For Lame Back

An aching back is instantly relieved by an application of Sloan's Liniment.

This liniment takes the place of massage and is better than sticky plasters. It penetrates—without rubbing—through the skin and muscular tissue right to the bone, quickens the blood, relieves congestion, and gives permanent as well as temporary relief.

Here's the Proof. Mr. JAMES C. LEE, of 1100 9th St., S.E., Washington, D.C., writes: "Thirty years ago I fell from a scaffold and seriously injured my back. I suffered terribly at times; from the small of my back all around my stomach was just as if I had been beaten with a club. I used every plaster I could get with no relief. Sloan's Liniment took the pain right out, and I can now do as much ladder work as any man in the shop, thanks to Sloan's Liniment."

Sloan's Liniment

Mr. J. P. EVANS, of Mt. Airy, Ga., says: "After being afflicted for three years with rheumatism, I used Sloan's Liniment, and was cured sound and well, and am glad to say I haven't been troubled with rheumatism since. My leg was badly swollen from my hip to my knee. One-half a bottle took the pain and swelling out."

Sloan's Liniment has no equal as a remedy for Rheumatism, Neuralgia or any pain or stiffness in the muscles or joints. Prices, 25c., 50c. and \$1.00

Sloan's book on horses, cattle, sheep and poultry sent free. Address Dr. Earl S. Sloan, Boston, Mass., U.S.A.

We have made our resolution to double our business during 1910, and looking forward to that mark, we earnestly solicit your account, whether it be large or small we will appreciate and give it our very best attention. Interest paid on time deposits. If our methods please you, tell others, if not, tell us, and we will see to it, the fault, if ours, will be corrected.

EVERY FARMER
As well as every business man should have a bank account.
WHY?
Because: Your money is safer in the bank than anywhere else. Paying your bills by check is the simplest and most convenient method. Your check becomes a voucher for the debt it pays. It gives you a better standing with business men. Money in the bank strengthens your credit. A bank account teaches, helps and encourages you to save. This bank does all the bookkeeping. Your bank book is a record of your business.
