## BRECKENRIDGE FAIR ENJOYED BY MANY

Rain Did Not Interfere With Pleasant Times And Good Shows. Special Railroad Accommodations Given. Races Every Day. Old People Got Young And Rode The Merry-Go-Round

## FRIED CHICKEN, APPLE PIES

The president, A. T. Beard, and secretary, John S. Skillman, didn't let a little rain interfere with their business. They went right ahead, rain or shine, to pull off the fair. They deserve credit for their good work.

W. R. Hensley, master of trains, certainly gave the fair and the people a splendid service, both on the branch and the main line. Special from Cloverport Wednesday and Thursday and all trains stopped at the grounds. On Friday and Saturday No. 8 was held until 4:15 p. m. to give east bound passengers plenty of time at the fair and make connections at Irvington with east and west bound trains. Breckenridge county is blessed when it comes to good railroad service. No other county in the state has as good service and more accommodating railroad men.

There was one ring of mules—20 in all—that would show up with any county. Not one in the bunch worth less than \$250. This shows mighty good for Breckenridge.

Thursday was the banner day. Crowd was estimated at five to six thousand.

C. H. Drury won seven premiums out of eight shows. Premiums amounted to \$75.

Mat Shrewsbury says the most amusing incident he saw at the fair was his wife and Mrs. Wm. Hendricks riding on the merry-go-round. It was their first ride and they certainly enjoyed it, notwithstanding their age.

John Monarch says his neighbor, Mr. Baker, has the finest crop of corn he ever saw grown in Breckenridge county. Mesdames Calvin and Robert Hendrick and Dennis Miller served a beautiful dinner on the grounds.

Jas. W. Hendrick got the premium on the best Burley, 1912 crop.

G. A. Foote and son got first and second premium on wheat.

W. E. Houston and wife, of Louisville, were enjoying the fair and friends.

Mrs. B. W. Carter, Irvington, won the second premium on best pen, and second on best coop chickens in Plymouth Rock class.

Mrs. John Kennedy won first premium on cock and hen in Leghorn class.

Mrs. Thos. Donohue won all the first premiums in the Plymouth class, and first on best ten chickens any breed.

J. Frank Jolly says crops in his neighborhood are the best in years.

The show of fruits and vegetables was a credit to any county.

## OLDER CITIZENS ARE GONE.

Mrs. Joe Woolfolk, one of the pioneer women of Meade county, died at her home near Brandenburg last Saturday. She was in her eightieth year and leaves a large family. Her husband died about twenty-five years ago.

Anderson Wilson was accidentally killed at his home in McDaniels by a stray pistol shot, which went off in the hands of one of his friends. He leaves a wife and three children.

Rev. L. H. Voyles, well known in this county, died at his home in Fordsville last Thursday. He was fifty-nine years old.

Chas. Caspberg, an old and well-known citizen, of Meade county, is dead.

## Leave for Visit in New Mexico.

Mrs. H. C. Pate and son, Ruther, leave tonight for a two weeks' visit to their son, Raymond, in Raton, New Mexico.

## In Memory Of C. M. McGlothlin.

In as much as death has entered in and taken from us our esteemed friend and associate, Camillus M. McGlothlin, we, the directors and officers of The First State Bank, deem it fitting to offer the following resolutions:

First—Though we, in our human judgment, feel that this death is untimely, we are reminded thereby, that in the midst of life we are in death, yet we doubt not the wisdom of an Almighty providence, for we know full well that, He who rules the waves and holds the stars in place and yet takes note of the sparrow, can make no mistake.

Second—By this death we have sustained a loss which can not be easily repaired—we have suffered a wound which only time can heal, we have lost a true friend, a good citizen, a substantial business man, one who was ever generous and faithful to duty.

Third—that we extend to the bereaved family assurance of our sympathy, and tender to them our assistance as friends and business associates of the deceased.

Fourth—that we submit a copy of these resolutions for publication, and order a copy filed with our records, and one sent to the family of the deceased.

## Recruiting Station News

Officers Bishop and Mattingly are still here with their flags flying. They have a great many interesting experiences, last week it was told around town, that they were fattening up one fellow, who lacked two or three pounds in standing the examination. Under their jolly disposition the young man might get too "fat and sassy" for U. S.

Uncle Sam furnishes them four white duck suits a week is the reason the officers always look as though they had just stepped out of a bandbox.

Mr. Growell Powers, of Patesville, Ky., and Mr. James Hyde, of Tobinsport, Ind., enlisted at the local Recruiting Station and sent by the way of Louisville to Columbus, Ohio. There they will get their new uniforms and a few weeks training, then join their regiments maybe in Texas or the Philippine Islands, but wherever they go it will be an interesting experience and education to them for the next three years.

