Stricken by paralysis a year ago and again ten days ago, Mrs. Sarah A. Roff, wife of Francis L. Roff, passed away this morning at 8:45 o'clock at the residence, 732 East Maple St. The end was expected, but nevertheless caused a shock of sorrow to relatives and many friends.

Twenty-eight years ago Mr. and Mrs. Roff came to this city and he has since been employed at the Howard shipyards as a general messenger and assistant about the office. He stands high in the confidence of Capt. E. J. Howard and others identified with the famous yards.

Mrs. Roff is survived by three brothers, Samuel Bryant, of Lawrence, Kas.; John and Abraham Bryant, of Jolly Station, Ky. There are two sisters, Mrs. Mollie Smith, widow of the late Spicer Smith, of Port Fulton, and Mrs. Margaret Dillinger, of New Albany. One foster son, James S. Hall, is an engineer on a Government dredge boat, stationed at St. Louis, Mo. There are a number of nieces and nephews here and in New Albany.

H. H. KEMPER

Was Elected President of The Citizens Bank of Minot, a New Organization Founded With \$50,000 Capital.

The organization of the Citizens Bank of Minot was completed this afternoon and this evening, the papers of incorporation will be sent to the Secretary of state.

The bank is organized with a capitalization of \$50,000, and the following is a list of the stockholders to date: Peter Ehr, H. H. Kemper, R. H. Bosard, A. M. Thompson, W. H. Reighart A. M. Hardaway, Henry Auslander, Geo. Ehr, Ferdinand Ehr, John Lynch, ail of Minot, and Ralph R. D. Ward and F. L. Mackle of Garrison.

Mr. Ward is an old time and very well to do horse rancher, who was born near Bismark. He is interested in the First National bank, of Garrison, largely. Mr. Mackle is a wealthy Garrison merchant.

The bank will be open for business sometime between Sept. 1 and 15, it is expected. The bank will occupy the Peter Ehr block at the corner of Main and Second streets, in the quarters now occupied by the Renwald Land agency which will take up quarters in the basement of that block.

The front of the building will be remodeled, and Mr. Kemper will leave within a day or two for the east where he will buy modern fixtures for the bank. The bank has secured a space 25x100 feet.

H. H. Kemper was elected president and Peter Ehr, vice president. The President, Mr. Kemper, has had many years' experience as a banker. Entering a bank as subclerk immediately after he finished school, he has remained in the business ever since, and has held every office up to and including president. For seven years prior to the first of April, he had charge of the First State Bank of Irvington, Ky. He learned of Minot through his brother-in-law, Dr. Hardaway, looked the field over carefully and decided that this was an excellent location for another banking institution. Mr. Kemper is a pleasing gentleman and as the head of the Citizens' Bank of Minot, he ought to make a splendid record. He has gathered about him some of the best known and strongest financiers in the city. Peter Ehr, who is slated for vice president, is one of the largest stockholders and he is rated as one of the wealthiest men in this part of the state. The other stockholders are all prominent business and professional men and the new bank will start off with the brightest prospects and the good will of everybody. There is an urgent demand for money throughout the northwest at the present time, and the bank will no doubt be able to do its share of the business.

BASE BALL

At last it ceased raining and those Pumpkin Rollers got to play a game on their own lot. They wish now that it had rained. The game was a rather burlesque affair in which the Pumpkin Rollers took the leading part. Fuchs and Winchell took the leading roles. Fuchs blew up after a few innings and Winchell was sent to the rescue and it was all that he could do to keep from availing. To make a long story short Lewisport, by fast all round ball play together with the twirling of Petrie, took the long end of a 10 to 5 score.

That Dispenser on the packet, Lizzie Bay certainly slipped one over on a bunch of Cloverport's "sports" Saturday night.

Irvington has sent out a challenge, Squelch 'em someone.

Anyhow, ignorance was bliss.

It has been so long since local fans have seen a good game that they would hardly know how to act if the boys should happen to have one

Wonder what happened to Rhodelia?

They can all "come back" to the barbecue.

Card of Thanks

We wish to thank our friends for the kindness shown us during the illness and death of our father, Mr. Byron Bandy.

Holding Revival

COLORED CHURCH

Going Up With Rapidity After Standing Still for 10 Years-- Started 20 Years Ago.

E. B. Williams, colored, leaves for Conference September 15, with a happy heart from the fact that the little Zion church in Eastland is now roofed and near completion.

This church was started twenty years ago and for ten years not a nail was driven in it. Two years ago its present pastor started to finish the building and is meeting with fair success. The colored people have worked hard on it, and have spent much time and money to finish their house of worship. They pay for every piece of material as they go along and do not owe a dollar. Their pastor hopes to have the church finished and furnished before another year.
