The Warren county fair last week was a great success in the attendance as well as in the character of exhibits. The hop Friday night was the event of the week. The O. V. telegraph posts are about all in, but the line seems to be "getting there" as slowly as the new depots, which have been five weeks getting a start. Mr. E. F. Coyner has accepted a position with John Moayon, the Ninth street Merchant, and invites all his friends to call on him in his new quarters. A petition is being circulated asking the Council to pass a stock law, something the city has long needed, but which would cause a vast amount of kicking from those who pasture on the streets. Mr. Samuel Dillard has moved his family to the Hadesville neighborhood, where they will reside in future. Mr. Dillard has leased a fine farm in that section. W. E. Foulks has just received a full line of samples of fall suitings from Wauanmaker & Brown. Call and examine them. Office with Ducker & Underwood. In Crittenden county a farmer named Jones accuses his neighbor farmer, Willoughby, of stealing melons from his patch several times, and has filed suit for \$1,000 on each charge. The prosecution is thought to be malicious and will likely end by the plaintiff paying all costs. There will be an Alliance meeting at West's School House next Saturday the 17th inst. and the third party people are looking for either Pettitt or Bourland to come over and mix bad politics with the good principles of the Farmers' Alliance and to urge upon the members that they violate their obligations by letting the Alliance "interfere with their politics." Lilly White a mulatto convict in the penitentiary at Frankfort gave birth to a child a few days ago. She was sent for poisoning a whole family and her offspring is the result of a crime committed while in the Lexington jail as a ruse to escape the death penalty. Her condition was brought out at the trial. It has never been proven who was the other party to the novel defense. Cards are out announcing the approaching marriage of Mr. Gabe L. Campbell and Miss Jennie Alexander Lewis. The event will occur Thursday next, at the residence of Mrs. M. F. Alexander, the young lady's mother, two miles south of the city. The contracting parties are very popular in social circles of the city and have a host of friends who will join in congratulations. Mr. H. M. Bollinger has been admitted to the bar as a practicing attorney, having passed a most creditable examination. Mr. Bollinger is a graduate of the law department of Cumberland University, Lebanon, Tenn., and is a young man of extensive acquaintance, wide popularity and much promise. He will give special attention to the collection of claims. See his professional card, which appears elsewhere in this issue. Detective Harvey McCord has landed Wm. McClellan, col., in jail at Madisonville. McClellan is charged with shooting at a colored porter of an L. & N. through train at Nortonville on the night of Aug. 7. There is also another charge of house breaking pending against him. McClellan undertook to beat his way on the train after the burglary, and was "given away" by the porter. This enraged him and when he was put off the train he opened fire on him, without effect however. So far this has been a good year for fairs and encouraged by the promising outlook the directory of the Christian county Fair Company are making extra exertions to insure the success of the coming fair, Oct. 12. Larger premiums and more of them have been offered, especially in the agricultural department. The premium for best display of agricultural implements is \$50, for saddlery \$25 and other things in proportion. Hand-

