Catarrh

The cause exists in the blood. In what causes inflammation of the mucous membrane.

It is therefore impossible to cure the disease by local applications.

It is positively dangerous to neglect it, because it always affects the stomach and deranges the general health, and is likely to develop into consumption.

Many have been radically and permanently cured by Hood's Sarsaparilla. It cleanses the blood and has a peculiar alterative and tonic effect. R. Long, California Junction, Iowa, writes: "I had contracted three years' long appetite and could not sleep. My head ached and I felt bad all over. I took Hood's Sarsaparilla and now have a good appetite, sleep well, and have no symptoms of catarrh."

A Mr. Turner committed suicide at Rander Tuesday night by taking morphine. He leaves several children, was about 60 years old. Dependancy seems the most logical reason for the act.

Mr. J. L. Klein, mother and little niece, have gone to Indiana to spend the winter. Mr. Klein was formerly foreman of the mechanical department of the Republican office. He has been succeeded by Mr. J. A. Anderson up to date printer.

We announce Mr. John Willis, Sulphur Springs, a candidate for the Republican nomination for Coroner. Mr. Willis has been a willing worker in the party ranks for a number of years and is well deserving the honor which he asks at the hands of his party. In the event of his nomination, Mr. Willis would be a winner in the final election.

Mr. B. L. Davis, Sulphur Springs, announces his candidacy for the Republican nomination for Coroner. In last issue Mr. Davis comes from one of the best families in the county. He is well qualified for the position.

Ex-County Judge, John P. Morton, announces himself a candidate for the office of County Attorney, subject to the action of the Republican party. Judge Morton is known to every man in the county. He was twice elected to the judgeship of the county and since his term of office expired he has been practicing law. He is so extensively known that it is not necessary for the Republican to give him further introduction than to say that he is a candidate.

Mr. Joseph T. Cox, Dundee, lays claim to the Republican nomination for Assessor, and with his rival candidates submits his case to the party at the primary. Mr. Cox is a young enthusiastic Republican. He is a son of Mr. Jas. Cox, Selma, and a nephew of Dr. L. T. Cox, Owensboro, who is

well known in the county. Mr. Cox is well qualified for the office and deserving the honor he seeks. Should the party call him into service at this time, it would call a worthy young man.

Mr. Logan Felix, of the Hamlin Chapel neighborhood, and Miss Mayme Bennett, of the Washington neighborhood, were married at the residence of the bride last Sunday week at 4 o'clock. Rev. W. T. Dent officiating. Attendants, Mr. Lloyd Holland, of the Washington neighborhood and Miss Ida Park, of Hartford. The bride and groom accompanied by the attendants, left immediately after the ceremony for the home of the groom, where a sumptuous repast awaited them.

Mr. Loyd Poole, of Fordsville, announces for the office of Jailor subject to the will of the Republican party at the primary. Mr. Poole hails from a country, everwhining in its belief in the principles of Republicanism and the fact that this section of country is the R. Republican, justifies the assertion that there is excellent political timber to be found therein. Mr. Poole has served his party long and faithfully in every campaign and he is justly entitled to recognition. His qualifications are unquestioned, his character above reproach and his event has become the party's candidate he will prove a worthy and efficient servant.

The name of Mr. John W. Simpson of Cayuga, will be found in the list of candidates for Jailor to day. Mr. Simpson has been in the service of the party in Ohio county for quite a number of years and as a compensation for these years of loyal service to the party's cause, he asks the Republicans of the county to make him the nominee to be voted for and elected to the office of Jailor, on the fifth day of next November. He is well qualified to discharge the duties of the office which he seeks, and should be the choice of the party at the primary he will prove an active, energetic and untiring servant in the ranks during the campaign of a year hence.

Mr. L. Berry Loney, of McHenry, announces for the Republican nomination for Assessor in this issue of the REPUBLICAN. No better man could be selected for the office of Assessor than Mr. Loney. He is a gentleman well qualified and deserving. He has been a teacher in the public schools of the county for twenty eight years and a faithful workman in the cause of Republicanism. He made the race for Justice of the Peace in the Rosine District in 1897 with odds against him and was only defeated by two votes. He has been a party Assessor under Mr. Rogers since his incumbency to that office and has proven himself a very capable Assessor, and given perfect satisfaction to his employe. In the event of Mr. Loney's nomination he will add strength to the party and would undoubtedly be our next Assessor.

Republicans.

