

THE REMEDY FOR THE ILLS OF LIFE.

Yawn Acts as a Tonic to the Whole System.

According to current idea, yawning in good society is an improper sign of weariness; according to the teachings of physiology, it is a long-drawn forcible inspiration, followed by a shorter expiration; according to Dr. Naegeli, the great European physician, it is one of nature's many remedies, the proper application of which depends upon good judgment.

In yawning not only the muscles which move the lower jaw are used, but also the breathing muscles of the chest, and he who yawns in the proper way also raises and extends the arms. In the deepest inspiration the chest remains extended for a short time, the eyes are almost or entirely closed, the ears somewhat raised, the nostrils dilated. Inside the mouth the tongue round and arched, the palate stiffly stretched, and the uvula is raised, almost entirely closing the space between the nose and throat. At the beginning of the inspiration, cracking noise is heard in the ears, a proof that the duct leading to the hearing also succumbs to this stretching.

If the yawning has reached the deepest point, it will require from one to one and a half seconds for it to become noticeable to the hearing. To observe this, let one place himself at a sufficient distance from a clock, so that its ticking will not be easily heard, and yawn deeply. During this deep breathing the sound of the clock is not perceptible to the most careful listening. All this simply goes to show that yawning sets a number of muscles to work, and particularly those which are not subject to the will.

Although a person yawning does not, a yawn is very agreeable to the person yawning, for the stretching of muscles causes a feeling of comfort. It acts like massage, and is most natural gymnastics of the lungs imaginable. Dr. Naegeli, therefore, advises people not to concern themselves with so-called decency, but every morning and evening and as often as possible to exercise the lungs and all the muscles of respiration by yawning and stretching, as many chronic lung troubles may thus be prevented.

He orders the patient troubled with too much wax in the ears, accompanied with pain, to yawn often and deeply. He also, in cases of nasal catarrh, inflammation of the palate, sore throat and ear-ache, orders the patient, as often as possible during each day, to yawn from six to ten times successively, and immediately after to swallow. The result will be surprising. If one looks upon yawning as a natural massage for certain organs, he will reach a satisfactory explanation of its curative properties.

Huge Luminous Clock.

Experiments are being made at the Eiffel Tower with an immense luminous clock, which will be visible all over Paris. There will be no hands or dial, but the time will be marked by luminous figures, changing every minute.

He Fired the Stick.

"I have fired the walking-stick I've carried over 40 years on account of a sore that resisted every kind of treatment, until I tried Bucklen's Arnica Salve; that has healed the sore and made me a happy man," write John Garrett, of North Mills, N. C. Guaranteed for Piles, Burns, etc., by all druggists.

Resolutions of Respect.

The regular meeting of Rough River Lodge No. 110, K. of P., held at Castle Hall, in Hartford, Ky., on December 3rd, 1907, announcement was made of the death of Rev. Silas Newton. Whereupon the Chancellor Commander appointed a committee, which committee brought in the following report which was unanimously adopted.

Whereas, The officers and members of this lodge have learned with pain and regret that Rev. Silas Newton, a former townsman, a minister above reproach and a knight in good standing in this lodge was called on Thanksgiving day, Nov. 28th, from this lodge of Labor to a lodge of love—therefore be it Resolved, That the officers and members of this lodge, tender to his family our sympathy in their loss, and that we bear testimony to his sterling worth as a man to his faithfulness as a minister and to his loyalty as a knight of Pythias.

A Cure For Sciatica.

"Some years ago, while stooping over, I was taken with sciatica in my left hip, from which was laid up, helpless, for over six weeks," writes Julius Scott, of 10825 Columbia Avenue, Cleveland, Ohio. "I could not lie on my left side, and my left leg was swollen and became so much shorter that I had to have five lifts put on my left shoe.

"Every winter for a number of years I was laid up in this way, and suffered excruciating pain. I tried everything and at the consolation I got from people was that sciatica could not be cured.

"After trying everything else, as a last resort I got a dollar bottle of Sloan's Liniment and was amazed when I found that it gave me relief. I used a second bottle and the swelling went out of my leg and it was only necessary for me to use a part of the third bottle.

"Sloan's Liniment has certainly done wonders for me, and if you wish to refer to me you can do so."

WEAK HEARTS

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol For Dyspepsia

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. For indigestion, dyspepsia, sour stomach, inflammation of the mucous membranes lining the stomach and digestive tract, nervous dyspepsia and catarrh of the stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.
MRS. LORING NICHOLS, Penn Yan, N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol-Dyspepsia Cure for about four months and it cured me.

Spasms St. Vitus' Dance

Many persons who suffered untold agonies from epilepsy, fits, spasms, and St. Vitus' Dance are today well. The strengthening influence of Dr. Miles' Nerveine upon the shattered nerves having restored them to perfect health.

"I endured agony that words cannot express from St. Vitus' dance, which followed a very severe spell of rheumatism. I doctored with a physician, but the more I took of his medicine the worse I got. My mother's devotion saved me. After she had become almost heart-broken, as well as physically exhausted from constant care, by the advice of a neighbor she procured a bottle of Dr. Miles' Nerveine. From the first dose to the last a continual change for the better was noticeable, and when I had taken eleven bottles I was well, and in robust health."
EDWARD D. BEAM,
North Manchester, Indiana.

"Our little boy Harry, had spasms for three years, and although was doctored with many physicians, he continued to grow worse until he had ten spasms in one week. About that time our attention was called to Dr. Miles' Nerveine. We began giving it to him. His improvement seemed slow, but when he had finished the fourth bottle the spasms had disappeared, and have not been seen now for years. We shall always recommend Dr. Miles' Nerveine."
MRS. BELLE M. TINDALL,
Hastings, N.Y.

Dr. Miles' Nerveine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
