CASH IN ADVANCE

Or no Breckenridge News After Feb 1908.

The Breckenridge News has been in the land of existence a long time, over thirty-one years, and although schooled in experience, has never gotten too old to learn and has learned in the last two years that a cash-in-advance subscription system is the only way to do business. So we are going to use this system, it is not only best for us, but best for our subscribers.

After Wednesday, Feb. 5, 1908, we will not send out a copy of the News unless it is paid for in advance. This date is farther enough away to give all those who are behind in their subscription time enough to pay what they owe and a dollar more for the paper a year in advance.

This plan is no "respector of persons." It means everybody, relatives, friends, life-long subscribers and old chums.

If by Feb. 5, 1908, the label on your paper does not show that your subscription is paid in advance it will be stopped.

As soon as you have read this announcement, look at the date of the yellow label following your name. It is easy to tell by this how much you owe. If it reads Aug. 1, 1905, this shows you are paid up to that date. At \$1.00 a year you can tell how much you owe to Feb. 1908. Then if you desire the paper another year, add another dollar, if you do not you will not get it.

We realize that we have enough good payers to use this system and who prefer we would use it, so we are going to start the New Year right. And we are commencing early to get ready for the start.

We know the Breckenridge News will be better during the year of 1908 than it has ever been before, on account of this cash system. We have always been in love with our work, but we will love it better when we know we are getting paid for all of it.

So after Feb. 5, 1908, the Breckenridge News will not only be a splendid news sheet, but will be an up-to-date business newspaper.

MARCH 100 STRONG INTO CLOVERPORT

American Society of Equity Still At Work, And Is Treated With Highest Respect

BY THE TOBACCO COMPANIES.

Friday afternoon a procession of serious face men marched into Cloverport, some riding horse-back and some driving in buggies. They were Breckenridge and Hancock county members of the American Society of Equity and had come here to request the buyers of the tobacco companies to not buy any of this year's crop of tobacco. Escorted by some of the citizens of Cloverport they visited the factories and made their requests. The managers of both the American Tobacco Company and the John Phelon Company treated the farmers with the greatest courtesy and said they had already recalled their buyers. Mr. Phelon further stated that when he decided to send out buyers for his factory, he would inform the Society.

The farmers disbanded here, going to their homes in peace and good spirits. They have been very successful in their canvass of this county in getting the tobacco growers to sign the pledge and most of this year's crop of tobacco in Breckenridge, has been pooled.

FOR \$100,000.

R. Walker Balch Sued in Little Rock--Louisville Girl Alleges Breach of Promise--Defendant Well Known Here.

Little Rock, Ark., Nov. 9.—Florence Stone, of Louisville, today filed suit in federal court here for \$100,000 damages against R. Walker Balch, alleging breach of promise. Balch, who is a Little Rock insurance agent and a member of the state legislature, declares that it is an effort to secure money by blackmail.

Extracts from the many endearing letters are filed as evidence with the court, signed "Billie," which the plaintiff claims is a term of endearment used by Balch and which he asked her to call him. The letters also regret the enforced postponement of a marriage from time to time.

The plaintiff says Balch was to marry her on June 15, 1907, but asked a delay of two weeks. Balch was the author of the bill which would if passed, allow the old line insurance companies to return to the state.

Mr. Balch is well known in Cloverport. He married a Miss Vineyard, who was a sister of Mrs. Washington Holt and they resided on the Holt farm for several years.
