Did Not Close.

Usually when a legal holiday falls upon Sunday the following Monday is observed, however as the Monday following Christmas day was county court day, and the Monday following New Years day is always a busy one with our people, our banks ever ready to look after the convenience of their patrons, observed neither of these days but threw wide their doors as usual for the transaction of business.

Circuit Court.

The November term of the Garrard Circuit Court was closed on Saturday the 31st ult. The jury were dismissed at the close of the first three weeks, which is the usual length of the term but Judge Walker, for the accommodation of the attorneys and in order to clear the docket, held the court open thereby disposing of a great deal of equity business that otherwise would have had to wait until next term of court.

MR. W. F. CHAMP,

Cashier The Citizens National Bank of Lancaster, Kentucky.

It is currently reported that the Citizens National Bank will make some changes in the personnel of its officers at its next meeting to be held on next Tuesday.

Mr. C. D. Walker who has served that institution so well and so faithfully for twenty years will voluntarily retire and Mr. W. F. Champ will be connected with the bank as its cashier. However, it is understood that the present cashier, Mr. B. F. Hudson who is regarded as one of the best financiers in the state will become president, and as such will be in active charge of the officers of the institution, and all of the other officers will act under his supervision and direction. Mr. W. O. Rigney will remain in his present position and J. J. Walker Jr. will be the bookkeeper.

This will make a magnificent corps of officers for this progressive institution and assures its success. The new cashier, Mr. Champ, was born in Garrard county and has lived in the Paint Lick section all his life until he moved to Lancaster about one year ago; he was a successful merchant at Paint Lick and has had some experience in the People Bank at that place. He is popular, efficient and competent and his promotion is a deserved compliment, and we are sure he will prove equal to the occasion.

Judge L. L. Walker is holding Circuit court at Danville this week. The docket is very large.

The party who is said to have done the shooting was named Flannery. He made his escape in the darkness and the officers have as yet been unable to locate him.
