ARE YOU?

Just a soldier in the trenches
Waiting for the word to begin
Up—and over—and running—
He's not going to stop! Are you?
Just a sailor, steady toward meary.
Well and good, he still guides true
Toss, turn, his precious cargo.
He's not going to stop! Are you?
Just a Red Cross nurse and doctor
Doing all their skill can do,
Though the poor lives may look hopeless,
They're not going to stop! Are you?
Just a patriot beating drums
Hoping to put the first beam through,
Welcome to a fourth with gladness,
He's not going to stop! Are you?

Do You Think There is No Competition?

If anyone thinks there is no competition amongst the big packers he ought to go through a day's work with Swift & Company.

Let him begin at the pens when the live stock comes in; let him try to buy a nice bunch of fat steers quietly and at his own price without somebody's bidding against him.

Let him realize the scrupulous care taken at the plant that not one thing is lost or wasted in order that costs may be held to a minimum.

Let him go up into the office where market reports are coming in,—and reports of what other concerns are doing.

Let him watch the director of the Swift Refrigerator fleet, maneuvering it over the face of the country like a fleet of battleships at sea.

Let him take a trip with a Swift & Company salesman and try to sell a few orders of meat.

Let him stay at a branch house for an hour or two and see the retail meat dealers drive their bargains to the last penny as they shop around among the packers' branch houses, the wholesale dealers, and the local packing plants.

And then, when the day is over, let him have half an hour in the accounting department, where he can see for himself on what small profits the business is done. (Less than 4 cents on each dollar of sales.)

If he still thinks there is no competition in the meat business it will be because he wants to think so.

Doing Canteen Work.

In a recent number of the Louisville Daily Herald were pictures of Louisville women who were doing canteen work at the Union Station in that city. Among these women is one from Breckinridge county, Mrs. H. H. Kemper who has been made Lieutenant in the service and who is nobly doing her part in making a soldier's life happy. Mrs. Kemper is taking a course preparatory to going to France!

The canteen workers wear attractive uniforms in French blue and gray and their work consists mainly in preparing and serving the most appetizing lunches gratis to all the men in uniform who are in transit.