**CREAM OF NEWS.**

**A Murderer Captured.** Bud Koeler, a murderer who has been at large nine years, was captured in Arkansas one day last week, and returned to Madisonville and placed behind the bars. Koeler killed Napoleon Adcock at Nobo, Hopkins county, in 1883. He was arrested at the time, but succeeded in making his escape and was not again heard from until Hopkins county officers were notified of his capture last week. He will be tried at the next term of Circuit Court. **Shot From Ambush.** Mr. J. B. Jones, who was formerly toll-gate keeper on the Hopkinsville and Clarksville pike, at the toll-gate near New Providence, was shot from ambush near Nashville last Wednesday night and instantly killed. He was toll-gate keeper on Nashville and Lebanon pike and was called out to collect toll from a passing wagon at 10 o'clock at night. As he returned to enter his house he was fired upon with the above result. The murderer was well known in this city. **Murdered by his Wife.** Thurston Hollingsworth, a colored Clarksville barber, was shot and mortally wounded by his wife last Wednesday night. The two were employed as waiters at the banquet given by Mr. J. G. Joseph in honor of the marriage of his niece Miss Ida Joseph. When they left for home Mr. Joseph gave them a bottle of wine. They reached home, and the supposition is they quarreled, when his wife picked up a shot gun and fired upon him. **A Fatal Accident.** Kentucky Telephone. News reaches us as we go to press that a most harrowing accident occurred near Cerulean Springs Tuesday evening. It seems a family by the name of Ladd and several others were on their way to a camp meeting, in a two-horse wagon and as they passed the dwelling of Thomas Wright, which is only a few yards from the O. V. railroad, the east-bound train frightened the horses which became unmanageable and ran away, overturning the vehicle and killing Mrs. Wm. Ladd instantly, besides injuring several others. **More Lawyers Licensed.** Four new lawyers have been licensed to practice at this term of court. Two of these are Mr. James Allensworth and Henry Bollinger, bright young men just entering upon the active duties of life, who will make themselves felt in the legal profession and at the same time strengthen the "young democracy" of the county. The other two are Representative Polk Canaler and Esq. T. C. Tinsley, both middle-aged gentlemen and Republican politicians of long standing, who have concluded late in life to enter upon the practice of the law. The bar now consists of 18 Democratic and 5 Republican attorneys. **Arrested a Tartar.** Chief Fritz arrested one T. H. Hightower, col., last Wednesday, on a charge of grand larceny. The charge was preferred by a daughter of Jack Campbell, col., of Empire, who claims she stole a silver watch from her. Hightower, when taken into custody, asked on what charge he had been detained. He was told and denied that he was the thief, but later on confessed. He drew a knife when approached by Mr. Fritz, but was ordered to hand same over, which he did. The watch has been returned to the owner and Hightower will serve a term for his act. He claims to be a very bad man, having shot and cut many men, and his body shows that "his men" were not idle while he was at his work. He has been gashed, hacked, stabbed and shot in many places and seems proud of his scars. He hails from Pennsylvania, but has traveled all over the United States and Canada. **FOR SALE.** My elegant family mare. Without exception the most reliable and gentle family animal in Hopkinsville. MISS LIZZIE EVANS.

**The Little Blacksmith.** "The Little Blacksmith," a Connecticut pastoral story, to be told in the street, pathetic way that wins so upon the average American audience will be at the attraction presented at the Opera House this evening. It will serve to again introduce to theatre-goers of this city that well known and ever popular little southerner, Miss Lizzie Evans, who will appear in a role well suited to her abilities, and will be supported by a company of more than the average performers. She will present in this piece a few novelties which have been highly received by all who have seen this production, and which she renders in her always graceful and artistic style. Many pleasing songs and dances will be given, and a highly entertaining production may be expected. **The True Laxative Principle.** Of the plants used in manufacturing the pleasant remedy, Syrup of Figs, has a permanently beneficial effect on the human system, while the cheap vegetable extracts and mineral solutions, usually sold as medicines, are permanently injurious. Being well informed you will use the true remedy only. Manufactured by the California Fig Syrup Co. Everybody buys Paragon Brand after a trial. The best meals on the market. The usual crowd went to Cerulean Sunday and reported a royal time upon their return. The Gunn boys have fairly excelled themselves this year and added new laurels to their reputation as model landrills. Until the crop is housed we may look for a slight halt in the excellent fall business already begun by the merchants. Ervin Jones has been tried and sent to jail at Murray in default of \$800 bail for outraging Mrs. J. M. Story. He was sitting up with Mrs. Story's sick husband and Mrs. Story lay down and went to sleep in the same room. Jones dosed Story heavily with morphine and while he was unconscious successfully assaulted his wife, who was awakened to find herself in the grasp of the fiend. All of the parties were white people. A belated letter from Senator Blackburn, in reply to an invitation to attend the Herndon barbecue, has been received, in which he says he would have come if he had received the invitation in time, which had to be forwarded several times before it caught him.
