members of the old organization are in
town, there should be little trouble in
having a good band in a short time.

The seventy three acres of land ad-
vertised by Mr J G Hendrickson, in
The Record, was sold last week to Mr
Henry Cox for \$5,400. The land lies 2 1/2
miles from Lancaster on the old Dan-
ville pike, and is very desirable.

& Rice, one of the largest neckwear
houses in the United States, was here
this week, and with his line, through
Mr H T Logan, will certainly open
the eyes of all well dressers of Lan-
caster and Garrard county.

Selling Many Pianos.
West & Herndon are selling quite a
number of fine pianos, not only in
Garrard but in adjoining counties.
They handle all kinds of musical in-
struments, sheet music and sewing
machines. Let them make a new
machine of your old one. Their prices
are right.

Confederate Veterans, Attention.
There will be an important meeting
of Camp M D Logan, in the circuit
court room next Monday (County
Court day) at half-past ten, a. m., for
the purpose of selecting delegates to
the State Reunion at Pewee Valley.
Other matters of importance will come
up, and all are urged to be present.

Teachers To Meet Here.
The Eighth Congressional District
Teachers Association will meet in
Lancaster October 25th and 27th.
Prof Mannix, who is president of the
organization, tell The Record there
will be a good attendance and the pro-
grams of great interest to both teach-
ers and the public. As quite a number
will be present, the citizens should
and doubtless will, do all in their power
to make the visit pleasant for the
wielders of the peachtree limb. Furth-
er notice will be given in these columns.

The Jewish Rushua or new year
and the Jewish festivities fall upon
the 20 and 21 of Sept and the Jewish
Yunkleper or fast day upon Sept 29
which day will be occupied with fast-
ing and prayer. These sacred holidays
of the Jewish people will be celebrat-
ed throughout the entire world by
these people. The store of H Patter-
son, of this city will be closed on these
three holidays all of the 1st two days
and until 6 o'clock on the 29th. Mr
H Patterson and family will attend
services in the Jewish temple at Cin-
cinnati.

Cremated.
Nathan Taylor and Bud Kaiser, two
farmers residing near Buckeye, were
burned to death Sunday night in house
in which they were sleeping. There
was no one in the building but the
men, and the origin of the fire is un-
known. The house was completely
consumed and the bodies burned so
badly that they were distinguished only
by the size of the bones. Kaiser was
a single man, but Taylor leaves a
family. Inquest was to have been held
yesterday, but was postponed until
Saturday. A great many witnesses
have been summoned.

A Handsome Home.
The residence of Mr John E Stormes,
which has been undergoing a complete
rebuilding, has been transformed into
not only a beauty, but a model for
convenience and comfort. A handsome
veranda adds materially to the exterior,
while the interior is as handsome and
complete as skilled workmen can make
it. The entire building will be heated
by steam, while a perfect system of
water works has been installed. The
Record congratulates Mr Stormes both
on his good judgement and public en-
terprise. There are other residences
in Lancaster which could be greatly
improved at a small outlay.

Ministers Assigned.
At the annual Conference, held in
Winchester last week, Rev J H Wil-
liams was assigned to the Lancaster
church, and the present pastor, Rev
B M Nelson sent to a church in the
southern part of the state. Rev F D
Palmer is assigned to the Preachers-
ville church, Rev W D Wilbur to Bry-
antsville and Burgin. Rev C H Greer,
formerly of this city is made Mission-
ary in Cuba and Rev F M Hill Con-
ference Missionary Evangelist. Dr
E H Pearce, upon the unanimous re-
quest of the members, is returned to
the Danville church.

The Hemp Crop.
The hemp crop, which is now being
cut, is decidedly better than last
year, both as to acreage and quality.
The yield will be heavy with the result
that farmers are jubilant, most of
whom sold their crops at from \$6 00 to
\$6.25 per 112 pounds. This price,
which is prevailing is the best paid for
Kentucky hemp in 20 years. Most
farmers are using machines for cutting
while others are paying from \$3.50 to
\$4.00 per acre to have their crops cut
by hand. Some fields are slightly
damaged by rape the wet weather con-
tributing to the growth of the trouble-
some weed. . . . Mr Earl Ferguson re-
turned recently from a ride of 92 miles
through Bourbon, Nicholas, Robinson
and Mason counties, where he bought
125 head of stock hogs. Mr Ferguson,
who has 60 head of feeding cattle has
recently added 36 more to the bunch
and will feed the entire lot for the
Christmas market. The stock hogs
cost 6 cents per pound.—Bourbon
News.

nati Sunday.

