

CREAM OF NEWS.

Burglary at Cerulean.

The Princeton Banner gives this interesting item of Trigg county news: "Last Thursday night the store of Pool Bros. & Co., at Cerulean was entered and about \$280 carried off. Of this amount \$100 belonged to Pool Bros. & Co.; \$60 in deposit for R. S. Lander; \$47 left in the care of Mr. Armstrong, a member of the firm, by Mr. Chas. Nabb to pay premium on a life insurance policy; about \$30 belonging to the town treasury and \$38 belonging to Mr. Pool. A young gentleman giving his name as J. D. Berry, who was in the town at the time peddling little cakes of a green crumbly soap, was detained until an investigation could be made. Nothing, however, was found against him and he was released. He was, however, immediately arrested by the town authorities on account of a disturbance he had created at church during services the night before and in the absence of the resident magistrate was tried before Judge Watkins, of Wallous, who fined him \$20 and 20 days in jail. At last accounts no clue to the safe blow had been obtained.

It Killed Them.

This rather sensational item is from the Princeton Banner: "Mr. B. F. Wood, living in the Cerulean Springs neighborhood, sent to Hopkinsville a prescription, which he got from an old medical work, and had it filled. His object, it seems, was to use it as a worm medicine for his children, and on getting it gave each of his three children, last Tuesday morning, a teaspoonful. As a result one of them died the same day—another Wednesday, and the remaining one, the oldest, is not expected to live."

Our Vigilant Police.

The saloons have been open ten days and already there has been a noticeable increase in drunkenness, but the efficiency of the present police force will be a guaranty of peace and order, no matter how much drinking there may be. All those who become boisterous are promptly arrested and so far not a single individual has succeeded in "painting the town red." During the whole of January and February there were but 7 arrests for drunkenness. So far this month there have been 11 arrests for the same offense.

His Skull Laid Bare.

Saturday morning last a railroad section boss named Tom Spry and one of his colored hands got into a dispute, near Casky, which resulted in Spry being badly if not fatally injured by being struck on the forehead with a rock in the hands of the colored man. Several other ugly scalp wounds were made. Chas. Bryant, who inflicted the injury was arrested and a trial held before Judge Winfree, which resulted in an acquittal on the grounds of self defense. Spry's wounds were pronounced by the physician of a very serious nature and his recovery is doubtful.

Railroad Kumbings.

Col. Montgomery, Superintendent of the O. V. road, was in the city yesterday inspecting the building on Second street, which will be used by the company for its offices in this city. The building has been thoroughly cleaned, papered and painted, and the O. V. people will have very nice quarters. Work on the road is being pushed and trains will be running beyond doubt within the next thirty days.—Evansville Courier.

He is Doing Better Now.

Several metropolitan dailies, that we could mention, are being imposed upon by a very unreliable correspondent at Hopkinsville, who gathers up the happenings of the surrounding country, for miles around, and after coloring them up to suit his fancy, palms them off on the papers he represents as news. The Hopkinsville papers should expose him.—Princeton Banner.

Under the terms of their agreement with Christian county, the Ohio Valley people must begin active work in constructing the extension of the O. V. road from this place to Hopkinsville, on or before the 16th of next month. Several routes have been surveyed and nothing remains but to locate the route and finish securing the right of way.—Princeton Banner.

A Fancy Price.

The highest price realized for tobacco this season, in this tobacco district, was obtained here last week. Ragdale, Cooper & Co. sold two hogheads for Joe Boyd, of Lafayette, for \$15 and \$12 respectively. Mr. W. A. Lowry was the purchaser.

Ayer's Cherry Pectoral possesses powerful healing qualities, which manifests themselves whenever this remedy is employed in colds, coughs, throat or lung troubles. Its anodyne and expectorant effects are promptly realized. It is a chemical success and a medical triumph.

A colored street performer who eats lamp chimneys, devours raw chickens, and drinks a whole pail of water, attracted large crowds last week. His compensation was whatever amounts he could realize from passing around a hat.

The retirement of Dr. Rodman will, after the expected promotions are made, make a vacancy in the position of Second assistant physician, which pays \$1,000 per annum, and already there are about half a dozen candidates for the position.

J. H. Crethers, the drummer arrested here some days ago, on a charge of stealing a bracelet from W. L. Neel, was released on a bond of \$200. He says the bracelet fell from the valise when he opened it and he intended to return it to the owner. It was worth about \$50.

Telephone: The following persons have united with the Methodist Church during the present protracted meeting: Misses Cora Garnett, Malie McNichols, Bobbie Watson, Edie Lawrence, Berta Lasceter, Ethel Dabney; Messrs Mat. McKinney, Thales Brandon, Jas. Wilkinson, Ben Wilson, Jeff Pool, Harry Sims, John Quick, Jr., Merrie Bacon, John Lawrence, John Bonnett and Albert Dabney.

For several years it has been the custom of the engineer on the accommodation train to blow a salute whenever he brought in a bridal couple. The return of many an eloping couple has been thus announced to the people of the city. Last Friday evening the 8:55 accommodation brought in four newly married couples and the salute blown was so loud and long that the whole city was aroused. Three of the couples were just married, and the fourth, a newly-married couple scarcely out of their honeymoon, joined the others at Guthrie.

We call attention to the card of the Sherwood House, Evansville. This house has been purchased by Mr. T. C. Bridwell, who was formerly Mayor of Evansville, and is well-known to many of our citizens. He is connected by marriage with Judge McCarrroll, of this city, and the fact that he is an old citizen of our State is a sufficient guaranty that his guests will receive the best attention. The house has been greatly improved in many respects and the table is first-class. Give him a call when visiting that city.
