DON'T GO TO BED WITH COLD FEET

Says: "Often Brings On Attacks Of Acute Rheumatism."

An ounce of prevention is worth a pound of cure, and people who are subject to attacks of rheumatism should never go to bed with cold feet.
A whole lot is being said about taking salts and effervescent tablets for rheumatism and sciatica, but those who suffer sharp twinges and painful swollen joints need something powerful to overcome their piteous suffering.
Any broad-minded druggist will tell you that one-half teaspoonful of Rheumal taken once a day is driving more rheumatism out of afflicted people than all the salts on earth. Right in this neighborhood R. E. McRoberts and all druggists sell large quantities of it, and it's the surest and most inexpensive remedy—about 50¢ a bottle. 3-23-2t

NO LOOKING BACK IN LANCASTER

New Evidence Constantly Being Published.

Since the long succession of Lancaster reports were first published in the local press there has been no looking back. Lancaster evidence continues to pour in, and—better still—those whose reports were first published many years ago, verify all they said in a most hearty and unmistakable way. Read the experience of Mrs. C. T. Brummett, Crab Orchard, St., she says:
"My kidneys were out of order and I had pain through my back and kidneys. At times I was nervous. Doan's Kidney Pills made me feel much better and stronger in every way."
ON A LATER OCCASION, Mrs. Brummett said: "I cannot say too much in favor of Doan's Kidney Pills as a kidney and bladder medicine, for two boxes have cured me of that trouble."
Price 50¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Brummett has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. 3-23-2t.