## EPWORTH LEAGUE RALLY AT HAWESVILLE

The Epworth league rally at the M. E. church on Thursday night was a pleasant affair, and was much enlivened because of the presence of a delegation of visitors from a similar league at Cloverport. President Wm. Patterson of the local

league presided, and the devotional exercises were conducted by Rev. E. F. Lewis of Cloverport, who spoke but briefly of the needs, purposes and history of the league. He said the first chapter was organized 23 years ago, and now there were 4,000 chapters and a membership of 160,000. Miss Martha Miller of the Cloverport league, read a paper on the Devotional Features. Mr. Eldred Babbage of the same organization read one on the Missionary Department, putting special emphasis on the winning of Cuba to southern Methodism, and Miss Ella Lee Nolte, also of Cloverport, read a paper on the League Finance. Miss Nolte is treasurer of the Cloverport league. Young Mr. Behen also delivered a timely talk of much interest to all. The singing by the Hawesville league, with Miss Laura Jackson at the organ, was especially pleasing, and, on the whole, the rally was a most pleasant affair.—Hawesville Clarion.

The Cloverport Leaguers had a delightful evening at Hawesville and were handsomely entertained after the meeting at the home of President Patterson.

## NEWSPAPER MEN

Entertained At The County Fair. Other Visitors Invited Guests To Great Dinners. Hospitality Of Kentucky The Greatest In Breckenridge

John D. Babbage was entertained to dinner at the fair with Mr. and Mrs. J. Frank McGary and their remarkable family of twelve. All of the children were present, one being married, who is Mrs. Tony King. She has one child, who is a great source of pride to the grand-parents. They had a fine dinner and the cordiality of this happy family made it all the more relishing to the editor.

Mrs. Taylor Beard entertained Judge Nicoles, Mr. Babbage, and the younger newspaper men to a sumptuous dinner the first day. The city reporters have been attending all the county fairs, and they said Breckenridge county was the only place that served home-cooked lunches.

## Bad Luck Second Time.

Seiby McCracken, Jr., fell from a chair and broke his right arm last Tuesday, being the second time his arm has been broken. He is one of the best thought of small boys in town.

## Col. Bennett Young Says Kentucky Is Sure For Wilson

Louisville, Ky., Aug. 17.—There are no Democrats in Kentucky so far as I know who are intending to vote for Roosevelt. Among the hundreds of people with whom I have discussed the results of the coming election I have never heard any Democrat say he would vote for Roosevelt.

On the other hand, many Republicans have declared that they propose to vote for Wilson and Marshall. In this city and state the majorities of Wilson and Marshall will, in my judgment, be unprecedented.

Bennett H. Young,  
Lawyer and Commander-in-Chief  
United Confederate Veterans.

## Quarterly Meeting.

The last quarterly meeting of the present conference year will be held at the Methodist church next Sunday morning. Rev. S. J. Thompson, presiding; Elder will preach at eleven o'clock and the sacrament of the Lord's supper will be administered. It is very much desired that every member attend this service and everyone else is cordially invited to hear Dr. Thompson.

## Comes Back Home.

Rev. J. Duggins and wife, who moved to Illinois last winter, returned to their home at Harned last Saturday. Bro. Duggins has fully recovered his health and says he will stay in old Breckenridge the balance of his days.

## Feeding Wheat To Hogs.

John Meador and Ben Clarkson, of Big Spring, lost all their wheat in the shock. Mr. Meador had 85 acres and Mr. Clarkson 175 acres. They turned their hogs on it.

## Resolutions Adopted By The Holy Name Society, Cloverport, Ky.

Whereas, the Rt. Rev. Bishop in his wisdom has seen fit to remove from our midst our beloved and devoted pastor, Father Brey, Be it Resolved:

That we do not permit Father Brey to leave us without giving expression to the love and admiration we have for him, and that it is with sincere regret that we surrender our claim upon him, who has been so kind and faithful to us for the last fifteen years.

That we testify with gratitude, to the interest he has taken in the Holy Name Society and the encouragement and inspiration he has given its members by word and example.

That we congratulate Holy Cross congregation on their good fortune in securing such an exemplary and efficient pastor.

That we tender Father Brey the assurance of our good wishes and prayers, that God may bless him abundantly in time and eternity.

That we send a copy of these resolutions to the Catholic Record and Breckenridge News for publication.

Signed Dr. H. J. Boone,  
Jas. M. Lewis,  
Julian Brown,  
Committee.

## Cousins Meet Again

Misses Alice and Sue Wash, of New Albany, were guests of Mr. and Mrs. Robert Mattingly last week. They had not seen their cousin, Mrs. Mattingly, since childhood, and visiting in her happy home was one of the most pleasant events they have ever experienced.

