

Fashion Hints from the Bisechs Style Show

Latest Fashion tendencies as expressed in the Fall Styles

In general, the styles this season are more becoming than they have been for many a day, and are distinguished by graceful lines.

The new silhouette shows a tendency toward the normal waistline, and is given variety in the suits by the use of the cape coat and the moderately fitted coat, and by the many styles of skirts.

The suit coats this season are particularly interesting. They are longer than last season's models. The long tunic accentuates the length of the coat in many cases and gives the length of line so sought for this season.

Many skirts are made with tunics, either straight or plaited. The under or lower skirt is just wide enough to permit comfortable walking. The skirts are somewhat shorter, too.

A peculiar feature of the separate coat will be the cape-coat, developed in a variety of novel forms. All have the popular flare effect at the bottom.

Skirts show greater eccentricity than ever—the set-in ruffles is back again, together with variations of the kimono and cape effect.

In collars—the Gladstone and new Military collars are the most popular, and it's remarkable how well they have been developed in the heavier materials.

The Bisechs models on display at your store embody these new style features in a way wonderfully becoming, and not in the least extreme. Come in and stay as long as you like looking over these charming styles. We'll be glad to help you select the one that suits you best.

One of the most interesting and largely attended revivals ever held in this city closed Sunday night at the

Christian church, Evangelist Roy L. Brown, of Bellefontaine, Ohio terminating his series of discourses by a most able address on the "Progress of a Century" to a congregation that not only filled the main auditorium but overflowed into the annex of the building while many not able to find seats but stood at the doors and windows. The closing Bible service under the directorship of Elder Brown was unique in its every phase and was quite an innovation for the people of this section. An award was offered for the first pupil to reach Sunday School, the result being that an ambitious lad, William Embry, arrived an hour and a half before the opening exercises; an award was given for the oldest member of the church attending the Bible School, Mr. Thomas Anderson, 86 receiving that distinction as the oldest male member, and Mrs. William G. Anderson, 81, as the oldest woman present. A gift was also bestowed on the largest family in attendance, the prize going to Mr. and Mrs. John Oaks who with their 8 children including 2-year-old twins, comprise a family circle of 10; an award went to the youngest individual at Sunday School this being pinned upon the swaddling clothes of a 4-weeks-old infant, William Lear Lane. The number of accessions to the church was 67, and including the religious fervor and spiritual awakening generally engendered among the entire church membership, the revival is regarded as one of the most successful ever held by the Disciples of Christ at this place.

HUSTLING YOUNG MAN.

Mr. Leonard Miller of the Lancaster Record was here Monday soliciting ads for that good paper. The editor of The Messenger took "Len" in his office when he was a small boy, with one gallus and a sore toe. Young Miller was possessed of unfailing energy, plenty of good sense and the soul of a humor. As the result, he is today foreman on the Record, owns a handsome home and no man in Lancaster stands higher in the estimation of the people. This shows what honesty, good breeding and energy will accomplish.

POSTMASTER SMITH

To Leave Lexington Office Jan. 1st.

SPEECH OF HON. A. O. STANLEY TO BECOME VALUABLE CAMPAIGN DOCUMENT.

Friends of Congress A. O. Stanley were this week much gratified that President Wilson is so pleased with the speech he made in support of the Underwood emergency tax bill and that the administration has suggested that 275,000 copies of it to be printed and sent out over the country by the Democratic National Committee. Congressman Stanley has written to Democratic State Campaign Chairman Tom Rhea that he will come to Kentucky and make some speeches in behalf of Messrs Beckham and Camden. He expects to devote the last two weeks of this month to the campaign. It was reported in the east this week that Congressman Stanley at the expiration of his term March 4 next would enter into the practice of law in New York. This he promptly denied, saying that it is his intention to live in Kentucky. He did not say so, but a number of his friends are of the opinion that he will probably be a candidate for the Democratic nomination for Governor, while others think he may become a candidate for Attorney-General. This week there has been in circulation a report that one line-up may be Senator Johnson N. Camden for Governor, Thomas S. Rhea for Auditor, Claude B. Terrell, for Treasurer, A. O. Stanley for Attorney-General and Sherman Goodpaster for Secretary of State. Senator Camden, who came home to attend the funeral of his friend, Lucas Brodhead, of Versailles, has no expression to make on the rumor.—Cincinnati Enquirer.
