DEATH.

**Tornado Tears Over Arkansas,
Alabama and Mississippi.**

**Twenty Lives Lost in Alabama
and Several In the Other
States.**

Memphis, March 18.—A terrific wind-storm swept over Alabama, Mississippi and Arkansas to-day, doing immense damage and killing a number of people. The storms covered a radius of several hundred miles, destroying telegraph wires, cutting off communication with the affected country.

Cleburne county, Ala., suffered most severely, the storm there assuming the proportions of a tornado. Reports of fatalities in that county vary from six to twenty.

Many were injured at Sellers, Ala.

Much damage was done at Rob Roy, Ark. One was killed several badly injured. Dumas, Ark., was practically wiped out and several other towns suffered severely.

One person is reported killed at Hickory Flat, Miss. Farm houses in that vicinity suffered heavily.

It is not unlikely that many fatalities occurred which have not been reported.

Inflammatory Rheumatism.**

San Francisco, March 17.—The steamer China, from the Orient, via Honolulu, brings news of the death of Princess Kaiulani on the morning of the 6th inst. The dispatches are dated March 10.

The cause of death was attributed to inflammatory rheumatism. The Princess was born October 16, 1875.

She was the daughter of Princess Miriam Likelike, a member of the Hawaiian royal family, and A. S. Cleghorn, an Englishman. Kaiulani was born in 1875. In 1891 she was proclaimed heir apparent by Lilioukalani, who was on the throne of Hawaii.

The funeral of the dead Princess occurred on Sunday, March 12.

ARTERY SEVERED.

**And The Victim Came Near Bleed-
ing to Death.**

Mr. H. T. Mays, of Guthrie, who has been getting out timber on the Waddington farm, near Caledonia, Trigg county, happened to a very serious accident Friday. He was handling a cross-cut saw, when the implement slipped and fell across his left wrist, tearing the flesh away and almost severing his hand. An artery was cut and he came near bleeding to death before his arm could be corded tight enough to stop the flow of blood. Although in a very weak condition, he was able to go to his home at Guthrie Saturday. The accident may cause Mr. Mays the loss of an arm.

SUDDENLY SUMMONED.

**Attacked With Congestive Chill
and Lived Only Six Hours.**

Mr. George Culp, an employe of a local tobacco firm in this city, died suddenly from the effects of a congestive chill. About noon last Wednesday he complained of not feeling well and went home. Shortly after his arrival he was taken with a chill and grew rapidly worse, dying about 6 o'clock in the evening.

He came here from Benton, Ky., about five months ago and had been living on Durrett avenue with his wife and two children, who survive him. He was 23 years old and had made numerous friends here during his brief residence. The interment took place in Hope-

SIXTEEN ARE DEAD.

**Many More Unfortunate May Be
in the Debris of Windsor
Hotel.**

**Sixty-six Are Still Reported Miss-
ing and Fifty-seven Were
Injured.**

New York, March 18.—Through an incessant rain to-day, their efforts hindered by choking smoke from the half quenched ruins, more than two hundred men and also the police and fire departments sought with only half satisfying results for the bodies of persons who perished in yesterday's fire at the Windsor Hotel. Most of the time the smoke was so dense that the workmen could scarcely see their hands, and the heat from the debris growing red in places held the rescuers almost beyond its limits. Besides the remnants of the walls left standing were so shaky and threatening that it was dangerous to work about the mass of riveted iron and brick.

The latest estimate to-night is sixteen dead, recovered; sixty-six missing and fifty-seven injured. The men will proceed with grewsome search tomorrow with more satisfactory results.

Corrected List of Dead.

Following is a list of the dead from the Windsor Hotel fire, corrected tonight: Connolly, John; Flanagan, Kate, chambermaid; Gibson, Mrs. Ada, Cincinnati; Goodwin, Eleanor, Louisville; Grandy, Miss Lancelles, Elizabeth City, N. C.; Henry, Mrs. M.; Kirk, Nancy Ann, widow James S. Kirk, Chicago; Leland, Miss Helen, daughter of proprietor; Leland, Mrs. Warren, wife of proprietor; Paddock, Amelia; Sullivan, Mary; unknown woman fumped from Fifth-avenue window, died at Gould's; unknown man, jumped from roof; unknown child, thrown from window by mother; unknown woman, mother of child, jumped from window; unknown woman, jumped from window.

Heavy Losses.

Elbridge T. Gerry had the building and furniture that belonged to the hotel fully insured, and even the annual rental, for which he indemnified himself with a policy aggregating \$595,000 on the building and ead insurance for \$120,000 on the furnishings. Besides Leland had policies aggregating \$100,000 on his own turnshings.

No estimate is made of the precious metal and gems which withstood the flames and lie hidden in the embers of the wreckage of the hotel. One family lost jewelry valued at \$200,000 and the total will exceed \$1,000,000. How much has been picktd up and carried away can never be known, nor can all ever be recovered.

Latest Estimate.

New York, March 20.—The work of searching the ruins of the Windsor Hotel was kept up yesterday and late into last night, but no more bodies were found. Little progress could be made, however, as the work was rendered difficult by smoke and steam. Forty-five persons are still missing and many of these, it is now generally conceded, are in the ruins.
