

OUR GREAT

SEPARATION SALE!

The Sheep From The Goats,

BEGINS MONDAY, JANUARY 21ST, and continues till the lots are sold out. We have gone through our entire stock and have selected out of it every odd suit, odd pair of shoes, odd hat or odd piece of underwear—**all** clothing that is the least shade **off** in color, cut or style—every pair of shoes that are not just the thing in style—all hats that are six months old—in fact, every article that in any way is not up-to-date, all such goods have been separated from the balance of our stock and we have called this "Our Separation Sale—The Sheep from the Goats." These goats must go, and the prices we have put on them, as seen below, will make Miss Economy smile her sweetest.

Contemplate the prices given below.
