HUDSON MAXIM, international authority on arms and ammunition makes an earnest, patriotic plea in THE BATTLE CRY OF PEACE. This call to arms against war touches the heart strings of your every emotion. It appeals to your sense of honor, your sense of duty as an American. It is an inspired revelation from the pen of J. Stuart Blackton and produced under his personal supervision. It is more than a picture. It is a great national propaganda which deals with the most important problem that has confronted this nation since the Civil War—the problem of unpreparedness.
