DR. FRYMIRE WAVES EXAMINING TRIAL

Is Held Without Bail—Will Remain in Daviess County Jail Until Trial in October.

Hawesville, Ky., June 23.—Through his attorney, J. D. Kelly, Dr. R. W. Frymire, of Floral, charged with killing Henry Schaefer at the Floral school house last Monday morning, waived an examining trial before Judge W. W. Taber, at his home, at 10 o'clock this morning. Judge Taber, who has been ill for several days, was unable to go to the courthouse and the proceedings were held at his residence in the presence of County Attorney Parsons, J. L. Kelley, T. B. Frymire, son of the defendant, and others. Frymire was held over without bail to the Hancock Circuit Court, which convenes in October. The order recites that Frymire is to remain in the Daviess county jail until it is deemed prudent to have him returned to the jail of Hancock county.

The proceedings wherein Frymire waived examination were very quietly conducted. In fact, very few knew of it until it was concluded. Arrangements for the trial were made Wednesday afternoon, but in some manner it leaked out at the funeral of Schaefer and telephone calls from people throughout the county came in numbers seeking to confirm the report. It was denied that there was to be any proceeding at all and in this manner the large crowd that would have stampeded the courthouse was kept away.

Confined to His Home.

Mr. J. C. Nolte was confined to his home several days last week on account of a lame foot. We are glad to report that he is able to be out again.

KENTUCKIANS ARE CALLED TO COLORS

"The State Capitol, Frankfort, Ky., June 22, 1916
"In the hour of stress and of peril, Kentuckians have immemorially been the first to enter the breach. The Commander-in-Chief of the armies and navies of the United States has issued a call to the colors and Kentuckians of this generation will prove worthy of the proudest traditions of their martial sires. I hope to see the battalions of this Commonwealth among the first in line of duty and, if need be, in line of battle. The National Guard in Kentucky can not report for actual service until every company has been recruited to full strength. It is the duty of patriots everywhere, who are eligible to this service, to volunteer without delay."
"(Signed) A. O. STANLEY, Governor."
