

LEADERS CHOSEN.

Chicago, June 23.—Without a dissenting voice, Theodore Roosevelt, of New York, and Charles W. Fairbanks, of Indiana, were this afternoon nominated for President and Vice President of the United States by the National Republican Convention. In the case of Mr. Roosevelt the roll of states was called, but when the vice presidential nominating speeches had been concluded the roll was dispensed with and the nomination announced by acclamation.

Give Thanks Unto Durbin.

Convention Hall, Chicago, June 23.—The members of the Kentucky delegation this morning called on Gov. William T. Durbin, of Indiana, at the Auditorium Annex today their respects and as a testimonial of their appreciation of Gov. Durbin's attitude in upholding former Gov. Mount's decision in refusing to honor Gov. Beckham's requisition for former Gov. Wm. S. Taylor.

Leslie Combs voiced the sentiment of the delegation in thanking Gov. Durbin for his kindness to W. S. Taylor and Charles Finley. A short speech was made by John W. Lewis, mentioning no names, but assuring the Indianan of the friendship and regard of the Kentuckians.

The delegation then paid its respects to Senator Fairbanks, the Senator assuring the thirty Kentuckians of his appreciation of their support.

Notification on July 27.

Convention Hall, Chicago, June 23.—The formal notification of President Roosevelt of his nomination will be made on July 27 at Oyster Bay. Speaker Cannon will be chairman of the Notification Committee.

The notification of Senator Fairbanks will occur a week later at Indianapolis. Former Secretary Root will be chairman of the Vice Presidential Notification Committee.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery Consumption Cough and Cold to be unequalled. A recent expression from T. J. McFarland, Bentonville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me. Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Short & Haynes, Druggists. Trial bottles free, regular sizes 50c, and \$1.00.

Kentuckians in Mississippi.

Jackson, Miss., June 22.—Governor Beckham, of Kentucky, and party arrived in the city this morning in a special car at 10 o'clock. They were met by Governor Vardaman, Secretary of State Joe Power, Attorney General Wirt Adams, who compose the Mississippi capitol Commission and were driven in carriages to the new state house. They carefully went over the new building, inspecting every room and the arrangement of every department. Governor Beckham expressed himself as being well pleased with Mississippi's new building. He thought it was a splendid model. The ladies of the party were also shown over the building. At 1 o'clock they were driven to the mansion, where they were received by Governor Vardaman and his wife and entertained, a delightful dinner being served. They leave tonight for New Orleans.

For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co., of Chicago, to discover how to combine the virtues of Witch Hazel with other anti-septics, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold by all druggists.

The Shortest Twilight.

The period of twilight shortens toward the equator and lengthens toward the poles. In other words, the less the thickness of the air through which the rays of the setting sun have to pass the sooner darkness comes. From this it naturally follows that the region of the shortest twilight is the one which is situated nearest to the equator and at the greatest elevation. These two conditions are combined in the region in which stands Quito, the capital of Ecuador. The plateau is 9,442 feet above the level of the sea. It is also surrounded by mountains, twenty peaks, eleven of which rise beyond the snow line, being visible from the streets of the city. Added to this, it is only fifteen miles south of the equator; hence it has a shorter twilight than any other spot on the equator partly because of the elevation and partly because the western mountains intercept the rays of the setting sun and so cause darkness to follow daylight with greater rapidity than at any other spot on earth.
