### IRVINGTON.

Miss Mary Brown, who has been spending the past two weeks in Owensboro the guest of Miss Clara Mattingly, has returned.

Last Tuesday evening Miss Ellen Munford entertained some of her friends most delightfully at her home. The guests played "Forty-two" progressively and Miss Essie Biggs was the lucky one receiving the highest number of points. Delicious refreshments were served after which those present dispersed to their homes after a most enjoyable evening.

Dr. L. B. Moreman spent Saturday in Hardinsburg.

A primary 42 has been organized among the younger set of girls of the town. Miss Grace Payne will entertain the club on next Saturday afternoon from 2 to 4.

Mr. and Mrs. Matt Payne and children have returned from Harned where they were the guests of relatives for a few days.

Mr. Junious Foote has been confined to his home for several days with grip and unable to be at his post of duty as mail carrier on route No. 2. His substitute, Mr. Everett Foote has been kept right busy.

Mr. James Jarrett, age 75 years, died at his home about eight o'clock last Saturday evening, of paralysis. He had been sick for a long time and bore his sufferings patiently. He had been unconscious for several hours before he died. He was a consistent member of the Presbyterian church from which the funeral was preached by Bro. E. W. Graves at nine o'clock on Monday morning. The interment was in the Cedar Hill cemetery. He is survived by his wife and two sons, Jim and George Jarrett living at this place.

Mr. A. O. Marshall, of Guston, spent Sunday in town.

Mr. and Mrs. Lonnie Rhodes, of Brandenburg, and Mr. and Mrs. Bert Cunningham, of Chenault, Ky. were visitors of Mr. and Mrs. W. B. Gordon for a few days last week.

Miss Lillian Stith has returned to her home in Guston, after being the guest of Miss Claudia Bandy.

Miss Nellie Smith expects to leave Thursday for Cloverport to be the guest of Miss Reba Lewis for several days.

Mrs. Frank Waggoner and children are visitors of relatives and friends in Cloverport this week.

Miss Ruth Miller will entertain her social club on Friday afternoon.

There was an unusually large attendance at the Quarterly meeting of the Methodist church Saturday and Sunday. Rev. A. P. Lyons preached two very interesting and spiritual sermons and splendid exercises were enjoyed throughout.

Miss Ada Stith, of Bewleyville, is spending this week the guest of her cousin, Miss Willa Drury.

Miss Blanch Payne, of Lodiburg, came Friday for a short visit to her sister, Mrs. Eld. Robertson.

Mrs. R. M. Jolly, Jr. left Sunday for an indefinite visit to her parents, Mr. and Mrs. White, at Webster.

Mrs. Nora Board entertained a number of friends to dinner Sunday in honor of her brother's forty-third birthday. The table was beautifully decorated in candles and flowers. Covers were laid for twelve.

Mrs. John Frakes is able to be out after a lingering spell of lagrippe.

I wish that I might talk with all sick ones about the actual cause of Stomach, Heart and Kidney ailments. To explain in person how weak Stomach nerves leads to Stomach weakness, I am sure would interest all. And it is the same with weak Hearts or weak Kidneys. This is why my prescription -- Dr. Shoop's Restorative -- so promptly reaches ailments of the Stomach, Heart and Kidneys. It is wrong to drug the Stomach or stimulate the Heart or Kidneys. These weak inside nerves simply need more strength. My restorative is the only prescription made expressly for the nerves. Next to seeing you personally, will be to mail you free, my new booklet entitled, "What To Do" I will also send samples of my Restorative as well. Write for the book today. It will surely interest you. Address Dr. Shoop, Box 8 Racine, Wis.

**PROMINENT HOSPITALS SAY**

# PE-RU-NA IS EFFICIENT

**IN RELIEVING ALL CATARRHAL DISEASES.**

**SISTERS OF THE GOOD SHEPHERD, MONTREAL.**

**HOSPITALS ALL OVER THE CONTINENT FIND PE-RU-NA VALUABLE IN TREATING ALL CATARRHAL DISEASES**

Montreal, Nov. 7, 1903.

**C**ATARRH of the respiratory organs is a common ailment in Canada for at least two-thirds of the year. This condition is no doubt caused by the long, severe winters experienced in this part of the continent.

Therefore, when Peruna was discovered by Canadian people to be a reliable remedy for these catarrhal diseases, it at once became a popular medicine, not only among individuals and in families, but in the great hospitals, where it was used as a preventative and relief in hundreds of cases.

These institutions do not hesitate to give their endorsement of the remedy which has been so helpful in the treatment of their poor and sick.

Among these institutions is that of the Sisters of Good Shepherd, who gave the following endorsement:

**The Peruna Company,**  
Columbus, Ohio,  
Having used Peruna for the past few months, for our sick and poor, we are happy to say that it has given us great satisfaction.

**The Sisters of the Good Shepherd,**  
August 20, 1903.  
Montreal.

After a continued use of the remedy, this institution has found no reason to change its good opinion of the remedy and expresses its satisfaction in the following terms:

experiencing much fatigue. Now I can walk a mile easily.

"Through these three cases we desire to make known to the public the efficiency of your remedy."

Hospital St. John, of St. Johns, Province of Quebec.

A later letter received from the same institution reads as follows:

"Three weeks ago I wrote to tell you how satisfactory we found Peruna. We recommend it highly for colds, coughs, catarrh and neuralgia.

"I have used it myself as a tonic with the best results, taken as directed, half a teaspoonful every half hour."

Mrs. Etta Booker, Dundurn, Sask., N. W. T., Canada, writes:

"I suffered with pelvic catarrh until I wrote to Dr. Hartman, and after taking treatment as he advised, I can say I am now cured of this most trying affliction, for which I am truly thankful. I think Peruna the best medicine for catarrh. I never felt better in my life than I do at present."

Peruna not only promptly relieves coughs and colds in their first stages, but is equally prompt and efficient for catarrhal diseases in the chronic stage.

Of course, it is only reasonable to suppose that a great deal less medicine will be necessary to cure a slight attack of catarrh than would be required to relieve the ailment after it had been allowed to become chronic.
