

Hopkinsville Kentucky.

CHAS. M. MACHAM, Editor. FRIDAY, MAY 17, 1889.

Sam Small is dangerously ill at his home in Atlanta.

Vasco D. Brown has retired from the editorial management of the Adairville Times.

John Carter, an 18-year-old boy, has been sentenced to be hanged at Mayfield for murder.

Mrs. Mary E. Dickinson, mother of Anna Dickinson, the lecturer, died at Pittston, Pa., this week, aged 90 years.

Edward U. Forryce was appointed postmaster at Bowling Green, Tuesday, vice Elvin H. Porter, commission expired.

The Nashville American is authority for the statement that a force of hands is now at work on the O. V. side of Princeton.

W. H. Chatfield, of the well known paper house of Chatfield & Woods, Cincinnati, died suddenly while on a visit to New York Monday.

A sensation was created at Frankfort this week by a telegram from a San Francisco Sheriff asking for an accurate description of Jas. W. Tate.

Papers have been filed in 16 contested cases in the 51st Congress, most of them being by Republicans who were defeated but hope to be counted in.

Washington Irving Bishop, the mind reader, died at New York, Monday, of hysterical cataplexy while trying to read the mind of Clay M. Green, the dramatist.

The present king of the turf gets his name from the flourishing city of Spokane Falls, in Washington Territory. The western pronunciation of the word is "Spoke-ann."

Blackburn is to have two opponents in the senatorial race, one of them a neighbor. McCreary is evidently a candidate, which is the best thing that could happen for McKenzie.

Mrs. J. W. Wham, paymaster of the U. S. A., with his clerks and escort of eleven soldiers, was ambushed while traveling overland in Arizona and robbed of \$29,000. Eight of the soldiers were wounded.

The Bowling Green Times and Henderson News are informed that Jim McKennie is not a candidate for Governor, but is a candidate for Senator. This is a authoritative and ought to settle it. Now proceed to solidify.

The new civil service commissioners have all taken the oath of office. They are Chas. Lyman, Rep., of Connecticut; Theodore Roosevelt, Rep., of New York, and Hugh S. Thompson, Dem., of South Carolina.

Both North and South Dakota elected delegates Tuesday to the constitutional conventions July 4th. Under an agreement in both territories, the Democrats were given one-third of the delegates and there were no contests.

Geo. W. Petry, captain of Company G, Kentucky State Guards, died at his home at Shelbyville Monday, of pneumonia caused from exposure during the continental trip. He was a Confederate soldier and leaves a widow and two daughters.

David L. Gitt, a chief in the Pension department and a Republican who had been in the office for twenty years at a salary of \$2,000 was recently dismissed without warning. It has leaked out that his dismissal was ordered by the President because Gitt was in the habit of wakening Harrison's father-in-law, Dr. Scott, whenever the old gentleman went to sleep over his work.

Austin D. Hicks is now in Montreal, Canada, thoroughly repentant and wants to come back. As his shortage is much less than at first supposed, amounting to \$200 or \$300, the most sensible thing for the boy to do is to come home, profit by his experience and go to work and try to pay off his debts and retrieve his lost character. It is not likely that he has committed any crime for which he would be prosecuted.

The case of Mrs. Myra Clark Gaines against the city of New Orleans, begun in 1834, has for the tenth time been decided in the Supreme Court in favor of Mrs. Gaines' executors and judgment given for \$576,000 for the use of the property sold by the city and subsequently recovered by Mrs. Gaines. The plaintiff has long been dead but her grand-daughter and heir, Hattie Whitney, has still fought this branch of the case to its successful termination.

The great Proctor Knott has suffered another defeat, this time an ignominious one. In the Clark race at Louisville Tuesday he maintained the lead for the first three quarters and on the home stretch let Spokane pass him and beat him to the wire by two lengths and a half. The stakes were \$3,570 and the recovery of reputation and the Montana horse beat him fairly and squarely and wrested from him the honor of being "King of the Turf." The race ended with Knott second, Osoo Agalin third and Come to Taw fourth. Time 2:32 1/4, distance 1 1/4 miles.

Life of Rev. Steve Holcomb.

Rev. J. W. Edwin, pastor of the Methodist church of this city, is agent for the life of Steve Holcomb, the noted reformed gambler, of Louisville, who recently held a meeting here. Gross Alexander at present a professor in Vanderbilt University, under whose ministry Mr. Holcomb was converted and received into the church, is the author of the work. It also contains brief biographies of the more noted gamblers and drinkers converted by Mr. Holcomb. The book is a large handsome volume, at \$2.50; all the profit from the sale of it goes to the Holcomb Mission of Louisville, which to a noble institution. Parties desiring to see the book, or subscribe, can call on Mr. Lewis.

MATRIMONIAL.

Mc. J. T. Shaw, a young business man of Detroit, and Miss Woodie Venable, were married at Owensboro Tuesday.

The 16-year-old grand-daughter of Judge Strong, of Breathitt, eloped with a negro named Milton Richmond and the judge and party pursued them. About to be overtaken the negro fired at the judge, sending a bullet through his hand. The fire was returned and the negro fell, instantly killed, pierced by 14 bullets. After administering a good whipping to the girl she was taken home, where her father attempted to kill her, falling in which he shot himself in the scalp and has since had to be guarded to prevent him from committing suicide. The family is the best in the section and feels very deeply the disgrace the wayward girl has brought on them—Stanford Journal.

