WAR TO THE DEATH

PESTS OF THE POULTRY YARD MUST GO!

American Lice Destroyer Kills More Mites, Lice and Other Vermin in a Day Than All Other Remedies combined.

The war is on! The days of lice and vermin that have done so much to make the life of the poultryman miserable, and his business unprofitable are over. American Lice Destroyer is the proper ammunition to use! This preparation is wonderful in its power, and vermin cannot exist twenty-four hours after it is applied to the coop or fowls.

Tetter, Salt-Rheum and Eczema.

The intense itching and smarting incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes. 25 cts. per box. For sale by R. C. Hardwick.

Hanna's missionaries are at work all over the country without the help of any ecumenical council.

To be able to bear provocation is an argument of a great man, and to forgive it, of a great mind.

DIGEST YOUR FOOD. Ninety per cent. of all sickness is caused by food not being properly digested, it creates poisons and goes into your blood and then you are liable to almost any disease the human system is heir to.

Cured a Running Sore. "I had a bad running sore on my breast for over a year," says Henry H. Richards of Willseyville, N. Y., "and tried a great many remedies, but got no relief until I used Banner Salve. After using one half box, I was perfectly cured. I cannot recommend it too highly, and will never be without it in the house."

It is believed that the happiness of the deaf mute couple just married in Baltimore is assured.

BRYAN'S BRIGHT BRIEFS.

No nation is strong enough to do wrong.

The plea of destiny is the plea of cowardice.

Conquest means not destiny but covetousness and temptation.

Government should be made so every citizen will be ready to die to preserve it.

No large standing army is needed. The country is safe in the hands of volunteers.

Admiral Dewey should be made to correspond with LaFayette and not with Lord Clive.

Monopolist, oppose the democracy because it was the party of the common people.

If the Republican party destroys trusts it will destroy the goose that lays the golden egg.

If the people do not get the true question in their heads they will get it in their necks.

God does not inspire one man to govern another, and inspire the other to die for independence.

So long as the farmer lets the monopolist make the laws, they will not meet at summer resorts.

The Democratic party is now built from the voter up; heretofore it was built from the financier down.

If the people wish to extinguish trusts, they must take the extinguisher out of the hands of the monopolists.

The Republican party is borrowing from England all that is bad, but will not take the income tax, which is good.

HAS NATURE WARNED YOU?

Nature herself clad in the early garb of spring, blossoms forth in flowers causing the despondent chord to vibrate to this, the most delightful of all, springtime and how do you feel? Have you that tired shakely feeling, the forerunner of Chills, Malaria and Typhoid Fever? If so, you must not pass this warning as it is an indication of sickness; avoid this, consult us as our advice costs you nothing. Call on your druggist and procure a bottle of Dr. Carstedt's German Liver Powder. Take one dose a day at bed time for six days; then follow by procuring a bottle of Yucatan Chilli Tonic, following the directions and after two weeks' course of these two great remedies, you will feel like the flowers look in the spring. Prepare yourself for the malarial or hot season when the atmosphere is full of germs. If necessary and when your system warns you, repeat the above. These Remedies in stock. Sold by R. C. Hardwick.

Every cloud may have a silver lining but the average man is satisfied if his pocket is lined with silver.

An Ancient Belief.

The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by R. C. Hardwick.

With the opening of spring airship stories begin to float.

THE NEW YORK WORLD, THRICE-A-WEEK EDITION.

ALMOST A DAILY—AT THE PRICE OF A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in dollar a year journalism.

It is issued every other day, and is to all purposes a daily.

Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week.

The price is only \$1.00 per year. It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Thrice-a-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—The New York World.

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on.

The best of current fiction is found in its columns.

These are only some of the reasons there are others. Read it and see them all.
