

THE SOUTH KENTUCKIAN.

C. M. NEAGHAM, LOCAL EDITOR. HOPKINSVILLE, AUG. 19, 1879.

SOCIALITIES.

Joe Mulhatten is in town. Miss Emma Glass is at Cerulean this week. Mr. E. G. Callis returned Thursday from Sebree Springs.

HERE AND THERE.

No police news this week. Circuit Court is almost here. The public schools began yesterday. D. M. Frankel sells rubber stamps.

The Entertainment.

The entertainment given by the ladies of the Baptist church at Mozart Hall last Friday night, was, by the public pronounced a success.

Railroad Schedule Change.

On and after Sunday August 17th, a change in the running arrangement of passenger trains will take place on the E. H. & N. division of the Louisville & Great Southern Railroad Line.

A special train for the accommodation of all local points between Hopkinsville and Nashville will leave Hopkinsville at 5:05 A. M., arriving at Nashville at 10:20 P. M.

A slight shower fell here last Friday evening, but not enough to do much good.

Mr. Chas. H. Williams, of New York, Advertising agent for Giles' Liniment Iodide Ammonia, was in the city Monday and gave us a contract for advertising his Liniment.

CHURCH HILL.

Though business is dull, from the depression of money matters, our people are cheerful and looking forward to a better day.

Notwithstanding the very severe drought we are now passing through, we think a good soaking rain of twenty-four hours duration would at least insure a full crop of corn.

Never kick a man when he is down unless you are sure he can't get up, is healthy advice to our eastern foes.

We are sorry to announce the extreme illness of Mr. Robert Boyd. Hope he may recover.

The time appointed for the moonlight picnic at Mrs. Ford's draught neighbor.

The croquet party at Mr. T. Owen's Thursday afternoon last proved a very enjoyable affair. For the life of us, we don't see where the fun comes in, in the game.

Some of Poe Deo's boys are desirous of quarantining against some of our boys. "We'll sue" for entrance on "business," is now the saying around here.

Miss Ella Richardson a charming Trigg belle returned home Saturday after a brief visit to the family of Mr. Tom Baker.

Miss Emma Nance spent two days of last week with Mrs. Columbus Gregory.

Mr. Andrew Gregory has accepted a position with his brother in the prominent business in Hopkinsville. We hope him much success.

Miss Maggie Phipps is among the guests of Mr. Mary Ford this week. She is a very attractive young lady and has many admirers.

Abel Ford rides in an open top buggy just now, and says the girls don't fall out half so quick now as when he was a boy.

Mr. E. N. Riley, of Union county, Ky., State Agent for the patent wire fence is in this neighborhood canvassing and seems to be doing a good business.

For several weeks past some darkies have been sneaking in this neighborhood and damaging private property at night. They have been shot several times without effect, and a search is now being made for them by some of the citizens. It is to be hoped that they will be caught and dealt with according to the views of the leader of the band—Judge Lynch.

CERULEAN SPRINGS.

A good rain is badly needed, the dust is so thick that when it gets properly stirred up it is enough to strangle a bronchitic or an editor.

Prof. Bill Sharp says we are to have frost in three weeks.

Cerulean Springs is booming. The register shows over 800 names this season.

Hogs are busy at work on watermelon fields. It is about all they can do to keep our streets and mud holes clean. In order to do the work more thoroughly there should be a larger force of hogs engaged.

To that fellow who wants to know why it is that there is no more soldiers appointed to office: Is simply this, because the Republican party which is in power has no use for the soldier only as it can use him to advance the interests of that party's leaders. And those leaders, the majority of whom are cravens who remained at home and enjoyed all the comforts and pleasures, are now ready to go abroad to accept an office with rich emoluments, while the poor devil who perished his life upon the battle field is permitted to stay at home and pay taxes for the benefit of the national bankers and bondholders.