I am profoundly thankful for the honor you did me in 1894 by electing me to the office of Clerk of the Ohio County Court, which position I held for a term of only three years, and as evidence of my high appreciation of the confidence thus reposed in me I did everything in my power to so discharge the duties of said office as to reflect honor and credit upon the party and the people which had favored me with their suffrage, and as all the Clerks who preceded me had been re-nominated, I came before you in 1897 asking an endorsement at your hands but you gave the nomination to the present incumbent, whose term of office is four years. Now I am bound to believe that you intend to make me an exception. I again come before you for an endorsement as an evidence of your appreciation and approval of the manner in which I, as your Clerk, discharged the duties of the office. If you believe that I am worthy of an endorsement—that I was a fit, faithful and efficient Clerk, then I appeal to you to give me your support and influence in the coming primary election. Very Respectfully, DAVID MCHENRY HOCKER.

In cases of catarrh Hood's Sarsaparilla cleanses the blood, builds up the system, expels impurities from the blood and cures.

Fell in Well and was Drowned.

Mrs. Perry Balge, of near McHenry, fell in a well Wednesday, head down, while attempting to draw water and crowded before the alarm was given by her little girl. The well had not been walled and was covered with rails. She was tripped by a treacherous rail which fell into the water, which was only about three feet deep. She dived a husband and two small children. Her remains were interred at the Beaver Dam cemetery yesterday.

How Are Your Nerves?

If they are weak and you feel nervous and easily "frustrated," can't sleep, and rise in the morning unrefreshed, your blood is poor. Strong nerves depend upon rich, nourishing blood. Hood's Sarsaparilla makes the nerves strong by enriching and vitalizing the blood. It gives sweet, refreshing sleep and completely cures nervous troubles. Begin taking it to day.

Nausea, indigestion are cured by Hood's Pills.

SULPHUR SPRINGS, KY.

Hauling off tobacco has been all the go for the past two weeks. Will Thomas, of Dundee, is buying tobacco.

N. V. Skaggs, of Dundee, who has been sick for sometime is improving. M. S. Ragland and Thomas H. Black, candidates, were in town Tuesday.

Measles is raging in this community. We are very glad to know that Mr. J. W. Stevens, of this place, has decided to make the race for the office of Jailor. Mr. Stevens is the oldest man in the race, except two, and has been a long and strong worker for the party and I am satisfied that if the voters of the county decide to make Mr. Stevens the nominee he will do all in his power for the entire ticket and will be elected without a single doubt. I am very glad to say that Sulphur Springs is solid for Mr. Stevens.

And again, Sulphur Springs is sure going for James DeWeese for Superintendent of Schools of Ohio county. H.

Ms. Edwin C. C. writes: "I was unable to walk across the house. Two weeks after I walked across the house. When my other child was born I suffered with labor pains, 24 hours and I was laid on a table because I could not get up. After using the Wine during pregnancy I gave birth to a healthy baby and I have plenty of milk. For this great improvement I thank the Wine of Cardui."

is an orphan boy, but a strong worker for his party, and the people throughout this section of the county are unanimously for Mr. DeWeese. Sulphur Springs is almost the home of one of the candidates for County Judge, but in spite of everything it seems that the majority are for Mr. Rogers. A VOTER.

OLATON, KY.

The people in this community are making ready for Xmas. The high waters at this place dammed the bridge considerably and it is said to be dangerous. The pound party at Brant Daniels, Saturday night, was a success in every respect. Mr. Bond shipped a car load of stock Monday night. Miss Mary Daniel has been visiting relatives in Owensboro the past week. Miss Anna Daniel went to Beaver Dam Monday. Mr. Charles Bruner and Miss Pinkie Dunan were married at the residence of Wm. McDaniel Tuesday night at seven o'clock. Mr. Bruner is one of Olaton's leading young men and Miss Dunan is the belle of the neighborhood. We wish for them a long and happy life, and may the future have in store for them everything that could be desired. Candidates are very numerous, of size around Olaton. We find by reading the columns of our paper that J. W. Stevens has announced himself as a candidate for Jailor. Mr. Stevens is one of Ohio county's best Republicans and has long good work for the party. I am very glad, indeed, to say that Mr. Stevens is one of the leading men in his section of the county. So count on boys on the second of February and vote for Mr. Stevens; also for James DeWeese for School Superintendent. U.S.L.R.

Consumption

is destruction of lung by a growing germ, precisely as mouldy cheese is destruction of cheese by a growing germ. If you kill the germ, you stop the consumption. You can or can't, according to when you begin. Take Scott's Emulsion of Cod Liver Oil: take a little at first.

It acts as a food; it is the easiest food. Seems not to be food; makes you hungry; eating is comfortable. You grow stronger. Take more, not too much; enough is as much as you like and agrees with you. Satisfy hunger with usual food; whatever you like and agrees with you. When you are strong again, have recovered your strength—the germs are dead; you have killed them. If you have not tried it, send for free sample, its agreeable taste will surprise you.
