IF WOMEN ONLY KNEW

What A Heap Of Happiness It Would Bring To Cloverport Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys.

'Twould save much needless woe.

Doan's Kidney Pills cure sick kidneys.

Many residents of this vicinity endorse them.

Mrs. Lizzie Bartley, Main & Cross Sts., Elizabethtown, Ky., says: "I was a sufferer for over three years from pains across the small of my back, which were so severe after any exertion as to completely unfit me for work. My feet and ankles became badly swollen that I could not get on my shoes at times and it pained me severely to stand. I had intense headaches and was often so dizzy that I did not dare walk upon the street. The secretions from my kidneys were distressing in passage. My brother who had been cured of kidney trouble by Doan's Kidney Pills, advised me to give them a trial and I procured a box. They gave me great relief and I continued using them until the pains in my back disappeared, the secretions from my kidneys became natural and the soreness in my limbs left. I was soon a well woman and give Doan's Kidney Pills the credit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

A Bad Bargain.

Here is one of Tom Botkin's favorite "Arkansaw" stories:

"An old colonel down in the hills of Arkansas raised an immense lot of hogs and allowed them to run loose in the timber. They lived on mast and thrived—that is as Arkansas hogs thrive. There was an old-timer up in the hills who never raised any hogs but who always had meat. He never raised anything but dogs and children, and the old colonel knew that for ten years he had kept this whole household in meat; that the hill-billy had been killing his hogs regularly.

"Finally the colonel decided to run for some office, and as he had intimated pretty openly that the hill-billy was killing his hogs and that he knew it, there was some feeling between the two. He wanted the support of the man up in the hills, and went up to see him about it. He rode into the clearing where the shanty stood and called. The hill-billy appeared at the door.

"'Hello, Iige,' said the colonel.

"'Mornin'," said the colonel, "I am going to run for office and want your support. For the sake of the party we ought to patch our differences up and pull together. For the sake of the party, you know."

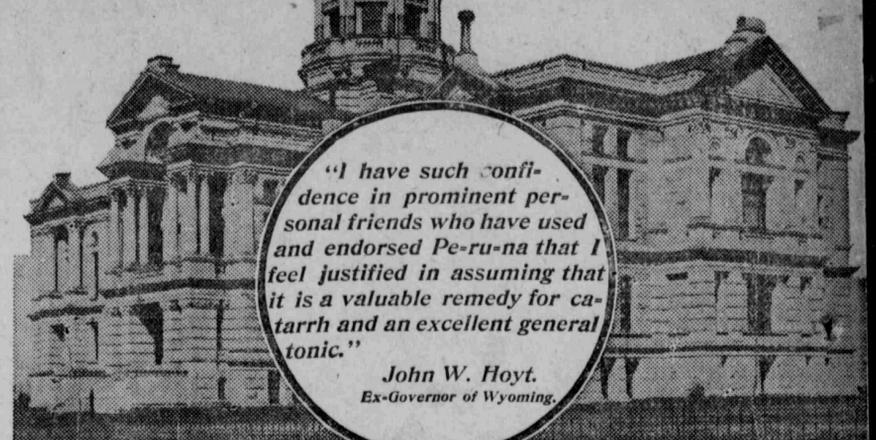

"'That's right,' said Iige.

Cough and Catarrh of Stomach.

Sergeant Arthur A. White, St. Catharines, Ont., writes:

"I have been a great sufferer with catarrh ever since the South African war, which I was all through.

"While our troops were camped around Paardeburg we had a hard time, hardly enough to eat. We had no water to drink, and were obliged to drink the dirty water in little mud puddles.

"I got run down and catarrh of the stomach set in, and ever since that march I seemed to go down in health, and the catarrh got worse. I had a bad cough.

"I tried almost every medicine sold for catarrh, but got no relief.

"An officer, a friend of mine, advised me to try Peruna. I did so, with very little faith that it would do me any good. To my surprise I got relief from the first bottle. I continued its use until I had taken six bottles in all.

"To-day I am a different man. The catarrh has entirely gone, and I am bet-

ter in my general health. In fact I was never better than I am to-day, and Peruna has done it all for me."

Col. Wm. Bailey.

William Bailey, 58 I St., N. E., Washington, D. C., Past Col. Enc. No. 69, Union Veteran Legion, and prominently identified with many of the great labor protective associations in Chicago and New York, and Secretary of one of the largest associations in the former city, had for nearly thirty years been afflicted with kidney trouble.

Within a short period he has been persuaded to try Peruna, and his present healthy condition is attributed to his judicious use of that great remedy. Washington climate is notoriously bad for kidney and liver troubles, yet by a judicious use of the remedy he is now quite cured and in excellent physical condition.

This brief statement of facts, without exaggeration or hyperbole, appears to tell the whole story, which the Peruna

Company is authorized to use, if it chooses, believing, as I do, that by so doing it will be for the general good.

Col. C. L. Patten.

Col. C. L. Patten, 509 T St., N. W., Washington, D. C., a Lieutenant in the Old Guard, an exclusive organization composed of soldiers of distinction who fought in the civil war, and a Thirty-second degree Mason, writes as follows:

"I have used Peruna and desire to recommend your remedy as an invigorating spring tonic; also one of the best remedies that I ever tried for coughs, colds and catarrhal complaints."

Hon. R. S. Ryan.

Hon. R. S. Ryan, now residing in Nome, Alaska, was formerly a member of the English House of Parliament, and Secretary to the late Irish patriot, Charles Stewart Parnell. His Washington address is New Willard Hotel.

"I have used Peruna and can recommend your remedy as a very effective cure for colds and catarrhal complaints."

Hon. Thomas Cale.

Hon. Thomas Cale, elected to Congress from Alaska, is well known on the Pacific slope, where he has resided. His Washington address is 1312 9th St., N. W., Washington, D. C. He writes: "I can cheerfully recommend Peruna as a very efficient remedy for coughs and colds."

From Miss Tula.

Dear Mr. Babbage:
Enclosed find \$1 for the Breckenridge News for the year. You and your readers should have been at the great camp meeting at Kingswood August 24 to Sept. 2, inclusive. It is rarely the privilege of this people to have in our midst such a man as Dr. Carradine, whom many place at the head in American pulpits. His insight into truth, his tender warning to sinners, his able expositions of the Scriptures, his zeal for God, his unveiling of monstrous evils were masterly in the extreme. Many souls will arise in that day and call him blessed and thank God

for this man and this most successful of the four Camps held at Kingswood. Rev. C. F. Wimberly did most effective afternoon preaching. There were a great many conversions and sanctifications. Christians were there from many quarters and many miles. Let us hope for a repetition next year with a larger attendance than this. Dr. Carradine promises to come to us again.

Tula C. Daniel.

Democrats Are Going To Win.

The Democrats are going to win in Breckenridge county, November 2 and win easily. We spent two days at the Hardinsburg fair and found that prospects for a sweeping victory for the Democratic ticket were never so bright. The Democrats have nominated a strong county ticket, and under the superb leadership of Tom Moore, the party is better organized than for many years. The Republicans on the other hand are heavily handicapped in the contest, both as to issues and candidates and the drift is undoubtedly towards Democracy. The disaffection among the Republicans is widespread and extends to all parts of the county. The recent "Steam Roller" convention held by Republicans has left sore spots that will not be healed for years to come, and the Dem-