We the undersigned Democrats, and citizens of Christian county respectively of party, in the interest of good and honest government, hereby call upon our fellow citizen, Frank M. Pierce, Esq., to permit the use of his name in connection with the race for Representative of Christian county in the next Legislature:

McKnight, J. C. Gossett, James S. Taylor, R. C. Thacker, C. G. Coleman, R. M. Thacker, S. J. Ellis, W. T. Stuart, L. J. Purcell, W. E. Anglen, John T. Brame, R. W. Tack, J. E. Carter, F. M. Girard, John Southall, M. J. Cooper, R. S. Carter, J. C. Crews, J. R. Anderson, A. F. Frasier, J. T. Coleman, G. N. McGraw, T. L. McGee, Daniel Gant, col.

Fine Holsteins.

Mr. T. L. Graham, of Caskey, had on exhibition at the sale some of his fine Holstein cattle. Among those who were most admired were his yearling bull and a two-year-old heifer, described below:

Netherland Lanark, H. F. H. B., No. 10,398, was calved Apr. 26, 1888, sire Netherland Convoy, H. H. B., No. 2,934, the premium butter bull of the south, dam Cascedena, H. H. B., No. 7,209, record 21 lbs. 6 oz. butter in seven days. Netherland Lanark has a full sister with two-year-old record of 17 lbs. 12 oz. butter in seven days, so it will be seen from his breeding his standard as a butter bull is among the highest. Clarine Campbell, H. F. H. B., No. 7,413, calved Mar. 7, 1887, gave when her calf was three weeks old, 51 lbs. milk in one day, which was churned and made 1 lb. 14 oz. butter, running on grass with small feed of bran and oats, being 25 months and 27 days old when this test was made. Mr. N. B. Dudley, of Logan county, who is one of the best judges of dairy cattle we have, says she has one of the finest udders he ever saw.

\$100 REWARD. \$100.

The readers of the KENTUCKIAN will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength, by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggist, 70c.

SINKING FORK.

SINKING FORK, Ky., May 14, 1889. Crops are looking fine considering the dry weather. We had a little shower last Sunday that refreshed up things very much.

It is the general report all over the neighborhood that wheat and oats crops will be cut short.

BEVERLY.

Something About the Hail and Other Local Matters.

BEVERLY, May 15.—A severe and destructive hailstorm passed through this section on the 12th inst. The following farmers were the most damaged.

W. B. Mason about three hundred acres of wheat left headless, which would have yielded thirty bushels per acre before the hail.

P. A. Watkins had one hundred acres in corn, one half of which was beaten lifeless on the ground.

T. E. Bokers' wheat and other crops were almost ruined.

B. M. Hunt's crops damaged one fourth.

Geo. W. Cayce's wheat crop completely ruined.

A. H. Watkins suffered a small loss.

The hail fell in lumps as large as a hen egg. C. T. Mason's wheat crop was also considerably damaged. Mr. Mason has ordered a large quantity of beans and peas, which he will sow, after plowing the wheat straw under that was left after the hail.

Thos. Adams, Jr., is visiting relatives in Columbia, Tenn.

Crop Items—Short Tobacco Crop—Sickness—Schools—Social Items.

PEE DEE, Ky., May 15, 1889.—The weather is fine and the crops are growing rapidly since the rain, especially corn. There is some complaint of rust in the wheat, but it is mostly on the blade and will do it no serious damage unless it should reach the stalk.

There has been very little tobacco set this season. But few had their land ready, and the bugs have made the plants very scarce. Don't suppose there will be more than one third of a crop planted.

Mrs. James Rold has been very sick since Sunday last. Hope to hear of her recovery soon.

Mrs. Garland Jones and her daughter, Lucy, have also been very sick for several days.

The farmers will organize a Wheel here in the near future.

Messrs Davis & Willis have purchased a two horse delivery wagon, which will be a great advantage to their business, and customers can find anything they want, even when the sultry days of June will creep upon us. Ice will be served to those that wish to keep cool.

"Try Ayer's Pills"

For Rheumatism, Neuralgia, and Gout. Stephen Lansing, of Youngs Bay, N. Y., says: "Recommended as a cure for chronic Constipation, Ayer's Pills have relieved me from that trouble and also from Gout. If every victim of this disease would heed only three words of mine, I could banish Gout from the land. These words would be—'Try Ayer's Pills.'"

"By the use of Ayer's Pills alone, I cured myself permanently of rheumatism, which had afflicted me for several months. These Pills are at once harmless and effectual, and, I believe, would prove a relief in all cases of Rheumatism."

No medicine could have served me in better stead.—C. C. Cook, Corner, Arroyo Pariah, La.

"I have used Ayer's Pills for sixteen years, and I think they are the best Pills in the world. I've kept a box of them in the house all the time. They have cured me of sick headache and neuralgia. Since taking Ayer's Pills, I have been free from these complaints."

"I have derived great benefit from Ayer's Pills. Five years ago I was taken so ill with rheumatism that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills."—Peter Christensen, Milwaukee, Wis.
