

TO MR. JAMES H. IRELAND,

OF HANCOCK COUNTY, THREE LIVES ARE INCREASED BY THE WRITER.

A hundred and one years! a wondrous time For God to lengthen out the brittle thread of life.

How much of joy and sorrow thou must have known In all these years of peace, and toil, and strife.

Of years allotted in this life to man Three lives, by these, have now been passed And, on the fourth, thou still art journeying on Unmindful of life's chill and bitter blast.

Methinks thy memory often wanders back To, when a child, beside thy mother's knee She taught thy childish lips to lip a prayer To Him who died to set thy spirit free.

On and on, through all these years Thou hast been upheld by God's untiring hand, And yet He'll give thee strength to travel on Until you reach the Heavenly golden strand.

And then, I know, His voice you'll hear Ring out through Heaven's vaulted dome: "Welcome, thou good and faithful one, Enter into the joy of thy Eternal Home."

(Written by Mrs. Rachel B. Lay, for the BRECKENRIDGE NEWS, JANUARY 20, 1899.)

Pension Claims. Up to date practically 5,000 pension claims have been filed as the result of the Spanish war, and the total is being swelled every day. Application papers are going in at the rate of 100 per day, and it is expected that as soon as the War Department makes additional discharges of volunteer troops the claims will pile up higher yet.

Beauty is Blood Deep. Clean blood means a clean skin. No beauty without it. Cascarets, Candy Cathartic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body.

La Grippe Successfully Treated. "I have just recovered from the second attack of la grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack."

Will Make no Change. It is said to have been practically decided to make no change in the war revenue law so long as there is any trouble in the Philippines. The expense of the army there, the outfit for the increased navy and other accessories of the imperialistic program will, it is figured, easily consume the \$100,000,000 which the tax is now yielding annually.

A Good Idea. The Greeks have decided to exclude all bachelors from their parliament. They reason that an unmarried man has no stake in the commonwealth and that if he is represented he really should expect nothing further.

DR. BELL'S PINE TAR HONEY. Ring out the old Ring in the new. Ring out the false Ring in the true. We bring to you the new and true from the piney forests of Norway. DR. BELL'S Pine-Tar-Honey. Nature's most natural remedy, improved by science to a Pleasant, Permanent, Positive Cure for coughs, colds and all inflamed surfaces of the Lungs and Bronchial Tubes.

The Government December crop bulletin for Kentucky says: "Winter wheat was injured to some extent by the cold spell about the 14th. The first reports indicated that the damage was quite serious, but it appears to have been overestimated. It is not probable that the damage will be sufficient to seriously affect the crop as a whole, though some fields have suffered severely."

The exporting of corn to Europe and other foreign ports from Texas is becoming an immense business. More than 1,500,000 bushels have been loaded into steamers at Galveston within the last two months, and over 98 per cent. of this corn was grown in Texas.

Says the Elizabethtown News: Mrs. W. R. Thomas, of near Glendale, is another one of our thrifty farmers wives. She always holds up her end of the line and is an example to the county what an industrious and sensible woman can do.

How to Prevent Pneumonia. You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used.

Vermont's New Senator. Hon. Jonathan Ross, Chief Justice of the Supreme Court of Vermont, who was appointed by the Governor to succeed the late Justin S. Morrill in the United States Senate, was sworn in on Monday.

He Fooled the Surgeons. All doctors told Benick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the world. 25 cents a box. FRANK P. WITT. "GRANDIN, Mo., July 5, 1898. Dr. M. E. FERRIS, Fredonia, N. Y. Dear Sir— I was run down, tired out, had no appetite, poor sleep, dizzy, dull, and had constant headache. The first relief I got was from your Blood and Liver Remedy and Nerve Tonic. One bottle brought a complete cure. I was thus able to recommend it, and I have since sold a great deal. The last bottle I sold cured a woman of palpitation of the heart and chronic inflammation of neck of bladder. She had "smothering spells" from her heart and had to get up many times at a night. The one bottle cured her completely of the disease. I never knew this medicine to fail wherever it was used."