The American Bible Society, in its year just ended, issued Bibles to the number of 3,691,201. No other book ever began to reach such circulation. This number was an increase of 159,479 volumes over the previous year, and the total issues of 1911 were almost twice the issues of a year so recent as 1906. Of the vast issue last year more than half, or 1,853,845 volumes, were issued from mission and other presses in Turkey, Syria, China and Japan.

## C. B. Miller.

Another pleasant gentleman wearing a satisfied smile is C. B. Miller, who has been recently advanced by the Prison Board from the office of assistant Deputy Warden to the office of Deputy Warden, the first officer under Mr. Chilton.

Mr. Miller has served well and faithfully in the place assigned him the past four years and the advance given him by the new board is but a reward of merit and high recognition of his qualifications.

Mr. Miller is held in high recognition by the people of his home town, Hardinsburg and Breckenridge county and during the two years we have known him he has proven a loyal friend to the Herald, not only taking the paper himself, but sending it to friends. He is a courteous clever gentleman to whom we extend hearty congratulations on his appointment to the second place of responsibility at the prison—Lyon County Herald.

## The Game of Lacrosse.

The game known as lacrosse was originally played by the Canadian Indians, and from them adopted successively by the French and English settlers, and by them introduced to the United States. The object of the game is to drive the ball through goals situated at each end of the field. The players are usually twelve on a side. In 1867 the Lacrosse Association of Canada was formed, and an Indian team visited Great Britain, creating great excitement. The game is one of real importance in the English sporting world.

## A Human Sieve.

Binks—Why do you call him the human sieve? Jinks—Because everything he takes up falls through.—Cincinnati Enquirer.

The divided Republican party is like the boy "blowing against the wind." There will be a lot of bluster, but it will not take votes away from Wilson and Marshall.

Winning with Wilson means more than a mere Democratic victory; it means restoring real prosperity.

Wilson is the best equipped man nominated for the presidency since Lincoln.

George W. Perkins is sure a "bully" Progressive.

## POSTOFFICES WILL CLOSE ON SUNDAY

Movement Reaching All Over The Country—Started Two Years Ago—Postmaster At Colorado Springs Set The Example.

## HAS LITTLE OPPOSITION.

The movement for Sunday closing of the postoffices has reached such proportions as only to need a boost to make a minimum of Sunday work universal throughout the country. At present about 75 per cent. of our postoffices are cutting down work on that day. Some of these follow the so-called Toledo plan of keeping open an hour in the morning, to allow access to lock-boxes; others deliver mail through the carrier's window during this time. The sorting of mail, which formerly kept some 15,000 men employed on Sunday, is eliminated by both these classes.

The progress of the movement, which was started about two years ago by Ernest A. Eggers, a carrier in the New York postoffice, is in no small part due to the support of the churches, the Epworth League and the Christian Endeavor society. The postoffice department earlier showed itself in sympathy and local postmasters were instructed to use their own option in the matter of closing.

The postmaster of Colorado Springs set the example, followed in the fall of 1910 by the large postoffice at Detroit.

Since then the movement has spread rapidly and with little opposition. In the postoffice appropriation bill for 1910 the postmaster general inserted a clause providing that compensatory time off may be permitted during the week to clerks doing Sunday work. This he followed up by two successive circular letters to postmasters urging the discontinuance of Sunday work.

Not all postmasters have as yet responded to Mr. Hitchcock's suggestions, and the employees there supported the Kelly bill, which has passed the house and which limits the work of clerks and carries to eight hours, performed within ten hours on six days in the week. The law is of special importance to postoffice clerks, at present the only group of government civil service employees whose hours are totally unregulated by law—The Survey.

## Annual Louisville Methodist Conference Next Month.

Morganfield, Ky., Aug. 19.—The Louisville Methodist Episcopal Church South will hold its annual meeting at Morganfield, beginning September 25, and already the town is talking of the preparations necessary to entertain three hundred or more ministers and lay delegates. A great effort is being made to complete to \$7,000 annex to the Methodist church in order to give greater seating capacity as the principal meetings will of course be held there. Bishop Collins P. Donny, former professor of logic at Vanderbilt University, will preside. Rev. E. F. Goodson is pastor of the local church.

## PROF. CULTON

Prof. T. B. Culton, of Garrard county, has been elected principal of the Cloverport High School. Prof. Culton comes highly recommended.

## Must Stop Papers-- So Be Sure To Renew.

Mr. Babbage. Dear Sir: I am sending \$2 for my subscription and Mrs. Alice Weatherholt. It was through my neglect that I never renewed sooner. Please send me the back numbers July 31, Aug. 7, 14 and 21.

I remain, yours in friendship,  
Wm. Weatherholt.

## The Prize Cake.

Mrs. Calvin Hendrick got the premium at the county fair for the best cake. It was delicious and as pretty as a picture. Mrs. Hendrick was very generous with it and several, for the first time, got to sample the blue ribbon cake.