B G Fox tells us he has bought a-
bout 500 mule colts to date, and wants
all he can get.

buy 100 mule colts, and 100 horse colts.
B G Fox.

Sale of Farm.
Hughes & Swinebroad, assisted Mr.
T L Yantis in the sale of his farm,
near town, to Mr. T S Hendren, of
Madison. The place contains 200
acres, and the price was \$32.50 per
acre.

Another Farm Sold.
Rue & Currey, real estate agents of
Harrodsburg, sold, Monday, for Wil-
liam Clark, his farm of 375 acres to J.
Fleec Robinson, price \$16,000. The
land lies near the Lexington pike.

Sim Slaughter farm, situated about
five miles from Danville on the coun-
ty road that connects the Lexington
and Lancaster pikes, was sold Saturday
to Mr. Humphrey Hudson for \$18,000
cash. Mr. Hudson will run the farm
but will reside in Danville.—Advocate

Obey Health Officers.
The number of cases of typhoid fever
is greater than it ought to be. But it
does seem that many people do not
care to observe the common rules of
health, or to obey the instructions of
the health officers. More attention
should be given to so vital matters.

Good For Lancaster Boy.
Danville News.—It is currently re-
ported that Mr Edward Doty, of Lan-
caster, will be Private Secretary to
Hon Harvey Helm, our next Congress-
man. Mr Doty is a fine young mar-
and has done valiant services for the
Democratic party.

Assistant Cashier Selected.
Mr. D A Thomas, of New Castle,
Kentucky, has been appointed assist-
ant cashier of the Garrard Bank &
Trust Co., and will begin his duties
when the new institution opens for
business. He has been cashier of the
bank at Middleburg, Kentucky, and
comes highly recommended for the
place.

Masonic Election.
At the annual election of officers of
Lancaster Chapter, No. 56, Royal
Arch Masons, the following were cho-
sen: W O Rigney, high priest; Louis
Landram, King; J H Kinnaird, Scribe;
J M Rothwell, C. H.; H V Bastin, P. S.;
S J W Sweeney, R A C; F P Frisbie,
3rd V; J Joseph, 2nd V; G C Farris,
1st V; J R Haselden, Treas., J Lewis
Gill, Secty, Gabe S Greenleaf, S.

Big Improvements at Hotel.
The Mason hotel is undergoing a
great many improvements and, when
finished, will be quite comfortable and
attractive. The entire building has
been overhauled by the carpenters,
while every room has been papered and
painted. A new floor in the office,
and extensive repairs in the dining
room also add to the place. Mr Gaines
gives the best service the markets af-
ford, and looks after his guests with
greatest care and attention.

Would Pay Well.
If some one with a little cash to
invest will build a lot of flats in Lan-
caster, they will prove to be the best
investment to be found in this section
of the country. Few people want
houses with a ten acre lot in front,
and property with modern conveniences
and no yards rents much quicker than
that with a small farm adjoining. If
some one will erect a building with
five or six suites of flats, and run a
first dining room in connection there-
with, he can get most any price asked.
There are several suitable lots near
the Public Square which can be
bought for a reasonable price, and
some party will have good thing if will
only erect a building of this kind.
Owing to scarcity of cooks, a great
many people are going to take their
meals at the hotels and boarding
houses this winter, and, if flats
were obtainable, they would give
up their residences altogether.

To Prevent Houseburn.
W. B. Hawkins, a prominent farmer
of Fayette county, and leader of the
Burley Tobacco Growers' Association,
has the following in the Lexington
Observer: "House burn, or rotten to-
bacco, is the worst of all tobacco.
How to prevent that is the question.
When the weather conditions are such
that the stalks get sticky, when the
mould gets in every thing in the house
when the air is heavy and still damp
and foggy, look out for houseburn.
Be very careful that no wet tobacco
is hung in the barn, and as soon as you
have any suspicions, even if it is begin-
ning to strut, it is time to be up and
doing by artificial means what the
north or west winds fail to do by nat-
ural means. My remedy is to get up
a dry current of air at once, and you
will be surprised how quickly it can be
done. Leave your barn open and fire.
Do not make one or two big fires, but
make twenty or thirty little fires all
over the barn floor not bigger than
your hat, made of charcoal or wood
that will burn with a blaze, you will
run the house burn out horse, foot and
dragon in twelve hours. Remember
an ounce of prevention is worth a
pound of cure."
