Ayer's Hair Vigor. Sometimes the hair is not properly nourished. It suffers for food, starves. Then it falls out, turns prematurely gray. Ayer's Hair Vigor is a hair food. It feeds, nourishes. The hair stops falling, grows long and heavy, and all dandruff disappears. My hair was coming out terribly. I was almost afraid to comb it. But Ayer's Hair Vigor promptly stopped the falling, and also restored the natural color. Mrs. E. G. K. Ward, Landing, N. J. \$1.00 a bottle. J. C. Ayer & Co., Lowell, Mass. for Poor Hair

ECZEMA ON LITTLE GIRL

Sleepless Nights for Mother and Awful Suffering of Child.

CURED BY CUTICURA

Had Given up All Hope of Ever Making Any Cure.

Mrs. I. B. Jones, Addington, Ind. T., writes: "My little girl had been suffering for two years from eczema, and during that time I could not get a night's sleep, as her ailment was very severe. I had tried so many remedies and spent so much money, deriving no benefit, I had given up all hope of making any cure. As a last resort I was persuaded to try Cuticura, and to my great delight a marked change was manifested from the first application. I gave the child a bath with Cuticura Soap, using a soft piece of muslin cloth. This I did twice a day, each time following with Cuticura Ointment, and at the same time gave the Resolvent, according to directions. One box of Ointment and two bottles of the Resolvent, together with the Soap, effected a permanent cure. I submit this for publication, hoping it will assist other sufferers in curing themselves."

COMPLETE TREATMENT Consisting of Cuticura Soap Ointment and Pills.

The first step in the treatment of chronic Eczema is to remove the scales and crusts and soften the skin, by warm baths with Cuticura Soap. "Home Coming Week."

Did you know that the last census shows that there are over six hundred thousand Kentuckians living in other states?

Well, it's a fact! How many of these former Kentuckians do you know? The Commercial Club of Louisville wants the names of as many of these as it is possible to get. It desires to extend invitations to every Kentuckian who has moved away to come back next spring and attend the "Home Coming Week" festivities at Louisville.

Plans are rapidly maturing for this great event. The Commercial Club hopes to make it a red-letter week on Kentucky's historical calendar. There will be "something doing" seven days and nights and then the crowd will disperse and go to different parts of the State to remain as long as the low railroad rates are in effect, as the arrangement made with the railroads will include a low rate to all points of Kentucky for "Home Coming Week" in Louisville.

If you have any friends or relatives who have moved to other States, please send the names and addresses at once to the Commercial Club, Louisville, Ky.

Attempt to Burn School Building.

An attempt was made last Wednesday night by unknown parties to burn the colored public school building. A quantity of new wool waste, saturated with oil, was ignited and thrown into the building through a broken window pane. Only part of the waste was consumed and just a small section of the floor burned, the small blaze started burning itself out. If the waste had been cotton, the school building would have been burned down, it is believed, and, owing to the proximity of other frame buildings, a big fire might have resulted.

Some men, it is said, slept in the building last summer, but a stop was put to this, at the beginning of school, by Geo. Adams, the principal, who fastened down a window through which they gained entrance. There is opposition, it is said, to Adams and his wife, who compose the faculty, on the part of three negro families who do not send their children to the school, and these families and the men who slept in the building are under suspicion, it is reported.

The result of the attempt to burn the building was discovered Thursday morning.

Embryonic Tickets Only in Field.

It has been learned since mention was made in the News of a ticket, known as the Citizens' Ticket, for city council being in the field, that a number of the candidates on the ticket have refused to make the race. The petition for the ticket, with a large list of signers, has been filed with the county clerk. If other candidates are substituted for those who have not consented to make the race, it will be necessary to have the petition resigned.

From what can be learned of the local political situation, there are one or two embryonic tickets, the petitions for which have been only slightly circulated, and the opinion of a few voters as to their desirability is being secured before a wider circulation.

Wm. Lamb Dies in Nebraska.

The following is from the Blair (Neb.) Courier of August 23: "Uncle Billy" Lamb, as he was familiarly called, died at two o'clock Monday afternoon from heart trouble. He had been sick since May but did not go to bed until July 4th, since which time he gradually failed.

"He suffered a great deal and especially during the last week but the end came peacefully while he was asleep.

"The funeral was held at the Methodist church at one o'clock this afternoon. Rev. A. J. Markley officiating. The burial services was in charge of the Masonic lodge and the body was laid to rest in the family lot in the Rose Hill cemetery.

"Wm. Lamb was born near Richmond, Va., May 5, 1826, and was therefore past 79 years of age. His family moved to Breckenridge county, Ky., when he was a small boy and there he grew to manhood.

"On Oct. 4, 1848, he was married to Miss Martha Atkinson and all but two of the family of eleven children were born in that locality. In 1869 they came to Nebraska and settled on a farm out in the Rose Hill neighborhood, where they lived for twenty-three years, moving to this city in 1892.

"Seven children are now living, all in this county except the youngest, Chas. who lives in Gage, Okla. The others are: Henry, Mrs. James Ryan, Mrs. Andrew Allen, William, Mrs. W. T. Meador and Mrs. G. W. McCoy.

"Mr. Lamb was made a Mason in Breckenridge county, Ky., in 1853 and the funeral was conducted by that order. He was a member of the Presbyterian church in Kentucky but joined with the Methodist congregation at Rose Hill, and was not only a faithful attendant but a conscientious Christian gentleman.

"He was a steward in the church for many years and was one of the trustees of the local church at the time of his death. He was an exemplary citizen, kind, generous and obliging in all his relations to the public, and in his home no better husband and father ever lived.

"His kindly face and cheering manner will be greatly missed by all who knew him, and the Courier joins in extending heartfelt sympathy to the bereaved family."
