The First of the Season

In clothes is like the first of anything else—if it's good, it's apt to be a source of more than usual satisfaction, because it's first.

The first man who goes out of this store wearing one of our new suits or a pair of our new pants is sure to get a lot of pleasure in it. He will be better dressed than the men around him. He will have a distinction in style and fashion that's quite unusual.

Hart, Shaffner & Marx Have produced for us some of the most stunning creations we have ever had to offer our trade.

The new grays are exceptionally attractive, as well as the checks, plaids and stripes, and other pattern weaves.

We are ready to show you the new clothes for fall.

Suits, \$5 to \$30; Pants, \$1 to \$6; Youth's Suits, \$3.50 to \$10; Children's Suits, \$1 to \$9.
