

Showed Up Well.

The fact that only four of the Lancaster boys failed to pass the rigid examination at Lexington speaks well for the health of our men. Some of the other companies had as high as twenty men thrown out and had trouble in getting enough to be sworn in. Reports from all over the country say that ninety per cent. of the men rejected are those addicted to the cigarette habit. All the boys from Lancaster, except Kirby, passed. The surgeon said Will Walker was the finest specimen of young manhood he had seen, and passed many compliments on him.

West.

Mr. Tyree H. West died at his home near Pleasant Hill School house, this county, Tuesday last. Mr. West had been a resident of Garrard county all his life and no one stood higher in the estimation of the people generally than did he. He was a member of the Christian church and was considered one of the cleverest men in the county. He was always ready to help a friend and a liberal contributor to charitable objects. He was blessed with good health nearly all his life and was in 77 years old. Funeral services were held at his late residence Wednesday afternoon, conducted by Eld. George Gowen, and the remains interred in the Lancaster Cemetery.

The New Trains.

The much desired train service went into effect Sunday. The old day train has been reversed and now comes from Richmond in the forenoon, passing Lancaster at 11:25 making close connection at Stanford with the Louisville and Knoxville trains. This train comes back from Stanford at 4:35 in the afternoon. It remains a mixed train, but makes much better time than of old.

The passenger trains run at night, but furnish excellent means of travel. It passes here at 12:29 going to Louisville, putting you in that city at 7:30 a. m. Going to Cincinnati it passes Lancaster at 2:52 a. m., arriving in that city about 7:30. On this train you make connection at Paris for Lexington both coming and going. These trains are first-class passengers and carry both mail and express.

Now that this great benefit has been secured for the town, we sincerely hope that the loafing element, which talked against the effort to secure it, will go into a hole and pull the hole in after them.

District W. C. T. U.

The district meeting of the Women's Christian Temperance Union began in this city Wednesday afternoon. The district is made up of the counties composing this congressional district. A large number of delegates are present. As some will not arrive until tonight, we will not publish the list until next issue, at which time we will also give a detailed account of the entire proceedings. The meeting opened with the contest at the Court-house, of which mention is made elsewhere in this issue. At this meeting Mrs. Patterson gave an outline of the program and Mrs. Robert Elkin delivered the address of welcome. Mrs. Elkin's talk was one of the best we ever heard. It was out of the old cut and dried order and full of common sense. Last night the children of Miss Murphy's class entertained the visitors, after which Mrs. Beauchamp delivered an excellent address to a large and appreciative audience in the Presbyterian church. Owing to the lateness of the hour we will defer further reports of the meeting 'til next issue. Our people have the latch string hanging on the outside, and are doing their best to entertain the visitors, and make them feel at home.

COOPER'S CIRCUS.

Attracted a Large Audience at Lexington. A Great Show.

Cooper & Co.'s great Rail Road Show is to exhibit here tomorrow (Friday) The Lexington Argonaut says: Cooper & Co.'s New United Circus began its engagement of four days in this city last night to crowded tents. The show is one of the best on the road. Many new acts and features were introduced, which the audience highly appreciated.

Among the new acts introduced were "The Tybells" in their wonderful ladder act; the Parent-Broddilla four-brother act, gymnasts; Traver-Richards trio in triple trapeze; Frisco-Traver burlesque Chinese ladder act; Mmo. Lulu and her wonderful horse Topsy, and many others. The show made a big hit with the audience and will doubtless attract large crowds during the week. Admission reduced. Children under 10 years of age only 15c. Adults 25c. Usual street Parade at 11 o'clock.

Gold Medal Contest.

The first grand gold medal contest ever held in the state took place at the Court House Tuesday evening. These contests are under the supervision of the W. C. T. U., and are divided into several classes. First comes the silver medal contest, then one for a gold medal in each district and now the grand, or state, contest. We understand there is still another called the diamond. The one held Tuesday evening was for speakers who had won gold medals. Seven young ladies took part. They were Misses Ida Tyree, Pittsburg, Fannie McClure, Mt. Vernon, Fairchild, Berea, Alberta Anderson, Lancaster, Elene Hiatt, Hiattville, Mamie Jones, Annie Thompson, Mt. Vernon. Persons who are competent to judge such matters, tell us they have never witnessed a better contest nor one in which those participating were more evenly matched. Each young lady spoke in a clear, distinct and strong voice, and their diction was perfect. Lack of space prevents giving a detailed description of each, but we will say that it must have been a difficult task to pick the winner, so well did each young lady carry out her part. The judges were Rev. Henry Faulconer, T. H. Campbell and C. H. Clark, who decided to give the medal to Miss Alberta Anderson, of this city.
