At the regular meeting of the Directors of The Bank of Hardinsburg & Trust Co., held Monday, Miss Louise Moorman was elected as assistant cashier. This is quite a compliment for Miss Moorman, but one that she deserves. She has been connected with the bank for a number of years, and has proven herself to be very competent in ever respect. She has the honor of filling a place of more responsibility than any lady in the State of Kentucky, as The Bank of Hardinsburg & Trust Co. is the largest Bank and Trust Company in any Sixth Class town in the State of Kentucky.

Just the Right Present.

Don't take chances in the matter of Christmas presents. You don't want yours, like so many others, to be received with indifference or worse, and ten days after Christmas to be cast aside and forgotten.

You take no such chance in giving The Youth's Companion for a year.

Did you ever know of a home in which it came amiss, or of one in which it was not conspicuous on the library table or in some one's hands all through the year?

It is worth while to make a gift of that sort, and it is worth while to receive it, too, for The Companion illustrates the best traits in American life in its stories and sketches, upholds the best standards in its articles and other contributions, and combines the practical and informing with the entertaining and blood-stirring.

If you do not know The Companion as it is today, let us send you one or two current issues free, that you may thoroughly test the paper's quality. We will send also the Forecast for 1916.

Every new subscriber who sends \$2 for the fifty-two weekly issues of 1916, will receive free all the issues for the rest of 1915, and The Companion Home Calendar for 1916.