The Early Bird, manufactured at Lynchburg, Va., by Mr. Carroll is now superseding all other brands of smoking tobacco, and is sold at same price as Durham's and is three grades better. When it is remembered that Mr. Carroll holds the medals for manufacturing the best for smoking in the world, you will be eager to try Early Bird the best in the market. Address CARROLL'S EARLY BIRD TOBACCO WORKS, Lynchburg, Va.

OUR NEIGHBORS.

HOPKINS. A heavy gale of wind passed over this place last Wednesday, blowing down several shade trees in the city and taking one of the chimneys off the courthouse. The corn was also damaged to some extent.

H. J. Sizemore who was confined in jail in this place about six weeks ago, and who was fined \$500 for gambling with a "wheel of fortune" in the northern part of this county, made his escape last Saturday night by cutting through the front wall of the jail, and then lowering himself from the second story to the ground with his blanket.

German Tobacco Duties.

The following is the schedule of the new German tax on the imported and home products, in American currency. On imported tobacco the law went into effect on and after July 7, 1879:

On leaf tobacco and stems, 85 marks per 100 kilos, or about \$10.40 per 100 lbs.

On manufactured tobacco and cigars, 270 marks per 100 kilos, or about \$33.08 per 100 lbs.

On strips and scraps, 180 marks per 100 kilos, or about \$22.05 per 100 lbs.

On tobacco produced in Germany, the increased duty does not take effect until April 1, 1880, after which date it will be as follows:

From April 1, 1880, to March 31, 1881, 20 marks per 100 kilos, or \$2.45 per 100 lbs.

From April 1, 1881, to March 31, 1882, 30 marks per 100 kilos, or \$3.67 per 100 lbs.

From April 1, 1882, and thereafter, 45 marks per 100 kilos, or \$5.50 per 100 lbs.

Hope for the Afflicted.

RELIEF FOR THE SUFFERING! Dr. T. T. Bradford's CURE FOR Rheumatism, Gout and Neuralgia.

These painful diseases are relieved and cured when every other plan, liniment or lotion fails, by Dr. T. T. Bradford's famous Rheumatism Remedy. It is a simple, natural and powerful remedy, which acts on the system, and restores the system to its normal condition.

Senator Maxey, of Texas, has a rare homestead at Paris, in that State. The residence itself is large and handsome, and is embowered with royal oaks and many trees of small growth.

The Horace Greeley estate has had another windfall. A lot of wild land in West Virginia bought by Mr. Greeley for \$10,000 is now worth over \$40,000, that sum in cash having been offered for it and declined. This estate and the unexpected repayment of the loan to Cornelius Vanderbilt, Jr., will provide comfortably for Mr. Greeley's children. The New York Times observes that the worst investments of Mr. Greeley have turned out best, while his Virginia stock, which he depended on to support his children, has become worthless, not having paid a dividend for seven or eight years.

It now appears that on Sunday influential friends of Senator Conkling visited every newspaper office in New York and made frantic appeals to the editors to suppress the Sprague scandal. Only the World published an account of the disgraceful affair.

TOBACCO NEWS.

Home and Foreign. Our market was very firm and fell this week at advanced prices. Owing to the short crop prospects all over our district, and it is now generally supposed that the present growing crop will not exceed, and by many that it will not come up to, last year's crop, which was about five-eighths of an average. The crop is small and late and must assume considerable frost risk.

THIRTY FEET OF BOWELS. Reader, do you know that for thirty feet the bowels are lined with a soft and sensitive nerve? This surface is quite delicate and is constantly being irritated by the use of strong or violent purgatives. This irritates the bowels and causes them to contract, and by their contracting, they produce the disease known as Constipation. It is a dangerous disease, and one that should be treated with care. Dr. T. T. Bradford's Cathartic is a safe and reliable remedy for this disease. It acts on the bowels, and restores them to their normal condition. It is a simple, natural and powerful remedy, which acts on the system, and restores the system to its normal condition.
